**Care of Souls, Care of Polis** Ryan LaMothe,2017-07-25 In the fields of pastoral care and pastoral theology there are times when a book signals a paradigm shift This is one such book LaMothe develops a political pastoral theology that is used to examine critically political economic and societal structures and practices In the first part of the book LaMothe argues that care and pastoral care are political concepts which along with the notion of justice can be used as a hermeneutical framework to assess macropolitical and macroeconomic realities Included in this section is the notion of civil and redemptive discourse necessary for the survival and flourishing of persons and polis The last section of the book examines U S Empire capitalism class classism and other pressing political issues using the hermeneutical lens of care *Prophetic Witness in World Christianities* Annemie Dillen,Anne Vandenhoeck,2011 Prophets have a reputation of changing for the better the relationship between people and God Christianity has a long history of prophets who have directed the faithful towards more justice and righteousness What can Christians learn from prophets for daily life for contemporary theology and for pastoral care This book looks at prophetic action from a biblical pastoral and ethical perspective The contributions from both pastoral theologians and pastors from around the globe make this study a unique exercise in maintaining the prophetic perspective in theological reflection and pastoral practice Series International Practical Theology Vol 13 **The Shape of Practical Theology** Ray S. Anderson,2001-01-31 Ray S Anderson lays out a new and renewing theological foundation for engaging in Christian ministry Illuminated by discussion and case studies he shows how a biblically informed approach addresses real issues in Christ s power *Lift Up Your Eyes* Christopher Shaw,2008-01-01 This book has been written with the following principle in mind The life we live when no one is watching will significantly impact our public ministry It is essential that we quiet our hearts lifting our eyes to the One who can empower and equip us to accomplish His work **Sourcebook for Sundays, Seasons, and Weekdays 2017: The Almanac for Pastoral Liturgy** Leisa Anslinger,2016 **Paul for Everyone: The Pastoral Letters** N. T. Wright,2004-01-01 Enlarged print edition now available Writing in an approachable and anecdotal style Tom Wright helps us to see the pastoral nature of these letters Paul is anxious to see that those who profess the faith should allow the gospel to transform the whole of their lives right down to the deepest part of their personality and is concerned that every teacher of the faith should know how to build up the community in mutual support rather than tearing it apart through the wrong sort of teaching and behavior Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions [Basic Types of Pastoral Care & Counseling](#) Howard Clinebell,2011-08-01 Basic Types of Pastoral Care and Counseling remains the standard in pastoral care and counseling This

*THE PASTORAL MINISTRY* GODSWORD GODSWILL ONU, *Saving the Earth?* E. M. Conradie, 2013 Christians seeking to save the Earth have to relate creation to salvation by doing justice to both themes This study explores the ambiguous legacy of the ways in which this challenge has been approached in the reformed tradition of Swiss Dutch and German origins and in the reception of this tradition in South Africa The book focuses on the diverging interpretations of the category of re creation in this regard Series Studies in Religion and the Environment Studien zur Religion und Umwelt Vol 8

*An Uncertain Certainty* Graham Buxton, 2014-09-25 Many people in Christian ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst

**Resident Aliens** Stanley Hauerwas, William H. Willimon, 2004-04-01 In this bold and visionary ebook two leading Christian thinkers explore the alien status of Christians in today's world and offer a compelling new vision of how the Christian church can regain its vitality battle its malaise reclaim its capacity to nourish souls and stand firmly against the illusions pretensions and eroding values of today's world Hauerwas and Willimon call for a radical new understanding of the church By renouncing the emphasis on personal psychological categories they offer a vision of the church as a colony a holy nation a people a family standing for

sharply focused values in a devalued world      **Exposition of the Old and New Testament** Matthew Henry, John Bickerton Williams, 1828      *Versions and Imitations of the Psalms of David, Selected from Various Authors, and Adapted to the Public Worship of the Church of England. By the Late Erasmus Middleton* Erasmus MIDDLETON, 1806      **Journal of Biblical and Theological Studies, Issue 3.1** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2018-04-18 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics      *Preaching Prophetic Care* Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation s complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today s social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice      **Behold The Kingdom** Crosbie Barnes, 2015-03-12 A study that attempts to remove the fog surrounding our perception of God s Kingdom It may be a source for some new ideas and revelation challenging those commonly held about the Kingdom and attempting to set the foundation for how we should view God s Kingdom It looks at how the coming of the King impacts the world and its people in every generation revealing an invitation to take our rightful place in His Kingdom It examines the mechanics and the dynamics of our inclusion into the Kingdom and how it is expressed within His creation We examine its nature as it emerges in the lives of individuals who embrace the King And finally it looks at the structure role and intrinsic

values of the Church in the context of God's Kingdom
