**The Basis of Morality According to William Ockham** Lucan Freppert,1988      **The Basis of Morality According to William Ockham** L. Freppert,1961      **William Ockham's Theory of the Foundations of Ethics** Taina M. Holopainen,1991      **The Psychology of Habit According to William Ockham** Oswald Fuchs,1952      **William of Ockham's Early Theory of Property Rights in Context** Jonathan Robinson,2012-11-23 This book analyzes William of Ockham's early theory of property rights alongside those of his fellow dissident Franciscans paying careful attention to each friar's use of Roman and civil law which provided the conceptual building blocks of the poverty controversy      **The Context of Casuistry** James F. Keenan,Thomas A. Shannon,1995-09-01      **Duns Scotus on the Will and Morality** John Duns Scotus,1997 No description available      [William of Ockham's Early Theory of Property Rights in Context](#) Jonathan William Robinson,2012-11-23 William of Ockham's ca 1288-1347 *Opus nonaginta dierum* has long been of interest to historians for his theory of rights Yet the results of this interest has been uneven because most studies do not take sufficient account of the defences of Franciscan poverty already articulated by his fellow Franciscans Bonagratia of Bergamo Michael of Cesena and Francis of Marchia This book therefore presents and analyzes Ockham's account of property rights alongside those of his confreres This contextualization of Ockham's theory corrects many misconceptions about his theory of property natural law and natural rights and therefore also provides a new foundation for studies of his political oeuvre intellectual development and significance as a political theorist      *Moral Dilemmas in Medieval Thought* M. V. Dougherty,2011-04-14 The history of moral dilemma theory often ignores the medieval period overlooking the sophisticated theorizing by several thinkers who debated the existence of moral dilemmas from 1150 to 1450 In this book Michael V Dougherty offers a rich and fascinating overview of the debates which were pursued by medieval philosophers theologians and canon lawyers illustrating his discussion with a diverse range of examples of the moral dilemmas which they considered He shows that much of what seems particular to twentieth century moral theory was well known long ago especially the view of some medieval thinkers that some forms of wrongdoing are inescapable and their emphasis on the principle choose the lesser of two evils His book will be valuable not only to advanced students and specialists of medieval thought but also to those interested in the history of ethics

**William of Ockham: Questions on Virtue, Goodness, and the Will** Eric W. Hagedorn,2021-05-06 A collection of the influential ethical writings of medieval philosopher William of Ockham published in English for the first time      **The Oxford Handbook of the History of Ethics** Roger Crisp,2013-01-31 This original and comprehensive volume explores the history of philosophical ethics in the western tradition from Homer until the present day Leading experts in the field use their expertise and specialist knowledge to illuminate key subjects and ideas in contemporary ethics and survey the history of the discipline      **Medieval Foundations of International Relations** William Bain,2016-07-15 The purpose of this volume is to explore the medieval inheritance of modern international relations Recent years have seen a flourishing of work on the

history of international political thought but the bulk of this has focused on the early modern and modern periods leaving continuities with the medieval world largely ignored The medieval is often used as a synonym for the barbaric and obsolete yet this picture does not match that found in relevant work in the history of political thought The book thus offers a chance to correct this misconception of the evolution of Western international thought highlighting that the history of international thought should be regarded as an important dimension of thinking about the international and one that should not be consigned to history departments Questions addressed include what is the medieval influence on modern conception of rights law and community how have medieval ideas shaped modern conceptions of self determination consent and legitimacy are there medieval answers to modern questions is the modern world still working its way through the Middle Ages to what extent is the modern outlook genuinely secular is there a theology of international relations what are the implications of continuity for predominant historical narrative of the emergence and expansion of international society Medieval and modern are certainly different however this collection of essays proceeds from the conviction that the modern world was not built on a new plot with new building materials Instead it was constructed out of the rubble that is the raw materials of the Middle Ages This will be of great interest to students and scholars of IR IR theory and political theory *The Oxford Handbook of Medieval Philosophy* John Marenbon, 2015 This Handbook shows the links between medieval and contemporary philosophy Topic based essays on all areas of philosophy explore this relationship and introduce the main themes of medieval philosophy They are preceded by the fullest chronological survey now available of the different traditions Latin and Greek Islamic and Jewish [A Compendium of Ockham's Teachings](#) William (of Ockham), Julian Davies, 1998 [William of Ockham: A Short Discourse on Tyrannical Government](#) William (of Ockham), 1992-08-20 William of Ockham c 1285 c 1347 was the most eminent and influential theologian and philosopher of his day a giant in the history of political thought He was a Franciscan friar who came to believe that the Avignonese papacy of John XXII had set out to destroy the religious ideal on which the Franciscan order was based the complete poverty of Christ and the apostles This is the first complete text by Ockham to be published in English The Short Discourse is a passionate but compelling statement of Ockham's position on the most fundamental political problem of the medieval period the relationship of supreme spiritual authority as represented by the pope to the autonomous secular authority claimed by the medieval empire and the emerging nation states of Europe Professor McGrade's introduction and the notes on the translation make the volume wholly accessible to a modern readership while a full bibliography and chronology are included as further aids to the reader *Passions in William Ockham's Philosophical Psychology* Vesa Hirvonen, 2004-05-31 This study is not only the first extensive analysis of passions or emotions in William Ockham's c 1285 1347 psychology it also contains a detailed analysis of Ockham's little known two souls anthropology The study shows how Ockham diverged from the traditional opinion of emotions in arguing that there were emotions in the will not only in the lower part of the soul Because of this new theory of the intellect and the will

Ockham believed that certain phenomena of the will were subjective reactions to occurrent phenomena and could therefore be treated as emotions The book also discusses Ockham s approach to the traditional distinctions between amicable love and wanting love and enjoyment and use and to some other classical themes     *The Cambridge Companion to Ockham* Paul Vincent Spade,1999-12-13 Offers a full discussion of all significant aspects of this medieval philosopher s thought

Ockham on the Virtues Rega Wood,1997 One of the world s great philosophers William of Ockham s *On the Connection of the Virtues* *De connexione virtutum* provides insightful perspectives on ordinary issues of human conduct Written in reasonably simple and nontechnical language it is translated into English here for the first time Ockham s views on many subjects have been misunderstood his views on ethics as much as any This book is designed to avoid some pitfalls that arise in reading medieval philosophy generally and Ockham in particular Wood begins her introduction with an account of what is known about Ockham s life and works and with a discussion of his place in the history of philosophy followed by a brief general guide to his views Finally there is a historical account of the medieval debate on the connection of the virtues to which Ockham s treatise is an important contribution Problems of interpretation are addressed in the commentary which follows the translation Translation commentary and introduction provide students of Ockham s treatise with what they need to appreciate his stance on ethical issues and to approach his arguments critically     **Oxford Studies in Medieval Philosophy Volume 9** Robert Pasnau,2021 Oxford Studies in Medieval Philosophy showcases the best new scholarly work on philosophy from the end of antiquity into the Renaissance OSMP combines historical scholarship with philosophical acuteness and will be an essential resource for anyone working in the area     *Natural Law and the Two Kingdoms* David VanDrunen,2010 Conventional scholarship holds that the theology and social ethics of the Reformed tradition stand at odds with concepts of natural law and the two kingdoms But David VanDrunen here challenges that status quo through his careful thoroughgoing exploration of the development of Reformed social thought from the Reformation to the present from publisher description

Basis Of Morality According To William Ockham: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. Basis Of Morality According To William Ockham : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Basis Of Morality According To William Ockham : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
