Basic Canadian Legal Terminology:

Basic Canadian Legal Terminology J. Steven Williams, 1979 **Textbook on Legal Language and Legal Writing** Prof. Dr. K. L. Bhatia, 2010 *Handbook of Terminology* Łucja Biel, Hendrik J. Kockaert, 2023-12-15 As a core component of legal language used to draft enforce and practice law legal terms have fascinated lawyers linguists terminologists and other scholars for centuries Third in the series this Handbook offers a comprehensive compendium of the current state of knowledge on legal terminology It is the first attempt to bring together perspectives from the domains of Terminology Translation Studies Linguistics Law and Information Technology in a single place This interdisciplinary endeavour comprises systematic reviews case studies and research papers which overview key properties of legal terms and concepts terminological tools and resources training aspects as well as translation in national contexts and multilingual organizations The Handbook attests to the complex multifaceted nature of legal terminology and showcases its cultural communicative cognitive and social contexts in diverse legal systems It is a rich resource for scholars practitioners trainers and students presenting vibrant research and practice in this area *Terminology* Helmi B. Sonneveld, Kurt L. Loening, 1993-01-01 In the era of information technology the need to communicate data effectively and precisely has given a boost to research in terminology This collection of 14 articles by experts from different backgrounds deals with linguistic problems and technical aspects of terminology in addition there are articles relating to terminology in specific subject fields lexicography physical sciences chemistry social sciences and medicine By presenting various approaches and applications the volume raises fundamental questions about the use of concepts and the ordering of knowledge Moreover important new insights into the principles and methods employed in terminology management are offered by the ways in which contributors have tackled problems of communication in their specific subject fields Translator Self-Training--French Morry Sofer, 2011-12-01 Instructions on how to translate general as well as legal medical and business documents from French into English and from English into French **Comparative Legal Terminology for Translators with English-Slovak Case Studies** Slávka Janigová, 2025-05-10 This book will be of interest to legal translation practitioners as well as academia specializing in comparative law and legal translation across various legal cultures and languages It describes and tests a jurilinguistic tool of comparative componential analysis parametrization aimed to identify general and defining parameters of source and target legal concepts Based on the degrees of their overlapping translators are navigated toward the matching and coinage operations and reasoned translation solutions The novel aspect added to the current juritraductological approach is the governing law anchoring of parametric analyses and the syntagmatic testing of target terms against the valency and collocational ties of the source segments The book contains numerous case studies from the English common law domain and Slovak continental law where the approach is tested on a real bijural terminological substrate criminal law torts contracts company law civil and criminal procedure property law Definitions of Slovak legal concepts are glossed into English **Law**

and Language Michael D. A. Freeman, Fiona Smith, 2013-02-21 Offers a broad overview of the interaction between law and language and the way they influence each other Contains papers from the 15th annual interdisciplinary colloquium held in the Law School of UCL in July 2011 Legal Lexicography Máirtín Mac Aodha, 2016-04-22 Legal lexicography or jurilexicography is the most neglected aspect of the discipline of jurilinguistics despite its great relevance for translators academics and comparative lawyers This volume seeks to bridge this gap in legal literature by bringing together contributions from ten jurisdictions from leading experts in the field The work addresses aspects of legal lexicography both monolingual and bilingual in its various manifestations in both civilian and common law systems It thus compares epistemic approaches in a subject that is inextricably bound up with specific legal systems and specific languages Topics covered include the history of French legal lexicography ordinary language as defined by the courts the use of law dictionaries by the judiciary legal lexicography and translation and a proposed multilingual dictionary for the EU citizen While the majority of contributions are in English the volume includes three written in French The collection will be a valuable resource for both scholars and practitioners engaging with language in the mechanism of the law **Language and Legal Interpretation in International Law** Anne Lise Kjær, Joanna Lam, 2022 Language and Legal Interpretation in International Law sheds light on the complicated process of language interpretation that adjudicators judges and arbitrators and legal practitioners adopt when they act within international legal systems The book also analyzes the role that language and the diversity of languages and national legal cultures plays in different international legal systems *Research Handbook on Jurilinguistics* Anne Wagner, Aleksandra Matulewska, 2023-10-06 This Research Handbook offers a comprehensive study of jurilinguistics that not only presents the latest international research findings among academics and practitioners but also provides a new approach to the phenomena and nature of communicative flexibility legal genres vulnerability of interlingual legal communication and the cultural landscape of legal translation *New Approach to Legal Translation* Susan Sarcevic, Susan Ćar?evi?, 1997-05-07 One of the first attempts to present a comprehensive study of legal translation this book is an interdisciplinary study in law and translation theory It is not bound to any specific languages or legal systems although emphasis is placed on translation between common law and civil law jurisdictions The main focus is on the translation of texts which are authoritative sources of the law examples are cited primarily from statutes codes and constitutions Canada Switzerland and Belgium as well as instruments of the European Union and international treaties and conventions Dealing with theoretical as well as practical aspects of the subject matter the author analyses legal translation as an act of communication in the mechanism of the law thus making it necessary to redefine the goal of legal translation This book is intended for both lawyers and linguists translation theorists legal translators and drafters legal lexicographers as well as teachers and students of translation
