 Quality Assurance Standard for Pet Retailers is a new retail standard for the inspection of pet retailers It sets out agreed
 levels of good practice Participating retailers are independently inspected by the specially trained and qualified staff from
 SAI Global one of the largest inspection and certification bodies in the world This is the first publication in a planned series of
 standards to apply to a range of pet care specialists This Quality Assurance Standard for Pet Retailers introduces a common
 standard for inspection that all pet retailers can follow It is important both for retailers who sell pets and for those who sell
 just pet food and accessories and want to prove that their staff training knowledge and systems are the best The application
 of assessment criteria by a third party in this case SAI Global benefits the general public businesses and any animals
 concerned as it provides the assurance of a shared standard against which retailers are inspected The Quality Assurance
 Standards for Pet Retailers will give the pet owning public reassurance about the health and welfare of the animals and
 about the specialist knowledge of the approved retailer This inspection standard has been developed by the Pet Care Trust s
 Animal Welfare Advisory Group which is made up of pet industry experts and includes a vet zoologist small animal breeders a
 solicitor versed in animal welfare issues and pet retailers On the fish section the Pet Care Trust also worked closely with the
 Ornamental Aquatics Trade Association OATA
