**Using an Art Technique to Facilitate Leadership Development** Cheryl De Ciantis, 1995 This book describes a training technique in which an art activity called a touchstone exercise serves as the basis of an action oriented leadership development program Part 1 describes the context in which the touchstone exercise was developed and details the process of setting the stage for and conducting it Two case studies illustrating the exercise s use and participants response to it are included Discussed in part 2 are the following topics effectiveness of the touchstone exercise as demonstrated by the LeaderLab Impact Study changes in the touchstone exercise over time common themes in touchstone representations touchstone lessons used on the job the touchstone exercise as a story and resistance to artistic activities Part 3 focuses on the use of nontraditional classrooms and includes sections on the following roles of the artist emotions and program configuration in the effectiveness of nontraditional components transferability and art and leadership Appendixes constituting approximately 50% of this book contain the following detailed description of the LeaderLab program s content and structure steps in conducting the touchstone exercise sample touchstone stories from one group and sample artistic methods used in organizations Contains 22 references MN

*Sustainable Strategic Management* Jean Garner Stead, W. Edward Stead, 2017-09-08 Sustainable strategic management refers to strategic management policies and processes that seek competitive advantages consistent with a core value of environmental sustainability This book has been specifically written as a text to augment traditional graduate and undergraduate management courses on strategic management It fills the need for a strategy text that gives full attention to sustainability and environmental protection The authors have structured the book to follow the usual order of

topics in any standard management text Sustainable Strategic Management also features an on going chapter by chapter case study Eastman Chemical Company that exemplifies many of the principles of environmentally sound management practices From creating organizational visions to formulating goals and strategies to strategy implementation and evaluation this book provides readers with new ways of thinking about their organization s role in the greater society and ecosystem From the Authors Preface Ours is the first book to integrate sustainability into strategic management It covers the full gamut of strategic management concepts and processes that would be expected in any quality strategic management book and it does so in a way that thoroughly weaves sustainability into each and every one of them Students using this book understand such things as why reducing materials and energy intensity is an effective functionallevel strategy why socially differentiated products command premium prices and why a business ecosystem pursuing a vision of social and ecological responsibility can dominate its market Further because the book is relatively short reasonably priced and very thorough in its coverage of strategic management concepts and ideas it can be used either as a stand alone text for graduate and undergraduate strategic management courses as a supplement to another book or as one of a group of short texts      *Management for a Small Planet* Stead,2015-05-18 When this classic text was first published in 1992 it provided a unique focus for the burgeoning concern for sustainability and sustainable organizational practices The book s impact continues to be felt today as large multinational corporations are making substantial commitments to the triple bottom line of economic success social responsibility and environmental protection and sustainability has become a part of curricula in business schools around the globe Featuring extensive new material throughout this new edition of Management for a Small Planet maintains the same unique vision and approach that made the original so influential Unlike other texts on the topic it employs a strategic general management perspective within theoretical frameworks on how organizations can be instrumental in moving humankind toward a more sustainable world Part I includes chapters dedicated to each dimension of sustainability biophysical economic and social Part II contains the specifics on the formulation and implementation of sustainable management practices all grounded in the principles of organizational behavior leadership and business strategy The book is an ideal text for any course concerned with environmental management and sustainable management practices      Creating Shared Value Marjorie Parker,1990      The Leader's Edge Charles J. Palus,David M. Horth,2002-10-01 Der ultimative Schritt f r Schritt Leitfaden f r Manager die ihren F hrungsqualit ten mehr Kreativit t verleihen wollen Er basiert auf jahrelanger Forschungsarbeit Die Autoren stellen hier eine bew hrte Methode f r sicheren F hrungserfolg vor Sie beschreiben sechs unterschiedliche aber miteinander verflochtene Kompetenzen f r kreative F hrung die wichtige Aspekte menschlichen Verhaltens widerspiegeln aber bislang nur unzureichend f r eine funktionierende Unternehmensf hrung in Betracht gezogen wurden Mit genauer Anleitung welche Ma nahmen notwendig sind um die jeweilige Kompetenz zu erwerben Bietet eine F lle von Hilfsmitteln und Beurteilungstests mit deren Hilfe man die sechs Kompetenzen entwickeln kann Enth lt eine F lle von
