Politics (Canadian

Edition) Larry W. Johnston, 2012-11-30 The latest edition of Politics offers a comprehensive and comparative approach to the essential components of democratic politics in today's states. The book begins by addressing ways of thinking about politics, community, and society, offering broad outlines of political theory in a historical context. Johnston then provides a comparative framework for understanding basic democratic systems, which is drawn upon in subsequent sections on institutions, the political process, and governing. The result is an accessible introduction to contemporary democratic politics that is also deeply theoretical and comparative in scope. The fourth edition has been revised throughout and rewritten with a more focused narrative. The student-friendly design incorporates more visuals and sidebars, as well as chapter objectives and a glossary, in order to make the material easily digestible. In addition, a new companion website provides self-study support for students, along with a wealth of materials for instructors to draw from when developing lectures, tutorials, assignments, and exams. See www.johnstonpolitics.com for more information.

Marketing Strategy, 1st Edition O. C. Ferrell, Michael Hartline, Bryan W. Hochstein, Marc Boivin, 2023-03-13 Marketing Strategy: Theory and Cases, Canadian Edition, enables students to think and act like marketers and disruptors in a dynamic and fast-paced environment. Current events and examples provided through this text serve as reminders of the necessity for marketers to be proactive and adaptable. Students will learn a systematic process for developing long-term, customer-orientated marketing strategies and plans. This edition provides a truly Canadian perspective, including cases that relate to the unique Canadian environment.

Politics, Society, and the Media, Second Edition Paul Nesbitt-Larking, 2007-01-01 Politics, Society, and the Media is the first comprehensive political sociology of the media to be published in Canada. Paul Nesbitt-Larking draws upon a range of disciplines, including cultural and media studies, political economy, social theory, and political science, to provide an analysis of the relationship between power and representation in Canada. The framework for the book presents a model of the mutual interaction between politics and the media. Attention is focused in the early chapters on how cultural, ideological, economic, and governmental forces shape and condition the production of media in Canada. Chapters on the work of Innis, Grant McLuhan, and their postmodern successors place the evolution of McLuhan's theoretical argument that the medium is the message at the heart of the book. Canadian identity and how to understand Canadian media politically is the subject of a chapter on textual analysis. Two extensive chapters follow on the media's influence and effects on politics. In addition to standard topics on politics and the media, this new edition offers much more: an examination of the media on the politics of gender and aboriginal peoples, the micro-politics of the media workplace, and an exploration of important media-related considerations. Throughout, reference is made to relevant and compelling issues placed within the context of media theory.

The Top Books of the Year Basic Marketing Canadian Version The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Basic Marketing Canadian Version : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
