Regulating Our Constitutional Rights William B. Glidden,2023-05-22 The author argues that we the people s rights under the Constitution as amended cannot be characterized as specific prohibitions against government Life liberty and property rights and the freedoms of religion speech and press for example are neither self defining nor precise Accordingly in our representative democracy the unelected unaccountable life tenured judges on the Supreme Court should defer to the laws of Congress affecting these rights absent a clear constitutional violation But the modern conservative Court has become increasingly willing to overturn the laws and policy choices of our nation s elected representatives based on the judges political and ideological preferences Congress has the constitutional power to control the jurisdiction of the lower federal courts and the appellate jurisdiction of the Supreme Court but it has not chosen to exercise this power in any meaningful way to preserve and protect the American people s right to be governed by majoritarian rule Standby and Commercial Letters
