A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I (BOOK SERIES) Tracy Jones, 2025-06-24 A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I In this edition Tracy Jones delves deeper into the profound mysteries of our Eternal Existence from a NON RELIGIOUS perspective because life and death occur regardless of religious affiliation or lack thereof Jones seamlessly weaves together Science Creation and the Technology that brings Bible Prophecy into our reality BACK COVER God who is an Eternal Spirit created our universal presence in Heaven as Eternal Spirit Life Energy in His likeness Our same Spirit which now resides within our body is the only thing that is eternal everything else perishes the body material things and the spheres Therefore if we were living an infinite Life in Heaven with the Lord how did we transition to living a finite Life on Earth captive to certain death We desire our lives to last forever Truth is We each individually betrayed God sinned rebelled and therefore you and I were cast out of Heaven along with Lucifer whereby the Force of Gravity holds us away from God's Holy Presence We now live in the darkness of the abyss and this darkness is real close your eyes what do you see The darkness that we still are The evidence of your betrayal and rebellious behavior is your undeniable Natural Death which is to come For the wages of sin is death Rom 6 23 in Heaven and on Earth As a result you see death happening all around you and you know that in the back of your mind you could be next Therefore we were sinners long before Adam and Eve were created hence the reason that we are born sinners And the reason for planting the two trees in the Garden of Eden as well as the writing of the names of the redeemed in the Book of Life Follow this chronological journey through our Eternal History as we examine how death fits into the mystery of our eternal life Discover the cause intent and consequences of the only two death sentences and penalties that God has ever issued to His Creation We will evaluate Science Man Made Theories and Technology alongside Creation which reveals God s Divine Redemption Plan to save us from the Second Death Rev 20 14 with Heaven Hell Earth Satan Jesus all of us the Angels Death and Time each having a role to play Time was designed to take us from the beginning of God's redemption plan to the end yet Time is personal because upon your demise it is said that your time is up and you are buried but Time marches on according to God's purpose alone You will come to realize that God is NOT to blame for all the ills in the world for His objective is to redeem us through Jesus Christ so that we will avoid The Second Death based on freedom of CHOICE between eternal life and eternal death that is before us with each breath I have set before you life and death Deut 30 19 God s plan allows for the summation of our life s choices and decisions to make our eternal choice for us This is why death is designed as a surprise element and not a planned event you cannot plan your choice you must live your choice This book series will explore how God repurposed the Earth for our redemption the design details End Time Prophecy DNA Manipulation and the current biomedically engineered plagues COVID etc or Death Tests that are before us And will reveal the elite s purpose for UFOs and Computer Technology that allows them to communicate and receive knowledge from the darkness of the unseen

realm or as they call them Aliens as a result of our Tree selection in the Garden And to our surprise we do surely die Gen 2 17 You are awaiting your turn to die like me right We are living near the close of God's redemption plan The End Times Therefore the goal is to aid you in determining if what you believe is fact or fiction before your certain date with death so that you can make an informed decision about your life death and eternal future Beaten Oil for the Light of Life: Being Daily Thoughts on Bible Texts, Etc Hugh BAIRD (Minister at Cumbernauld.),1862 Beaten Oil for the Light of Life: Being Daily Thoughts on Bible Texts. Thought Gray Peter Sloterdijk, 2025-08-20 You re not a painter if you haven t painted gray declared Paul C zanne The same could be said of philosophers you re not a philosopher if you have never thought gray This simple four letter word signifies much more than a quasi neutral color lying between black and white we use the same word to describe moods November skies the hair of the elderly the withered features of faces dusty shelves faceless bureaucracies dreary politicians and hundreds of other things This plain unassuming word conceals a multitude of thoughts that we seldom pause to consider In this exceptionally original book Peter Sloterdijk follows the grey thread through the history of philosophy art literature and politics enabling us to see familiar things in new ways and highlighting features of our lives that would otherwise remain unseen Beginning with Plato's allegory of the cave which introduced the concept of gray into thought Sloterdijk unfolds a chiaroscuro narrative which recognizes the power of grey as a metaphor for the indefinite the indifferent the ordinary the intermediate and the neutralizing We see the invention of photography and monochrome s journey through modern art from Malevich's Black Square to Richter's grey panel paintings in a new light and we see modern states and modern politics as full of grey zones from the hidden spheres of the security services to the extraterritorial spaces that harbor illegal activities like money laundering and the drug trade A work of brilliance by one of the most creative philosophers writing today If You Have Never Thought Gray will appeal to a wide readership interested in philosophy art and politics and to students and academics in philosophy visual arts and the humanities generally Everything with God Dan Anghel, In the delicate balance between the earthly and the ethereal lies a path to an unparalleled strength that transcends the physical realm This exploration delves into the profound symbiosis of staying grounded while aspiring towards the divine proposing that true invincibility stems from harmonizing our human experience with our spiritual essence The Harmony of Earth and Sky The narrative begins by examining the metaphorical significance of having feet on the ground and the soul in the sky It reflects on the importance of remaining connected to our earthly human experiences while also elevating our spirits towards higher spiritual aspirations This section sets the foundation for understanding how combining practical wisdom with spiritual insight can forge an indomitable spirit Groundedness The Earthly Connection Focusing on the aspect of groundedness this part delves into the virtues of staying connected with the physical world embodying humility and nurturing resilience It discusses how being rooted in reality acknowledging limitations learning from the natural world and engaging in meaningful work provides stability and strength enabling individuals to face life s challenges with courage and grace Aspiration The Spiritual Elevation Transitioning to the concept of elevating the soul insights into the pursuit of spiritual growth and the quest for higher meaning are shared This section explores how aspiring towards the divine through prayer meditation and the cultivation of virtues like compassion and wisdom lifts the human spirit offering a sense of purpose that transcends earthly concerns Invincibility Through Balance Acknowledging the journey towards invincibility as a quest for balance this segment offers a holistic view of integrating groundedness with spiritual aspiration It illustrates how this balance not only fosters

inner peace and resilience but also empowers individuals to navigate life s adversities with unwavering strength and grace achieving a form of invincibility that is rooted in harmony between the material and the spiritual The Sword Bearers Monique Rockliffe, 2010-12-22 The peaceful planet of Theras a Territory in the southern sector of the N varda Galaxy has been invaded An unknown enemy brutal and bound on mindless inexplicable destruction invades the home of the High Seat and Cai rin dei Theras Queen of Theras Ahloren Vindor hien the Bearer of the powerful Sword of Heaven and because of the planet's limited technology and weaponry the beautiful capital city Malkhyrin is overrun within the hour But the real reason for the invasion is known only to a few Drakoor s et is an arch demon who came secretly to Theras months before seeking the fabled Sword of Shadows thought lost forever His plan is to use the Sword of Shadows to kill Ahloren Vindor hien and so take possession of the Sword of Heaven when she dies He befriends Jaryth the youngest son of Ahloren who is introverted gullible and innocent and seeks after adventure and promises him the adventure and excitement he so craves Drakoor in truth wants and needs both the Sword of Shadows and the Sword of Heaven to free Iionn his master and brother still trapped in the Void where Kurrn the Creator of all things has banished him and his rebellious brethren forever Drakoor disguised as a u man human convinces Jaryth to help him and because of his love of history and study Jaryth manages through intensive investigation and superior intelligence and Sword enhanced instincts thanks to his unique birth from his Sword Bearer mae mother to track down the Sword of Shadows Deciding not to tell Drakoor and thinking to rather take the Sword to his mae when he finds it as a peace offering for being absent from home for so long he goes off on his own and discovers the Sword of Shadows hidden in a cave off the southern coast of Theras But what Drakoor had not told the boy was that the Sword needs a host in order to be effective and so as Jaryth approaches the Sword a creation of Kurrn and a very powerful and destructive weapon meant only for His angels to bear it agonisingly transfers into him to Drakoor's utter fury Thanks to her spies Ahloren is aware of what has happened to her son that he was misled by an evil being and found the Sword of Shadows and mourns bitterly for him in private Therefore she has no choice on the day the palace is invaded when in an act of pure desperation an act that will hopefully protect N varda home to thousands of other races and species against annihilation she transfers the Sword of Heaven into her daughter Khyri the main character of the story who never wanted it and never wanted to be gueen and High Seat of Theras although she is next in line to the throne Khyri's eldest brother Khyl now Keeper of the Sword Bearer has been given the task of protecting his sister and training her to use the Sword and as the royal family Khyri Khyl and Brahn the second oldest of Ahloren's children and Aa rel and Jae el Beloruuis their cousins flees the capital little does Khyl know just how difficult this task will be for him For the weeks and months following the transfer Khyri a once spirited happy seventeen year old girl who infected others with her joy and love for life now refuses to speak the shock and grief of what has happened rendering her literally speechless The brother she once loved and adored above all others is now her enemy especially when she learns of her mae s and Khyl s
