Strategies for Cooperative Collection Development Milton T. Wolf, Marjorie E. Bloss, 2013-10-18 Ensure the success of your library s cooperative collection development plan This solidly researched book brings a fresh perspective to the practical problems of library resource sharing Creating New Strategies for Cooperative Collection Development offers

shrewd advice and creative thinking on the political and administrative issues that often present obstacles. It will help you assess your library's situation, identify new opportunities, and find powerful new ways to perform the essential tasks of archiving, preservation, and digitization. By making wise use of new technologies, local libraries can offer international resources and services unimaginable just a few decades ago.

Creating New Strategies for Cooperative Collection Development shares the experiences of successful consortia all over the world, including the US, Eastern Europe, the UK, the nations of the Pacific Rim, and South Asia. It examines the costs and benefits of regional, national, and international cooperatives and debates the varying uses of centered and decentralized models of resource sharing.

Creating New Strategies for Cooperative Collection Development offers practical advice for overcoming specific obstacles, including lengthy approval processes, fixation on volume count instead of quality faculty, and commercial resistance to reforming scholarly communications, publishing monopolies, and rising prices.

Creating New Strategies for Cooperative Collection Development defines the issues that need to be addressed by the library community to foster the advancement of cooperative collection development and suggests a series of steps that can be taken to ensure its future success and continued growth. It is an essential guide to the world of resource sharing.

Gifts and Exchanges Linda S. Katz, 2013-10-18. This important book explores the many questions challenging librarians who work with gifts and exchanges. Gift exchange (G/E) as part of their daily responsibilities. Too often, because of shrinking library budgets, library gifts are considered burdensome and unprofitable drains on both financial and personnel resources. However, *Gifts and Exchanges: Problems, Frustrations, and Triumphs* gives you solutions that will allow you to embrace your library's gifts as rewards. In this book, you will discover the latest ways of disposing unwanted materials, planning and holding book sales and auctions, and operating a full-time bookstore with Friends of the Library. *Gifts and Exchanges* covers the many questions that are currently challenging librarians who work with gifts and exchanges: the problems, such as limited space and an understaffed team; frustrations and triumphs that make up your daily routine in book donations. The many chapters in *Gifts and Exchanges* will assist you in solving your worst gift and exchange nightmares as you explore research and solutions on the importance of a gift policy and its interpretation, a template for drafting a gift policy, G/E procedures in libraries not affiliated with the Association for Research Libraries, answers to today's G/E problems, disposing and profiting from unwanted gifts, encouraging the gifts you want. *Gifts and Exchanges* is a valuable reference that will help you swim through your department's sea of gifts and exchanges. As a library professional, you will benefit from this book's current and well-researched answers to the problems that flood your G/E department.
