Montgomery Ward Catalogue of 1895 Montgomery Ward & Co., Montgomery Ward, 1969-08-01 Tea gowns bleached damask and yards of flannel and pillow case lace stereoscopes books of gospel hymns and ballroom gems the New Improved Singer Sewing Machine side saddles anti freezing well pumps Windsor Stoves milk skimmers straight edged razors high button shoes woven cane carpet beaters spittoons the Studebaker Road Cart commodes and washstands the Fire Fly single wheel hoe cultivator and plow combined flat irons and ice cream freezers What man woman or child of the 1890s could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions of Americans on farms and in small towns across the nation The Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was really like in the gay nineties for it described and illustrated almost anything that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the common folk the farmers and shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order house in the country The brainchild of a former traveling salesman it issued its first catalogue in 1872 a one page listing of items By 1895 the

catalogue reprinted here had grown to 624 pages and listed some 25 000 items almost all of them illustrated with live drawings Montgomery Ward was by then a multi million dollar business that profoundly affected the American economy and since it reached the most isolated farms and backwoods cabins its effect on American culture was almost as great Now once again available it is our truest most unbiased record of the spirit of the 1890s An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet Ph D Johns Hopkins a foremost expert on retail merchandising His monumental work Catalogues and Counters has long been recognized as a landmark in the study of American economic history

Rock n Roll survey focuses on the songs and the vibrant personalities who create them for college audiences and the general
public Dean published the world s first history of Rock in 1966 Here in his ebullient style he buzzes through piles of musical
singles from the whole last half century describing what is fun about each major and minor hit pointing out what elements
were exciting or new or significant in the development of musical styles He relates some tantalizing tidbits about the earlier
musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music This snappy witty and
informative album has universal appeal doubling as a coffee table trivia treasure and a college level popular music history
text It includes hundreds of photos chapter questions and an extensive index Reader friendly and informationally complete it
covers soft rock heavy metal rhythm blues country rock and classic oldies all with tender loving care for the specialist and
casual listener alike Its mini portraits of the artists who move so many hearts and feet the photos and the insightful sound
bites get to the essence of each song and each musician s contribution to the music of our age The single song focus makes
the book unique It s a playlist for R n R professors and the general public written with a collegiate vocabulary tight
organization and a respect for all Hearing Elvis for the first time was like busting out of jail Bob Dylan That being said no one
is being incited here to bust out of jail or to emulate the quixotic habits of rock stars There s nothing in here to hide from the
kids the clergy or grandma Gold Rush can be used as a university or community college text but most people will grab it for
the sheer pleasure of reading about everyone s favorites Great gift for Rock enthusiasts Gold Rush is the first book of its kind
to feature a celebration of the great single songs of the rock era and beyond Gold Rush takes thousands of songs spanning
three centuries and brings them back uniquely as if they came out just yesterday Gold Rush unites the Anglo American and
later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures As Leonard Maltin s Movie
Guide helps you select videos at Blockbuster so Gold Rush is a powerful playlist for your music collection with many new and
fascinating photos of favorite stars Gold Rush explains the most important stories behind the songs you picked to be played
