Basil Lanneau Gildersleeve

Basil Lanneau Gildersleeve An American Classicist:

Basil Lanneau Gildersleeve Ward W. Briggs, Herbert W. Benario, Classical Association of the Middle West and South, 1986 **American Classicist** Victoria Houseman, 2023-10-03 A biography of the remarkable woman whose bestselling *Mythology* has introduced millions of readers to the classical world Edith Hamilton 1867-1963 didn't publish her first book until she was sixty-two But over the next three decades this former headmistress would become the twentieth century's most famous interpreter of the classical world Today Hamilton's *Mythology* 1942 remains the standard version of ancient tales and sells tens of thousands of copies a year During the Cold War her influence even extended to politics as she argued that postwar America could learn from the fate of Athens after its victory in the Persian Wars In *American Classicist* Victoria Houseman tells the fascinating life story of a remarkable classicist whose ideas were shaped by and aspired to shape her times Hamilton studied Latin and Greek from an early age earned a BA and MA at Bryn Mawr College and ran a girls' prep school for twenty-six years After retiring she turned to writing and began a relationship with the pianist and stockbroker Doris Fielding Reid The two women were partners for more than forty years and entertained journalists, diplomats and politicians in their Washington D.C. house Hamilton traveled extensively around the world formed friendships with Gertrude Stein and Ezra Pound and was made an honorary citizen of Athens While Hamilton believed that the ancient Greeks represented the peak of world civilization Houseman shows that this suffragist, pacifist and anti-imperialist was far from an apologist for Western triumphalism An absorbing narrative of an eventful life *American Classicist* reveals how Hamilton's Greek and Roman worlds held up a mirror to midcentury America even as she strived to convey a timeless beauty that continues to enthrall readers *Basil Lanneau Gildersleeve* Ward W. Briggs, Herbert W. Benario, Classical Association of the Middle West and South, 1986 **European Images of the Americas and the Classical Tradition** Wolfgang Haase, Reinhold Meyer, 2011-08-02 No detailed description available for *European Images of the Americas and the Classical Tradition* *The Selected Classical Papers of Basil Lanneau Gildersleeve* Basil Lanneau Gildersleeve, 1992 *The Golden Age of the Classics in America* Carl J. Richard, 2009-03-23 Classical conditioning school home and society Democracy Pastoralism and utilitarianism Nationalism Romanticism Christianity Slavery *The Culture of Classicism* Caroline Winterer, 2004-04-09 Winner of the New Scholars Book Award from the American Educational Research Association Debates continue to rage over whether American university students should be required to master a common core of knowledge In *The Culture of Classicism* Ancient Greece and Rome in American Intellectual Life 1780-1910 Caroline Winterer traces the emergence of the classical model that became standard in the American curriculum in the nineteenth century and now lies at the core of contemporary controversies By closely examining university curricula and the writings of classical scholars Winterer demonstrates how classics was transformed from a narrow language-based subject to a broader study of civilization persuasively arguing that we cannot understand both the rise of the American university and modern notions of selfhood and

knowledge without an appreciation for the role of classicism in their creation *The Selected Classical Papers of Basil Lanneau Gildersleeve* Basil Lanneau Gildersleeve,1992 **African American Writers & Classical Tradition** William W. Cook,James Tatum,2024-05-31 Constraints on freedom education and individual dignity have always been fundamental in determining who is able to write when and where Considering the singular experience of the African American writer William W Cook and James Tatum here argue that African American literature did not develop apart from canonical Western literary traditions but instead grew out of those literatures even as it adapted and transformed the cultural traditions and religions of Africa and the African diaspora along the way Tracing the interaction between African American writers and the literatures of ancient Greece and Rome from the time of slavery and its aftermath to the civil rights era and on into the present the authors offer a sustained and lively discussion of the life and work of Phillis Wheatley Frederick Douglass Ralph Ellison and Rita Dove among other highly acclaimed poets novelists and scholars Assembling this brilliant and diverse group of African American writers at a moment when our understanding of classical literature is ripe for change the authors paint an unforgettable portrait of our own reception of classic writing especially as it was inflected by American racial politics *A.E. Housman at University College London* Naiditch,2023-09-20 *The Politics of Latin Literature* Thomas N. Habinek,2001-11-13 This is the first book to describe the intimate relationship between Latin literature and the politics of ancient Rome Until now most scholars have viewed classical Latin literature as a product of aesthetic concerns Thomas Habinek shows however that literature was also a cultural practice that emerged from and intervened in the political and social struggles at the heart of the Roman world Habinek considers major works by such authors as Cato Cicero Horace Ovid and Seneca He shows that from its beginnings in the late third century b c to its eclipse by Christian literature six hundred years later classical literature served the evolving interests of Roman and more particularly aristocratic power It fostered a prestige dialect for example it appropriated the cultural resources of dominated and colonized communities and it helped to defuse potentially explosive challenges to prevailing values and authority Literature also drew upon and enhanced other forms of social authority such as patriarchy religious ritual cultural identity and the aristocratic procedure of self scrutiny or existimatio Habinek s analysis of the relationship between language and power in classical Rome breaks from the long Romantic tradition of viewing Roman authors as world weary figures aloof from mundane political concerns a view he shows that usually reflects how scholars have seen themselves *The Politics of Latin Literature* will stimulate new interest in the historical context of Latin literature and help to integrate classical studies into ongoing debates about the sociology of writing **The Mind of the Master Class** Elizabeth Fox-Genovese,Eugene D. Genovese,2005-10-17 *The Mind of the Master Class* tells of America s greatest historical tragedy A great many of the slaveholding men and women were intelligent honorable and pious yet these very people admirable in so many ways presided over a social system that proved itself an enormity and inflicted horrors on their slaves Even now there is much to be learned from their moral and political reflections

on their times and ours Slaves and Other Objects Page duBois, 2008-03-15 Page duBois a classicist known for her daring and originality turns in this new book to one of the most troubling subjects in the study of antiquity the indispensability of slaves in ancient Greece DuBois argues that every object and text in the world of ancient Greece bears the marks of slavery and the need to reiterate the distinction between slave and free And yet the ubiquity of slaves in ancient societies has been overlooked by scholars who idealize antiquity misconstrued by those who view slavery through the lens of race and obscured by the split between historical and philological approaches to the classics DuBois begins her study by exploring the material culture of slavery including how most museum exhibits erase the presence of slaves in the classical world Shifting her focus to literature she considers the place of slaves in Plato's Meno Aristotle's Politics Aesop's Fables Aristophanes Wasps and Euripides Orestes She contends throughout that portraying the difference between slave and free as natural was pivotal to Greek concepts of selfhood and political freedom and that scholars who idealize such concepts too often fail to recognize the role that slavery played in their articulation Opening new lines of inquiry into ancient culture Slaves and Other Objects will enlighten classicists and historians alike **German Influences on Education in the United States to 1917** Henry Geitz, Jürgen Heideking, Jürgen Herbst, 1995-03-31 This volume summarizes recent scholarship on German American relations in the field of education until World War I The articles prove the various influences of German scholarship and institutions on the development of the American system of education from kindergarten to university The book provides an overview for the benefit of scholars students and the interested general reader As a cooperative effort of German and American scholars the volume is intended to stimulate further exploration of these themes on both continents **The Grammar of Our Civility** Lee T. Percy, 2005 The pragmatic demands of American life have made higher education's sustained study of ancient Greece and Rome an irrelevant luxury and this despite the fact that American democracy depends so heavily on classical language literature and political theory In The Grammar of Our Civility Lee T Percy chronicles how this came to be Percy argues that classics never developed a distinctly American way of responding to distinctly American social conditions Instead American classical education simply imitated European models that were designed to underwrite European culture The Grammar of Our Civility also offers a concrete proposal for the role of classical education one that takes into account practical expectations for higher education in twenty first century America **All Clever Men, Who Make Their Way** Michael O'Brien, 2008-05-01 From the pages of forgotten journals and literary magazines Michael O'Brien assembles fourteen pieces that effectively challenge the long prevailing notion that the mind of the Old South was superficial unintellectual and obsessed with race and slavery In this book are discourses on subjects ranging from English empirical thought to neoclassical aesthetics from the enfranchisement of women to transcendental theology from the works of Hawthorne and Emerson to the social system of Virginia Introducing A.E. Housman (1859-1936) D. Antoine Sutton, 2018-04-18 This volume is pivotal reading for laypersons looking for an accurate understanding of the private life and public career of A E

Housman Furthermore it is also essential for any reader seeking to recover a truer image of the Victorian man who during his lifetime issued two collections of Romantic poems *A Shropshire Lad* and *Last Poems* It will be of particular interest to history buffs poets professors and students of classical studies and instructors in literary criticism given that it sketches Housman's biography and examines in detail his scholarship

Agricola, Germany, and Dialogue on Orators

Tacitus, 2006-03-15 In this volume eminent scholar and translator Herbert W Benario provides faithful readable translations of three short works of Tacitus *Agricola* the fullest ancient account of Rome's conquest of Britain and of the public career of a senator in the service of a Roman emperor *Germany* a valuable source on the ancient land and its people and *Dialogue on Orators* an examination in the tradition of Cicero's rhetorical essays of the decline of oratory in Rome's early empire Together these works illuminate an important phase in Tacitus' development as Rome's foremost historian Introductory essays chapter summaries notes a bibliography maps and an index are included

A Companion to Vergil's Aeneid and its Tradition

Joseph Farrell, Michael C. J. Putnam, 2014-01-28 *A Companion to Vergil's Aeneid and its Tradition* presents a collection of original interpretive essays that represent an innovative addition to the body of Vergil scholarship Provides fresh approaches to traditional Vergil scholarship and new insights into unfamiliar aspects of Vergil's textual history Features contributions by an international team of the most distinguished scholars Represents a distinctively original approach to Vergil scholarship

A History of the Book in America Scott E. Casper, Jeffrey D. Groves, Stephen W. Nissenbaum, David D. Hall, Michael P. Winship, 2009-09-15 Volume 3 of *A History of the Book in America* narrates the emergence of a national book trade in the nineteenth century as changes in manufacturing distribution and publishing conditioned and were conditioned by the evolving practices of authors and readers Chapters trace the ascent of the industrial book a manufactured product arising from the gradual adoption of new printing binding and illustration technologies and encompassing the profusion of nineteenth century printed materials which relied on nationwide networks of financing transportation and communication In tandem with increasing educational opportunities and rising literacy rates the industrial book encouraged new sites of reading gave voice to diverse communities of interest through periodicals broadsides pamphlets and other printed forms and played a vital role in the development of American culture Contributors Susan Belasco University of Nebraska Candy Gunther Brown Indiana University Kenneth E Carpenter Newton Center Massachusetts Scott E Casper University of Nevada Reno Jeannine Marie DeLombard University of Toronto Ann Fabian Rutgers University Jeffrey D Groves Harvey Mudd College Paul C Gutjahr Indiana University David D Hall Harvard Divinity School David M Henkin University of California Berkeley Bruce Laurie University of Massachusetts Amherst Eric Lupfer Humanities Texas Meredith L McGill Rutgers University John Nerone University of Illinois Stephen W Nissenbaum University of Massachusetts Lloyd Pratt Michigan State University Barbara Sicherman Trinity College Louise Stevenson Franklin Marshall College Amy M Thomas Montana State University Tamara Plakins Thornton State University of New York Buffalo Susan S Williams Ohio State University Michael

While this might not be the Basil Lanneau Gildersleeve An American Classicist full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Basil Lanneau Gildersleeve An American Classicist eBooks, including some popular titles.

FAQs About Basil Lanneau Gildersleeve An American Classicist Books

What is a Basil Lanneau Gildersleeve An American Classicist PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Basil Lanneau Gildersleeve An American Classicist PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Basil Lanneau Gildersleeve An American Classicist PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Basil Lanneau Gildersleeve An American Classicist PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Basil Lanneau Gildersleeve An American Classicist PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are

there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
