Publishing a division of ABDO      **My First Project** Andy Duframe MR, Grassland Publishing, 2015-09-08 When I first caught the bug for building wood projects I wasn't very happy with the plans I found online. The projects were either too complex for a beginner or too simple for my taste. Who really needs another spice rack? I wanted something in between: projects that are easy to build but also practical and useful. I never found the plans I wanted, so I decided to design my own. **My First Project** includes step-by-step instructions for building three of the most important and useful projects you can have for your home and shop, which include the EZ Cutting Station, EZ Workbench, and the EZ Bookcase.      [My Favorite Small Woodworking Projects](#) Jim Townsend, 2014-07-10 **My Favorite Small Woodworking Projects** is an idea book for the woodworker interested in making craft items for fun, sale, or gifts. Some items are simple for the beginner, while others require more experience and skill. This is the hardback black and white version.      [Woodworking Projects for Beginners](#) Robert Mahogany, 2021-01-02 You don't really want to live to work, do you? If you are looking for an incredible hobby that also allows you to cut down on expenses, this book can provide you with the solution. Woodworking is a beautiful hobby to get into. The best part is that you don't need much to get started making simple things. The tips we covered in this guidebook will give you more than enough information to make picture frames, shadow boxes, tables, benches, chairs, and more. Now all you need are the specifications of what you want to make and the woodcut to the proper length, and you're ready to go. Give yourself a confidence boost by starting to make your things to fill your house and begin with these simple projects that will give you the experience needed to tackle more complex projects. Life is so much more than merely managing to survive; yet many end up doing this because they don't know how to pay less for what they want. But trust me, another lifestyle is possible. For example, by learning how to work with wood yourself, you can make a high-quality desk at a much lower cost. You don't just end up with a beautiful new desk; you end up with the skills to make and sell those desks yourself. Plus, the smell of the freshly cut wood and the experience of preparing all the pieces evoke an almost Zen-like feeling of pride and relaxation. The book covers: Introduction to Woodworking, Woodworking Tools, Measuring, Marking, and Finishing Techniques, Woodworking Workshop Safety Tips, Plans, Woodworking Techniques, and much more.
