Larsson and the Emergence of Swedish Design Marge Thorell, 2018-11-27 Identified as the first designer of what would become known as Swedish Modern by the National Museum of Women in the Arts in Washington D C Karin Bergoo Larsson 1859 1928 was a mother of eight and wife to Sweden's beloved painter Carl Larsson. Herself a well regarded artist she gave up painting when she married at the request of her husband. Taking up needles and cloth she then turned a somewhat ugly cottage Lilla Hyttnas in the tiny village of Sundborn Sweden into a designer showcase. Inspired by the Swedish countryside she filled the home with handcrafted wall hangings bed coverings tablecloths pillow covers and even furniture of her own design while greatly influencing her husband's work by encouraging him to move away from dark oils to more illuminating and light filled watercolors. His paintings of their home made her interior designs famous and her influence continues to inform the concepts of retail giant IKEA.
