Brian Silver,2003-02-24 Silver writes like a good friend and a concerned parent Like you he was deeply affected by September 11 and how our world has changed since that tragic day He understands that 9 11 will remain the major event for our children s growing years just as World War II and the Cold War was for our parents and grandparent s lives He understands that the War on Terrorism has engulfed us in an unconventional war like no other we have ever fought where our enemies seek to harm and terrorize us here at home This easy to read volume discusses how we got into this conflict the threats to our safety and provides practical not apocalyptic advice on things you can do to protect your family community and country This passionate book s central theme is about raising kids and offers ideas on how to protect your children during these turbulent times The book is crammed to the gills with realistic action steps you can take right now Counterfeit Drugs - Coming to a Pharmacy , *While America Sleeps* Wells Earl Draughon,2007 This book describes the practices and propaganda that are preparing the fall of America and guaranteeing that nothing will be done to stop it Other books focus on one aspect of the problem this book tells you the whole story Other books give you rants and unsupported claims This book presents documented facts but also tells the victims stories bringing you face to face with the human costs When presenting misguided practices and anti American ideology the book lets the perpetrators hang themselves in their own words Environmental Health, Third Edition D. W MOELLER,D. W Moeller,2009-06-30 Environmental Health has established itself as the most succinct and comprehensive textbook on the subject This extensively revised and rewritten third edition continues this tradition by incorporating new developments and by adding timely coverage of topics such as environmental economics and terrorism **The Dynamics of Terror** Hughbank,2011 Pathologic leaders are capable of using their power mind manipulation skills and unchecked authority to manipulate and annihilate others their own people and themselves as the Nazi Fhrer Adolf Hitler the messianic reverend James Jones or Osama bin Laden the leader of the al Qaeda social movement have reminded us But what about the regular guys Can a person who in principle is like you and me become an agent of terror In the rise of the media age it is easy to forget that humankind has been subject to the darkness of terrorism for centuries In a world scarred by tragedies in locations as divergent as Oklahoma City Blacksburg London Madrid and New York finding a way to combat terrorism and acts of terror in our own time is of paramount concern Yet how do a community a culture and a world come to understand how terrorists develop How do we come to terms with the idea that most terrorists and individuals who commit acts of terror

are products of the cultures that we live in rational actors who operate among us at times undetected until their actions come to their deadly end The Dynamics of Terror is a series of essays from a group of expert psychologists sociologists and military terror experts By examining the differences between the individuals who engage in terrorist activities the authors have composed a unified theory of terrorists These engaging essays will shed light into the minds of terrorists and provide new ways to identify potential aggressors before tragedy occurs
