Basic Fears How To Correct Them:

Basic Fears and how to Correct Them Manly P. Hall, 1959 Guidance on how to deal with life's conditions that are beyond one's control

Executive Advantage Jacqui Grey, 2013-02-03 The pressures on executives to succeed both internal and external are intense. They are constantly fighting to make sense of their changing worlds and to make the right decisions for themselves, their teams, and their business. Executive Advantage gives ambitious leaders the powerful strategies they need to become authentic 21st century leaders. It makes sense of the complexities faced by organizations, especially in the face of aggressive growth or conversely recession and downsizing. Any change presents challenges, and it's the leader's role to tackle these head-on. Understanding human needs and the consequences of not meeting these needs is key to effective handling of change, conflict, and executive gremlins, the barriers and sticking points that can get in the way of optimal business performance. Leadership expert Jacqui Grey presents a 10-step solution for leaders who are looking to make a real difference in their business.

Matcham,2007-11-25 The Seed of the Guardians is the story of a highly advanced race of beings from the inner arm of the
 galaxy that had developed a long life span and submitted to mental control to weed out their violent emotions The plan
 worked and they spread their non violent philosophy thru their section of the galaxy over seeing the other peoples they came
 in contact with They were known as the Guardians They became so passive that when they came in contact with a race of
 beings that they could not control they were unable to defend themselves or the races they protected They came up with a
 plan to send one of their ships to the next arm of the galaxy and attempt to plant the seeds of their long life and controlled
 passions in another race that could still fight if need be Five-Minute Relationship Repair Susan Campbell, PhD,John Grey,
