Basic Discipleship:

Basic Discipleship 101 Ron Hordyk, 2018-04-10 For we are God's fellow workers you are God's field God's building By the grace God has given me I laid a foundation as an expert builder and someone else is building on it But each one should be careful how he builds 1 Corinthians 3:9-10 When someone starts to build a house he first lays the foundation on which the rest of the house will be built If the foundation is not built correctly the rest of the building will be compromised affecting not only its immediate use but also its longevity The previous scripture states that the church must also lay a good foundation in new believers The Bible contains specific teachings that form the foundation of the Christian faith To overlook even one of these teachings will affect how we perceive the rest of the Christian faith An obvious example is to teach judgment without mercy a teaching which causes the church to be legalistic However to teach mercy without judgment causes the church to give license to sin Both teachings are essential for the one teaching balances the other When a person accepts Jesus as his Savior and Lord most churches place the person in their ongoing programs with the hope that he will grow However a new believer does not share the foundational truths that mature Christians have The minister may make statements which out of context will appear harsh but are not harsh when placed in the context of other accepted teachings For this reason the church must give new believers a foundation which will allow for a balance in regard to the teachings to which they will be exposed Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith In this collection of studies we will examine what it means to become a Christian identify the principle players in salvation and examine the elementary truths on which the sermons they will be exposed to will be built upon Welcome to Basic Discipleship 101

Simple Discipleship Dana Allin, 2019-01-08 A Clear and Personalized Path for Discipleship Discipleship can feel like a meandering journey we don't know what we want and none of the programs offered seem to get us anywhere We need something to orient ourselves and something to direct our steps toward a clear destination Simple Discipleship with its companion assessment tool offers a plan for discipleship that is tailored to your real life and your personality and clearly pointed in the way of Jesus Most discipleship resources are designed as mass productions efficient for touching many but often failing to see individuals grow in Christ This is the best of both worlds an assessment tool for your entire church combined with an achievable personalized discipling strategy

[Authentic Discipleship](#) Edward Michael Gross, 2013-04-16 We are living in days when as Mike Breen says we are in a discipleship crisis in the Western Church George Barna's studies have shown that there is currently no discernible difference between the lifestyles of many believers and non believers This is the reason for this book to help you fulfill Jesus command to make disciples The book is helpful in at

least two ways First the believer can and will grow spiritually by taking on the sessions one at a time to learn what it means to follow Jesus These sessions are meant to be nothing less than opportunities for an encounter with the living Lord Himself You can begin to monitor your own spiritual progress as Christ and His Book become more meaningful to you day by day Secondly the book is a guide to help a disciple maker take a disciple through it step by step so that together they can work through the stages of follow up and the beginnings of discipleship As Josh Hunt a leading guru of the micro church says of the book This book will take you step by step in laying the foundation every Christian needs to live a fruitful abundant Christian life Special attention is given to having assurance at three levels Promise Assurance from the guarantees of God s Word Proof Assurance from the evidences salvation gives in your life and Personal Assurance from the Holy Spirit Author Bio Dr Edward Michael Gross is President of Vanguard Global Network a pastoral training mission in Columbia SC which helps to equip the world s churches to fulfill the Great Commission in disciple making Ed was a pastor for 22 years and has served in world missions for the last 15 years Ed is married to Maxine they have 6 grown children and 11 grandchildren The Grosses live in Lexington SC keywords Church Growth Spiritual Growth Discipleship Bible Study Attributes Of God Holy Spirit Prayer Evangelism Church Leadership Church Workbook *Basic Discipleship Lessons - Additional Resources* Mónica Mastronardi de Fernández,2018-04-19 These two books Basic Discipleship Lessons and its companion Basic Discipleship Lessons Additional Resources have been designed to guide the new believer in their first steps as a disciple of Jesus as they prepare for baptism and then membership in the Church of the Nazarene Both resources are part of Level B of the ABCDE Discipleship Plan The Basic Discipleship Lessons contain the lessons that are studied weekly a guide for the disciple and a guide for the discipler The lessons help us learn from the Bible while guiding the new disciple to put each new teaching into practice in their life The Additional Resources book contains resources to delve into the topics of study such as how to do daily devotions how to read the Bible and learn from it and a dictionary of Christian words **Basic Discipleship** Rosemary Rayner,2018-05-27 This book goes through the basic principles of Christian discipleship But what is discipleship What does it mean to be a disciple of Jesus Read this book and discover the true meaning of Christian discipleship **A Biblical Theology of Christian Discipleship** Johnny Turner,2021-06-11 A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ s mandate of the Great Commission in Matthew 28 18 20 Go and make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ *Basic Discipleship* Floyd McClung,1992-07-27 Floyd McClung stresses the basics of the Christian life understanding Christ s lordship finding God s will turning away from sin nurturing humility evangelizing with our whole lives and much more **The Forgotten Ways Handbook** Alan

K. Strawser,2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus *Christian Basics Bible NLT* Martin H.
