Beckett Remembering/Remembering Beckett Samuel Beckett, 2014-01-02 In life Beckett was notoriously reticent preferring to let his work speak for itself In the first half of this collection he reveals many of his inner thoughts and honest opinions about his life writing friends and colleagues in candid interviews published for the first time in this book He discusses his friendship with James Joyce and his role in the Resistance during the Nazi occupation of France Also included are newly discovered photographs of Beckett as a young boy as a teacher as best man at a friend s wedding and with painter Henri Hayden In the second half friends and colleagues share their memories of Beckett as a schoolboy a teacher a struggling young writer and a sudden success in 1953 with the appearance of Waiting for Godot Readers will be enchanted by the poignant remembrances by those who knew him best worked with him most closely or admired him for his enduring influence including actors Hume Cronyn Jean Martin Jessica Tandy and Billie Whitelaw and fellow playwrights and authors Edward Albee Paul Auster E M Cioran I M Coetzee Eug ne Ionesco Edna O Brien and Tom Stoppard Jensen Suther, 2025-09-16 In recent years there has been an explosion of interest in both Marxism and German Idealism across the humanities but the discourse around the two traditions has grown stagnant and is still defined by the same century old debates materialism versus idealism history versus logic revolution versus reform With this exciting new work Jensen Suther endeavors to transform this discourse by presenting an unprecedented systematic vision of the possibility of a Hegelian Marxism grounded in Aristotle's logic of living form Through engagement with three titans of literary modernism Franz Kafka Thomas Mann and Samuel Beckett Suther pursues not only an account of Hegel's materialism but also a new critique of capitalist modernity Breaking with the received view of Marx s relation to German Idealism the book argues that the materialist critique of capitalist production is inseparable from Hegel's idea that the demand for freedom is a demand for mutual recognition The implication for Marxist criticism is that literary works cannot be understood apart from the political struggle for both recognition and new forms of social production Anyone invested in socialist politics the future of literary theory the history of philosophy and the study of modernism will want to contend with the way Suther rethinks Marxist theory and literary criticism from the ground up starting with their foundations in Hegelian thought Writing God and the Self Sharon Jebb, 2011-05-01 Contemporary literature has for several decades and in various guises been dominated by questions of identity and the self It has been forgotten that until the Enlightenment theological reflection emphasized the close connectedness of the self with God knowledge of God is essential to knowledge of the self and vice versa correct knowledge of the self is a necessary correlate to true knowledge of God This has been called the double knowledge Writing God and the Self examines two literary texts and lives as representative of two antithetical positions. The first represented by Samuel Beckett's life and his Three Novels is that the self is independent of God the second represented by C S Lewis and Till We Have Faces is that God and the self are intimately connected Beckett's radical apophaticism about God is shown to be tied to his extreme apophaticism about the self whereas Lewis s sense of selfhood is demonstrated to be integrally connected to his sense of a personal and self transcending God Other voices Augustine Teresa of Avila Charles Taylor Rowan Williams Mark McIntosh and Vladimir Lossky join the chorus of theologians psychologists and other thinkers past and present that contribute to this exploration of what Christian theology has to say about the insistent problem of the self Taken together all these voices articulate a powerful vision of selfhood in relation to God that is desperately needed today Drama Alan Ackerman, 2012-04-25 Exploring the relationship between dramatic language and its theatrical aspects Reading Modern Drama provides an accessible entry point for general readers and academics into the world of contemporary theatre scholarship This collection promotes the use of diverse perspectives and critical methods to explore the common theme of language as well as the continued relevance of modern drama in our lives Reading Modern Drama offers provocative close readings of both canonical and lesser known plays from Hedda Gabler to e e cummings Him Taken together these essays enter into an ongoing fruitful debate about the terms modern and drama and build a much needed bridge between literary studies and performance studies The Wireless Past Emily C. Bloom, 2016 Emily Bloom chronicles the emergence of the British Broadcasting Corporation as a significant promotional platform and aesthetic influence for Irish modernism from the 1930s to the 1960s She situates the works of W B Yeats Elizabeth Bowen Louis MacNeice and Samuel Beckett in the context of the media environments that shaped their works Weakness: A Literary and Philosophical History Michael O'Sullivan, 2012-05-24 Examining the nature of weakness has inspired some of the most influential aesthetic and philosophical portraits of the human condition By reading a selection of canonical literary and philosophical texts Michael O Sullivan charts a history of responses to the experience and exploration of weakness Beginning with Plato and Aristotle this first book length study of the concept explores weakness as it is interpreted by Lao Tzu Nietzsche Derrida the Romantics Dickens and the Modernists It examines what feminist writers Simone de Beauvoir and Luce Irigaray have made of the gendered biomythology constructed around the figure of the weaker vessel and it considers related notions such as im potentiality a syntax of weakness and human vulnerability in the work of Agamben Beckett and Coetzee Through analysis of these differing versions of weakness O Sullivan's study challenges the popular myth that aligns masculine identity with strength and force and presents a humane weakness as a guiding motif for debates in ethics **Seeing Silence** Mark C. Taylor, 2020-08-13 This wide ranging study explores the many meanings of silence through the work of visual artists philosophers theologians writers and composers Mark C Taylor's prolific output has delved into topics ranging from media to metaphysics and from postmodern theology to posthuman bodies His latest explores the significance of silence amid the buzzing networks of our modern age Have we forgotten how to listen to each other to recognize the virtues of modesty and reticence and to appreciate the resonance of silence Are we less prepared than ever for the ultimate silence that awaits us all In Taylor's account our way to hearing silence is paradoxically to see it He explores the many variations of silence by

considering the work of leading modern and postmodern visual artists including Barnett Newman Ad Reinhardt James Turrell and Anish Kapoor Developing the insights of philosophers theologians writers and composers Taylor weaves a rich narrative modeled on the Stations of the Cross Recasting Hegel's phenomenology of spirit and Kierkegaard's stages on life's way Taylor translates the traditional Via Dolorosa into a Nietzschean Via Jubilosa that affirms light in the midst of darkness Seeing Silence is a thoughtful meditation that invites readers to linger long enough to see silence and in this way perhaps to hear once again the wordless Word that once was named God The Yeats Circle, Verbal and Visual Relations in Ireland, 1880-1939 Karen E. Brown, 2011 Focusing on W B Yeats s ideal of mutual support between the arts and on the cultural production of the Yeats circle members Karen Brown explores the artistic relationships and outcome of Yeats s vision in five case studies In so doing the author makes use of primary materials and fresh archival evidence and delves into a variety of media including embroidery print illustration theatre costume design poetry and painting Beckett's Voices / Voicing Beckett ,2021-08-16 Beckett s Voices Voicing Beckett uses voice as a prism to investigate Samuel Beckett s work across a range of texts genres and performance cultures Twenty one contributors all members of the Samuel Beckett Working Group of the International Federation for Theatre Research discuss the musicality of Beckett's voices the voice as absent other the voices of the vulnerable the cinematic voice and enacted voices in performance and media The volume engages not only with Beckett's history and legacy but also with many of the central theoretical issues in theatre studies as a whole Featuring testimonies from Beckett practitioners as well as emerging and established scholars it is emblematic of the thriving and diverse community that is twenty first century Beckett Studies Contributors Svetlana Antropova Linda Ben Zvi Jonathan Bignell Llewellyn Brown Julie Campbell Thirthankar Chakraborty Laurens De Vos Everett C Frost S E Gontarski Mariko Hori Tanaka Nicholas E Johnson Kumiko Kiuchi Anna McMullan Melissa Nolan Cathal Quinn Arthur Rose Teresa Rosell Nicol s J rgen Siess Anna Sigg Yoshiko Takebe Michiko Tsushima Text & Presentation, 2008 Stratos E. and 21st century America The Life and Work of Thomas MacGreevy Susan Schreibman, 2013-05-23 As a poet and literary critic Thomas MacGreevy is a central force in Irish modernism and a crucial facilitator in the lives of key modernist writers and artists The extent of his legacy and contribution to modernism is revealed for the first time in The Life and Work of Thomas MacGreevy Split into four sections the volume explains how and where MacGreevy made his impact in his poetry his role as a literary and art critic during his time in Dublin London and Paris and through his relationships with James Joyce Samuel Beckett Wallace Stevens Jack B Yeats and WB Yeats With access to the Thomas MacGreevy Archive contributors draw on letters his early poetry and contributions to art and literary journals to better understand the first champion of Jack B Yeats and Beckett's chief correspondent and closest friend in the 1930s This much needed reappraisal of MacGreevy the linchpin between the main modernist writers fills missing gaps not only in the story of Irish modernism but in the wider history of the movement The Cambridge Companion to J.M. Coetzee Jarad Zimbler, 2020-04-30 Presents lucid and exemplary critical essays introducing readers to J M Coetzee s works practices horizons and relations for the Perplexed Jonathan Boulter, 2013-08-22 Samuel Beckett 1906 1989 is one of the most important twentieth century writers Seen as both a modernist and postmodernist his work has influenced generations of playwrights novelists and poets Despite his notorious difficulty Beckett famously refused to offer his readers any help in interpreting his work Beckett s texts examine key philosophical humanist questions but his writing is challenging perplexing and often intimidating for readers This guide offers students reading Beckett a clear starting point from which to confront some of the most difficult plays and novels produced in the twentieth century texts which often appear to work on the very edge of meaninglessness Beginning with a general introduction to Beckett his work and its contexts the guide looks at each of the major genres in turn analyzing key works chronologically It explains why Beckett's texts can seem so impenetrable and confusing and focuses on key questions and issues Giving an accessible account of both the form and content of Beckett s work this guide will enable students to begin to come to grips with this fascinating but daunting writer **Becket Sans Frontières** Minako Okamuro, 2008 SBT A 19 features selected papers from the Borderless Beckett Beckett sans fronti res Symposium held in Tokyo at Waseda University in 2006 The essays penned by eminent and young scholars from around the world examine the many ways Beckett's art crosses borders coupling reality and dream life and death as in Japanese Noh drama or transgressing distinctions between limits and limitlessness humans animals virtual bodies and stones French and English words and silence and the received frameworks of philosophy and aesthetics The highlight of the volume is the contribution by Nobel Laureate I M Coetzee the special guest of the Symposium His article entitled Eight Ways of Looking at Samuel Beckett introduces a variety of novel approaches to Beckett ranging from a comparative analysis of his work and Melville s Moby Dick to a biographical observation concerning Beckett's application for a lectureship at a South African university Other highlights include innovative essays by the plenary speakers and panelists Enoch Brater Mary Bryden Bruno Cl ment
