Autonomy is fundamental to liberalism But autonomous individuals often choose to do things that harm themselves or undermine their equality In particular women often choose to participate in practices of sexual inequality cosmetic surgery gendered patterns of work and childcare makeup restrictive clothing or the sexual subordination required by membership in certain religious groups In this book Clare Chambers argues that this predicament poses a fundamental challenge to many existing liberal and multicultural theories that dominate contemporary political philosophy Chambers argues that a theory of justice cannot ignore the influence of culture and the role it plays in shaping choices If cultures shape choices it is problematic to use those choices as the measure of the justice of the culture Drawing upon feminist critiques of gender inequality and poststructuralist theories of social construction she argues that we should accept some of the multicultural claims about the importance of culture in shaping our actions and identities but that we should reach the opposite normative conclusion to that of multiculturalists and many liberals Rather than using the idea of social construction to justify cultural respect or protection we should use it to ground a critical stance toward cultural norms The book presents radical proposals for state action to promote sexual and cultural justice      **The Spaniard's Defiant Virgin (Mills & Boon Modern)** Jennie Lucas, 2010-12-01 In his Spanish castillo Marcos Ramirez has been planning his retribution for the Winter family And now it's time Marcos will take Tamsin and destroy her family But Tamsin isn't the hedonistic society girl he expected She's beautiful and courageous bedding her will be sweet      **Virgin Envy** Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15

Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and enviable Virginity and its loss hold tremendous cultural significance For many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it's there it's just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout Virgin Envy is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Taïa or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today's world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires      **Sex, Money, and the Price of Truth** PE Kavanagh, 2017-10-05 She needs security He seeks redemption THEY FIND EACH OTHER INSTEAD The facade of Lola's carefully crafted life begins to crumble the moment the sexy stranger walks into her neighborhood coffee shop Aidan is

smart stunning and impossible to refuse She isn't looking for love and he's too good to be true Ominous dreams and looming suspicions keep guiding her to stop But she doesn't Until the deception that brought them together becomes the danger that tears them apart Born in betrayal and threatened by revenge their future demands they find the courage for bare brutal honesty It comes at an impossibly high price AND IT'S THEIR ONLY CHANCE If you're searching for smart sexy adult characters in a layered emotionally gripping story then *Sex Money and the Price of Truth* is the answer Click now to unravel the mystery
