Round Trip to the Morgue , The Time Left Between Us Alicia DeFonzo, 2022-09 A blend of memoir history and oral storytelling The Time Left between Us bridges the gap between the generation who fought World War II and the generation who has forgotten it Alicia DeFonzo takes an unplanned visit to the Normandy beaches while staying in Paris Her grandfather Del Anthony DelRossi had fought in World War II and she becomes distraught after realizing how little she knows about the war and his experiences which until then had remained largely unspoken Across landscapes and lifetimes DeFonzo retraces her beloved grandfather s tour through World War II Europe The eighty four year old DelRossi recounts stories as an army combat engineer surviving major campaigns including Normandy St Lo the Bulge H rtgenwald and Remagen then liberating concentration camps In this braided narrative we see DeFonzo s childhood in a traditional Italian American family with an erratic Marine Corps father and a beloved grandfather Spanning ten years DeFonzo s travels and research take an unexpected detour after she inherits a Nazi Waffen SS diary from her grandfather and in her final trip returns to Germany to confront the diary owner s family DeFonzo s and her grandfather s stories merge when Del undergoes open heart surgery and Alicia must be the one to safeguard the past Both nostalgic and gripping The Time Left between Us is a meditation on how deeply connected the past is to the present and how the truth and what we remember of it are fragmented *China Airlift--the Hump* , 1980 **Underwater High** William E. Dyson III, 2014-10-09 Detectives Steele and Stacey find themselves involved in a high tech drug smuggling operation involving drones from Columbia to the U S Things become unglued when terrorists are involved who want the drones for their use War breaks out between drug smugglers and terrorists as action explodes in the Caribbean *Memoirs of an Oreo* William A. C. Polk, 2001-01-29 An Oreo Me No I ve been just an average guy who s had a pretty good life SO Who wants to read my autobiography If I m an unknown almost nobody right Well this autobiography is different because it has a unique and illuminating story to tell Its primary task is to

explore the social climate and the dynamics of social change in the U S during most of the 20th Century It also explores the idiosyncratic needs of individuals and groups that create and or resist social change I had always felt the imperfections in how whites and blacks interacted in our country But not until the assassination of Martin Luther King my uneasiness in a segregated society suddenly re ignite my awareness of the disparities That startling realization sparked and fueled my efforts to rectify the social ills Taking advantage of my love of people my life experiences and my education I write this to help bring about an inclusive more diverse society My background has helped me realize that all people have the same concerns in life That background and knowledge didn t make me an OREO It made me a human being Bill s story is fascinating It is captivating simply as an autobiography but it also presents a unique insight into race relations in America from the view of an Oreo I think readers both black and white will find it interesting edifying and inspiring Roy Armstrong II Editor Advisor You ve told quite an amazing and touching story here Characters are real people and have been well defined throughout the story Realistically presented its fascinating to view this part of our national heritage through his eyes Comments by P Elizabeth Collins President Gardenia Press *From the Great Depression to World War II* Joseph Szalay,2001 Follow Author Joseph Szalay thru the Great Depression as the son of Hungarian immigrants thru his service during World War II with the 102nd Infantry Division Candidly written through various articles that appeared over the course of more than 10 years in The Herald Democrat newspaper in Sherman Texas [Granddaddy Was Airborne!](#) Bart Hagerman,1997-12-01 As an 18 year old Bart Hagerman volunteered for military service in April 1943 Hagerman was wounded in action and hospitalized then returned to the States and eventually to civilian life After graduation from c college he accepted a direct commission and was recalled briefly during the Korean conflict He retired from the Army in 1978 as a lieutenant colonel and a master parachutist

My Benton County Hero Jim Rakes,2006 The Korean Police Action caused the 936th Field Artillery Battalion Arkansas National Guard to join the meat grinder of war Led by Captain Douglas E Morrow my hero a bunch of raw Arkansas kids became known as the shootin est non salutin est group of misfits in Korea Left to our own devices we would have been butchered by the armies of the North Koreans and Chinese squabbling amongst ourselves over our small town rivalries and the lingering memories of high school insults while the enemy roared in Doug Morrow however a WW II veteran trained us to fight and taught us how to be men The author exchanged 425 letters with his future wife and the story of that burgeoning relationship captures what motivated the men to fight bravely when hell rained down The only thing we had to keep ourselves going was the promise that some day we would have peaceful lives with the women we loved that some day we would sink into the tranquility of Arkansas and dream of something other than the carnage of shrapnel We fiercely fought for that dream even after an explosion robbed Doug Morrow of his own because he had taught us to cherish what we had left behind in Benton County and because he taught us that warriors do not run even when it feels that God and country have abandoned them I have finished *My Benton County Hero* and I thank you for writing it It is an excellent running history of
