Beast In View:

Beast In View Margaret Millar, 2011-08-18 She was beautiful and evil she murdered minds as well as bodies A work of art terrifyingly believable NEW YORK TIMES Superb BEAST IN VIEW is cunningly plotted and has an ingenious final twist MAIL ON SUNDAY Millar was the master of the surprise ending exemplified in BEAST IN VIEW INDEPENDENT ON SUNDAY At thirty Helen Clarvoe is alone her only visitors are the staff at the hotel where she lives and her only phone calls come from a stranger Until that stranger with a quiet compelling voice lures the aloof and financially secure Miss Clarvoe into a world of extortion pornography vengeance madness and murder But who is the hunter and who is the victim A gothic chiller which still feels incredibly modern BEAST IN VIEW is a true classic of the crime fiction genre Men at Play Jonathan Bollen, Bruce Parr, Adrian Kiernander, 2008 How are masculinities enacted in Australian theatre How do Australian playwrights depict masculinities in the present and the past in the bush and on the beach in the city and in the suburbs How do Australian plays dramatise gender issues like father son relations romance and intimacy violence and bullying mateship and homosexuality race relations between men and men s experiences of war and migration Men at Play explores theatre s role in presenting and contesting images of masculinity in Australia It ranges from often produced plays of the 1950s to successful contemporary plays from Dick Diamond s Reedy River Ray Lawler s Summer of the Seventeenth Doll Richard Beynon s The Shifting Heart and Alan Seymour s The One Day of the Year to David Williamson s Sons of Cain Richard Barrett s The Heartbreak Kid Gordon Graham s The Boys and Nick Enright s Blackrock The book looks at plays as they are produced in the theatre and masculinity as it is enacted on the stage It is written in an accessible style for students and teachers in drama at university and senior high school The book s contribution to contemporary debates about masculinity will also interest scholars in gender race and sexuality studies literary studies and Australian history **Critical Practice** Janet Marstine, 2017-02-10 Cover Title Copyright Dedication Contents List of figures List of plates Acknowledgements 1 Critical practice as reconciliation 2 Changing hands ethical stewardship of collections 3 Temple swapping hybridity and social justice 4 Platforms negotiating and renegotiating the terms of democracy 5 Reconciliation and the discursive museum Bibliography Index **Revelation Realist** Eric V. Cline, 2023-02-03 Like the rest of the Bible Revelation is profitable for doctrine reproof correction and instruction for righteousness God s revelation of Jesus is not coded or a maze of literature with secrets for only theologians to decipher The Holy Spirit makes the central message of the Bible available to everyone Revelation uses literary devices within the context of a message to communicate an absolute truth Open this book enter this symbolic but authentic world and be transported by all the visions of Revelation Warning you may be shocked out of spiritual slumber **A Beast in View** Peter De Polnay, 1953 The Kingdom and the Restoration; Or, A Scriptural View of the Second Coming of Christ ... Jesus Christ, Student of Prophecy, 1882 Exposition of Revelation Drew Leonard, 2019-03-03 This book is written to help explain the text of the book of Revelation to the common man Attention is given to the dating of the book

the imminence of the events the allusions to the OT the beast the cryptic 666 the seven kings the millennium the new heavens and new earth and more Every text of the Revelation is addressed thoroughly alongside critiques and examinations of differing views This book will leave you with a better understanding of John s Apocalypse and will guard against any strange views that may not be supported by the text Grab your Bible a pen and some paper and begin an Exposition of Revelati

Revelation Unsealed James L. Resseguie,2021-10-11 This narrative commentary systematically examines John s Apocalypse from a narrative critical perspective After an introduction to narrative criticism the volume focuses on point of view setting rhetoric character and plot in the Book of Revelation The rhetorical and symbolic significance of numerals are discussed at length as are the multifaceted characters in the book such as demonic animals locust beasts dragon birds and apocalyptic animals lamb four living creatures The symbolic significance of topographical architectural agricultural and other settings is emphasized The final chapter of the book is a summary of some of the major theological themes of Revelation The volume provides a useful methodology for the study of a much disputed book of the Bible

The Prophecy Puzzle Joseph R. Ebenhoe,2008-08 The Prophecy Puzzle is a study on the whole book of Revelation not just end time events but as the title suggests it does go into great detail on these events and the order in which they will occur I attempt to bring many of the prophecies of the Old Testament into the book of Revelation to give a clearer and perhaps surprising view of what is to occur in the near future My goal isn t to win everyone to my viewpoint but to encourage thought and provide an opportunity for God to teach from His Holy Word the Bible I ve been a Christian for more than twenty years which in itself has been a great blessing but one of the greatest blessings during this time has been the occupations the LORD has provided for me This is true because for most of that time I ve been able to listen to five or six hours of Christian radio a day This has enabled me to listen to the teachings of some of the finest teachers in modern times Many of which disagree with each other almost as much as one can and still remain orthodox This unique privilege has allowed me to study many views on the end times which I believe has enabled me with God s help to understand them better Also over these past twenty plus years I ve had the privilege to directly study under some great teachers For much of those twenty years I ve also taught a home Bible study and frequently taught classes in my local church
