Bible Basics Duncan Heaster, 2011-01-05 Bible Basics is a detailed study of basic Biblical doctrines and teachings. It's a self-study guide with questions at the end of each of the 11 sections. It's designed to go through the basic message of the Bible from start to finish. Bible Basics is a positive presentation of the Gospel, but there are digressions to discuss difficult Bible passages and to demonstrate that many confusing doctrines such as the Trinity, immortal soul, and infant sprinkling are not Biblical nor strictly Christian but instead merely the creation of mainstream church theologians. The book presents Biblical Christianity. Duncan Heaster is a Christadelphian, and the book is also a summary of the doctrines of the Christadelphian faith. The Christadelphian church uses the book as a standard reference.
