**The Army Lawyer**, 2005

**D-Day Remembered** Michael Dolski, 2016-04-15 D Day the Allied invasion of northwestern France in June 1944 has remained in the forefront of American memories of the Second World War to this day Depictions in books news stories documentaries museums monuments memorial celebrations speeches games and Hollywood spectacles have overwhelmingly romanticized the assault as an event in which citizen soldiers the everyday heroes of democracy engaged evil foes in a decisive clash fought for liberty national redemption and world salvation In *D Day Remembered* Michael R Dolski explores the evolution of American D Day tales over the course of the past seven decades He shows the ways in which that particular episode came to overshadow so many others in portraying the twentieth century's most devastating cataclysm as the Good War With depth and insight he analyzes how depictions in various media such as the popular histories of Stephen Ambrose and films like *The Longest Day* and *Saving Private Ryan* have time and again reaffirmed cherished American notions of democracy fair play moral order and the militant yet non militaristic use of power for divinely sanctioned purposes Only during the Vietnam era when Americans had to confront an especially stark challenge to their pietistic sense of nationhood did memories of D Day momentarily fade They soon reemerged however as the country sought to move beyond the lamentable conflict in Southeast Asia Even as

portrayals of D Day have gone from sanitized early versions to more realistic acknowledgments of tactical mistakes and the horrific costs of the battle the overarching story continues to be for many a powerful reminder of moral rectitude military skill and world mission While the time to historicize this morality tale more fully and honestly has long since come Dolski observes the lingering positive connotations of D Day indicate that the story is not yet finished *When the Sea Came Alive* Garrett M. Graff, 2025-06-03 From the New York Times bestselling author of *The Only Plane in the Sky* and Pulitzer Prize finalist for *Watergate* comes the most up to date and complete account of D Day the largest seaborne invasion in history and the moment that secured the Allied victory in World War II D Day is one of history's greatest and most unbelievable military and human triumphs Though the full campaign lasted just over a month the surprise landing of over 150 000 Allied troops on the morning of June 6 1944 is understood to be the moment that turned the tide for the Allied forces and ultimately led to the defeat of the Axis powers in World War II Now a new book from bestselling author and historian Garrett M Graff explores the full impact of this world changing event from the secret creation of landing plans by top government and military officials and organization of troops to the moment the boat doors opened to reveal the beach where men fought for their lives and the future of the free world Fascinating action packed and filled with impressive detail *When the Sea Came Alive* captures a human drama like no other and offers a fitting tribute to the men and women of the Greatest Generation 1944 Jay Winik, 2015 Chronicles the events of 1944 to reveal how nearly the Allies lost World War II citing the pivotal contributions of FDR Churchill and Stalin Novelist *D-Day* General Noel F. Mehl, 2021-05-15 Omaha was the make or break Allied beach on D Day in perhaps the make or break campaign of World War II If American soldiers couldn't gain a foothold there then D Day was unlikely to succeed On June 6 1944 U S troops on Omaha suffered the worst casualties of any of the five Allied invasion beaches so many casualties and so much tactical difficulty that Omaha almost didn't succeed One big reason why Americans gained a foothold on Omaha was Gen Norman Dutch Cota A graduate of the West Point class of 1917 alongside famous classmates Matthew Ridgway Mark Clark and Lightning Joe Collins Norm Cota played football with Dwight Eisenhower who graduated two years earlier From March 1941 to February 1943 Cota served with the famous 1st Infantry Division the Big Red One as division intelligence officer plans training officer and finally chief of staff He performed so well in the North Africa campaign that he was sent to England to help plan D Day After laying the tactical groundwork for the amphibious landings Cota was made assistant division commander of the 29th Infantry Division On the eve of D Day he told his men You're going to find confusion The landing craft aren't going in on schedule and people are going to be landed in the wrong place Some won't be landed at all We must improvise carry on not lose our heads On June 6 1944 under heavy fire Cota landed with the second wave of the 29th Infantry Division on Omaha Beach about an hour after the start of the invasion He personally rallied the survivors of the landings and led the opening of one of the first exits off Omaha Cota seemed to be everywhere that day Coming upon a group of Rangers the general told them Rangers lead the way hence the Rangers motto

He is also known for saying Gentlemen we are being killed on the beaches Let us go inland and be killed And to a captain uncertain how to proceed I ll tell you what captain You and your men start shooting at them I ll take a squad of men and you and your men watch carefully I ll show you how to take a house with Germans in it Having demonstrated the task Cota asked the officer Do you understand Do you know how to do it now I won t be around to do it for you again I can t do it for everybody Great quips which American military history will always remember and which show the character in every sense of Dutch Cota Cota was a fighter a fighting general a D Day general and his contribution to D Day will remain his rallying of demoralized troops and his blazing the trail toward the breakout and victory on Omaha Ted Roosevelt Jr who landed at Utah Beach has always received credit as the D Day general like Cota Roosevelt also demanded that he land on D Day and then died of a heart attack a month later but Cota is the hero general of the day having landed early on D Day on bloody Omaha Portrayed by Robert Mitchum in the grand D Day film The Longest Day Cota has not yet received his due and there s a campaign now afoot to award him a belated Medal of Honor His story cries out to be told Now with the cooperation of the Cota family Noel F Mehlo Jr tells the compelling story Dutch Cota on Omaha Beach revealing new information and never before seen photos

*Beachhead Normandy* Tom Carter, 2012-10-31 World War II naval history has been discussed and examined from almost every possible angle One story that has never been told in detail however is that of the U S Navy s vessel designated the landing craft tank LCT Even though they are known for ferrying troops and supplies to the beaches of Normandy LCTs were more than mere transports In fact the little craft had permanently assigned crews and participated in nearly all forms of naval warfare Beachhead Normandy combines the history of LCT operations with a detailed look at a specific ship the LCT 614 which landed at Omaha Beach under heavy fire Tom Carter has gathered material from the U S Navy s archives the National Archives and personal stories from several members of the 614 s crew including the ship s skipper and second officer to give readers a clear picture of the LCT s role in one of World War II s most pivotal moments He also analyzes the role of LCTs in the Pacific theater including the 614 s participation in the occupation of China while supporting the marines famed First Division Drawing on both technical analyses and personal accounts by the actual participants including the author s father Beachhead Normandy is a rich and varied history of the key services these ships performed during and after World War II

*The Fighting Sullivans* Bruce Kuklick, 2016-11-07 In November of 1942 the five Sullivan brothers from Waterloo Iowa were killed when a Japanese torpedo sank their ship during the most ferocious naval

engagement fought in the South Pacific The family's loss the most extraordinary for the United States in its military history was immortalized and valorized in the 1944 film *The Fighting Sullivans* This book tells the story of how calamity with the help of Hollywood and the wartime publicity machine transformed a family of marginal and disreputable young men intensely disliked in their hometown into heroes The Sullivan boys joined the armed forces after Pearl Harbor and the US Navy accepted that they would all serve on one ship the light cruiser USS Juneau The five brothers gave the navy great publicity but when the ship went down and survivors were not rescued the service faced a serious problem *The Fighting Sullivans* examines the campaign that followed as the navy and its partners in Hollywood turned a tragedy of errors into a public relations victory Bruce Kuklick shows how the myth of the Sullivan family was created using bits and pieces of real events but with twists that turned the boys into superhumans and their beleaguered parents into self-sacrificing patriots He explores the close relationship between Hollywood studios and the military which aimed to boost morale and support for the war A study in mythmaking *The Fighting Sullivans* offers a behind-the-scenes look at the manufacture of heroes in twentieth-century wartime America
