Cracks In An Earthen Vessel:

Cracks in an Earthen Vessel John T. Fitzgerald, 1988 The New Testament and Early Christian Literature in Greco-Roman Context David Edward Aune, John Fotopoulos, 2006 This volume is a collection of newly published scholarly studies honoring Prof Dr David E Aune on his 65th birthday These groundbreaking studies written by prominent international scholars investigate a range of topics in the New Testament and early Christian literature with insights drawn from Greco Roman culture and Hellenistic Judaism **Paul in the Greco-Roman World** J. Paul Sampley, 2003-11-01 Distinguished Pauline scholars offer an insightful examination of Paul and his world using carefully chosen examples to demonstrate how particular features of Greco Roman culture shed light on Paul's letters and on his readers possible perceptions of them

The Cross in Corinth Raymond Pickett, 1997-06-01 Pickett explores how Paul appealed to the death of Jesus in the Corinthian correspondence in order to promote a community ethos and ethic consistent with the ideals and values it symbolized In so doing Paul was responding to interpersonal conflicts within the community and criticisms of his ministry criticisms he saw as founded on Graeco Roman cultural values of the cultivated elite His consistent emphasis on the weakness of the cross served to critique social expressions of power in Corinth More constructively Paul attempted to secure conduct befitting the gospel by invoking the death of Jesus as a symbol of other regarding behaviour *Paul and Isaiah's Servants* Mark Gignilliat, 2007-07-10 Provides theological rationale for Paul's Old Testament reading that moves beyond pigeon holing Paul either into his religious historical situation or into modern conventions about the *sensus literalis*

Paul's Paradigmatic "I" Brian Dodd, 1999-02-01 This study claims that Paul uses his personal example as an explicit literary strategy in 1 Corinthians Galatians and Philippians and as an arguably implicit strategy in 1 Thessalonians and Philemon He uses his own example to ground and illustrate his argumentation in a rhetorically sophisticated manner often structuring his argument on such a basis In places a crisp statement of his own case serves as a thesis statement of the argument that follows e g Rom 1 17 Gal 1 10 while at other times it serves to summarize the argument and to provide a transition to the next phase especially in 1 Corinthians and Gal 2 15 21 All the while Paul's self portrayals in his letters serve not autobiographical or egoistic purposes but pedagogical and argumentative aims **The Educated Elite in 1**

Corinthians Robert Dutch, 2005-06-20 This book examines the educated elite in 1 Corinthians through the development and application of an ancient education model The research reads Paul's text within the social world of early Christianity and uses social scientific criticism in reconstructing a model that is appropriate for first century Corinth Pauline scholars have used models to reconstruct elite education but this study highlights their oversight in recognising the relevancy of the Greek Gymnasium for education Topics are examined in 1 Corinthians to demonstrate where the model advances an understanding of Paul's interaction with the elite Corinthian Christians in the context of community conflict This study demonstrates the important contribution that this ancient education model makes in interpreting 1 Corinthians in a Graeco Roman context This

is Volume 271 of JSNTS **Teacher of the Nations** Devin L. White, 2017-11-20 This study examines educational motifs in 1 Corinthians 1-4 in order to answer a question fundamental to the interpretation of 1 Corinthians Do the opening chapters of 1 Corinthians contain a Pauline apology or a Pauline censure The author argues that Paul characterizes the Corinthian community as an ancient school a characterization Paul exploits both to defend himself as a good teacher and to censure the Corinthians as poor students **Cultural Contextualization of Apologetics** Matt W. Lee, 2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul's cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul's world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical **Paul, the Fool of Christ** L. L. Welborn, 2005-07-19 Welborn argues that Paul's acceptance of the role of a fool and his evaluation of the message of the cross as foolishness are best understood against the background of the popular theatre and the fool's role in the mime Welborn's investigation demonstrates that the term folly *moria* was generally understood as a designation of the attitude and behaviour of a particular social type the lower class buffoon As a source of amusement these lower class types were widely represented on the stage in the vulgar and realistic comedy known as the mime Paul's acceptance of the role of the fool mirrors the strategy of a number of intellectuals in the early Empire who exploited the paradoxical freedom that the role permitted for the utterance of a dangerous truth Welborn locates Paul's exposition of the folly of the message about the cross in a submerged intellectual tradition that connects Cynic philosophy satire and the mime In this tradition the world is viewed from the perspective of the poor the dishonoured the outsiders The hero of this tradition is the wise fool who in grotesque disguise is allowed to utter critical truths about authority The book demonstrates that Paul participates fully in this tradition in his discourse about the folly of the word of the cross The major components of Paul's argument in 1 Corinthians 1-4 find their closest analogies in the tradition that valorizes Socrates Aesop and the mimic fool JSNTS 293 and ECC **The Rhetorical Analysis of Scripture** Stanley E. Porter, Thomas H. Olbricht, 1997-09-01 This is the third in a series of conference papers on rhetorical criticism Held in July 1995 in London the conference included participants from the United Kingdom the United States Canada Germany Italy Switzerland and the

Republic of South Africa Part I is concerned with the past present and future of rhetorical analysis Parts II III and IV are concerned with rhetorical analysis of scriptural texts and Part V provides a conclusion reflecting on a number of questions raised in Part I Most of the participants would characterize themselves as advocates of rhetorical criticism but there were others less convinced that rhetorical criticism is developing as it ought

Martyred for the Church Justin Buol,2018-09-21 In this study Justin Buol analyzes the writings connected with the deaths of Ignatius of Antioch Polycarp of Smyrna and Pothinus of Lyons in light of earlier accounts of the noble deaths of military political and religious leaders from Greco Roman literature and the Bible which record benefits accruing to a group on account of its leader s death The author argues that the accounts of these three bishops martyrdoms draw upon those prior models in order to portray the bishops as dying to unite protect and strengthen the Church oppose false teaching and apostasy and solidify the teaching role of the episcopal office Finally by providing a foundation for Irenaeus to argue for apostolic succession these second century bishop martyrs also help form a lasting contribution to the growth of episcopal power

Judgment and Community Conflict David W. Kuck,2014-04-09 This study demonstrates that Paul in 1 Corinthians 3 5 4 5 is led by the rhetorical situation to emphasize God s final judgment as the affirmation of the individual Christian s work Paul is not simply opposing his future eschatology to a Corinthian realized eschatology Rather he is teaching the Corinthians to adapt their inherited belief in a corporate judgment to new concerns within the community The exegetical study is set in the context of past scholarship on the questions of Paul s eschatology his beliefs concerning judgment and the role of eschatology in 1 Corinthians Chapters on the functions of divine judgment in Jewish and Greco Roman writings help to define the way early Christians thought of God s judgment and to suggest how Corinthian sensibilities influenced Paul s application of judgment language This book contributes to ongoing debates about the apocalyptic theology of Paul and the eschatological views of the Corinthians It will also be useful to scholars who are interested in the role played by ideas of divine judgment in the world of the New Testament

'The Sufferings of Christ Are Abundant In Us' Kar Yong Lim,2019-08-22 This study investigates why Paul makes the theme of suffering so central to his argument in 2 Corinthians It is pursued through an exegetical analysis of passages where Paul s suffering is described namely 1 3 11 2 14 11 6 4 7 12 6 1 10 and 11 23 12 10 By employing a narrative approach this study argues that Paul s apostolic suffering is grounded in the story of Jesus There are several implications arising from this approach First Paul understands his suffering as necessary and integral to his apostolic mission Second Paul claims that his suffering has positive missiological benefits resulting in giving birth to the Christ believing community in Corinth Third for Paul the story of Jesus does not end at the event of the cross and so he extends the invitation to the Corinthians to participate in the story of Jesus Fourth Paul s understanding of his suffering also finds its roots in the Hebrew Scriptures as seen in the allusion to and citations of Isaiah and Jeremiah 1 Kingdoms Finally Paul expresses his deep concern for the Corinthians in this letter In essence Paul sees his own suffering as a reflection of his embodying the ongoing story of

Jesus a story of suffering and death leading to life and calls the Corinthians also to this cruciform pattern of living Taking all the above implications together it is suggested that 2 Corinthians should be read as primarily parenaetic in nature and that Paul s apology for his apostleship only plays a secondary role *Why Is This Happening to Me?* Wayne Monbleau,2008-01-01 Addressing issues that often frustrate or discourage us Wayne Monbleau uses stories and keen biblical insight to convey the message that God intends life to come out of death If we allow Him He will take our wounds and use them for healing both for us and for others **At the Temple Gates** Heidi Wendt,2016 Integrates Jewish Judean and Christian experts into a wider and more diverse class of religious activity Argues that certain Christian forms of religion first took shape within a class of freelance experts The Cyclopædia, Or, Universal Dictionary of Arts, Sciences, and Literature Abraham Rees,1819 **Aging, Spirituality, and Pastoral Care** James W Ellor,2013-05-13 How can you foster spiritual growth in older people This multidisciplinary work re examines issues of aging with dignity and spiritual meaning Aging Spirituality and Pastoral Care A Multi National Perspective brings together chaplains pastors counselors and health care practitioners in all walks of gerontology from around the world to present a fully rounded picture of the spiritual needs and potentialities of this fast growing population It also includes a study of the spiritual awareness of nurses working in six different nursing homes as well as a model for a parish nursing practice that focuses on the aged Aging Spirituality and Pastoral Care addresses urgent issues for older people including social and spiritual isolation the wisdom of the aging the need for intimacy sexuality among older people living with dementia the spiritual dimensions of caregiving *Flawed Families of the Bible* David E. Garland,Diana R. Garland,2007-03-01 Most Christians believe that the Bible holds the answers to their questions about daily living and that reading the Scriptures will show them good examples to follow for their own lives Think for a moment and try to list a few examples of healthy families in the Bible who are ideals worth emulating Having trouble The families of the Bible were far from perfect and not so different in that regard from our imperfect families today In *Flawed Families of the Bible* a New Testament scholar David and a professor of social work Diana take a real and close look at the actual families of the Bible This honest book will inspire and encourage readers with its focus on the overarching theme of hope and grace for families showing that it is in the imperfect places that we can catch a glimpse of grace Perfect for pastors counselors and anyone in a flawed family Preaching Second Corinthians James W. Thompson,2021-02-18 While the commentaries and articles on 2 Corinthians focus on the world behind the text giving attention to the identity of Paul s opposition and questions about the letter s composition few scholars have bridged the gap between the exegesis of 2 Corinthians and the sermon The issue of what constitutes legitimate ministry the focus of 2 Corinthians is a pressing issue today for churches as they face an identity crisis Paul confronts opponents who judge him by secular standards of ministry offering an alternative that is based on the cross Second Corinthians offers an insight into both the nature of pastoral ministry and the mission of the church This book draws parallels between Corinth and the contemporary situation of the

church The exegetical insights demonstrate the primary focus of the passage as the basis for the preaching text This book demonstrates a full awareness of current scholarship on 2 Corinthians and offers hermeneutical and homiletical guidance for addressing these issues today
