Helen of Troy Ruby Blondell, 2013-04-04 Ancient Greek culture is pervaded by a profound ambivalence regarding female beauty It is an awe inspiring supremely desirable gift from the gods essential to the perpetuation of a man s name through reproduction yet it also grants women terrifying power over men posing a threat inseparable from its allure The myth of Helen is the central site in which the ancient Greeks expressed and reworked their culture s anxieties about erotic desire Despite the passage of three millennia contemporary culture remains almost obsessively preoccupied with all the power and danger of female beauty and sexuality that Helen still represents Yet Helen the embodiment of these concerns for our purported cultural ancestors has been little studied from this perspective Such issues are also central to contemporary feminist thought Helen of Troy engages with the ancient origins of the persistent anxiety about female beauty focusing on this key figure from ancient Greek culture in a way that both extends our understanding of that culture and

provides a useful perspective for reconsidering aspects of our own Moving from Homer and Hesiod to Sappho Aeschylus and Euripides Ruby Blondell offers a fresh examination of the paradoxes and ambiguities that Helen embodies In addition to literary sources Blondell considers the archaeological record which contains evidence of Helen s role as a cult figure worshipped by maidens and newlyweds The result is a compelling new interpretation of this alluring figure **Catalog of Copyright Entries** Library of Congress. Army Life A. O. Marshall, 2009-09-01 In 1884 when Albert O Marshall published Army Life a memoir of his service as a private in the Thirty Third Illinois Regiment twenty years had passed since his 1864 discharge Marshall left the journal untouched at publication and today it is a journal that is rare in what it is not This memoir is not a complete story of the Thirty Third known as the Normal Regiment because many of its soldiers were from Illinois State Normal University nor is it a complete roster of regiment members nor a list of killed and wounded Army Life is not even a purely military account written from an officer s point of view It is the story of a twenty year old private whose engaging writing belies his age but also allows his youth to shine through Marshall tells of the battles he fought and the games he played of his friends fellow soldiers and officers and of the regiment s activities in Missouri and Arkansas at Vicksburg and in Louisiana and on the Texas Gulf Coast Enhanced with careful editing and thorough annotations this journal Marshall carried faithfully to every mustering out is a rich and important Civil War memoir **London Bicycle Club Gazette** ,1882 **Paula Modersohn-Becker, the**
