

The background of the slide is a composite image. On the left, there is a photograph of a large industrial facility, likely a power plant, featuring tall, grey, ribbed structures and a complex network of pipes and scaffolding. In the foreground, a large, dark-colored pipe with a prominent handwheel valve is visible. A yellow label on the pipe reads "FUEL GAS" with a flame icon. On the right side, overlaid on the photograph, is a faint, technical schematic diagram of a boiler or heat recovery system. This diagram includes various components labeled with text such as "Air Heater", "Furnace", "Econ", "SH", and "Pn". Arrows indicate the flow of materials within the system.
