Three Seconds in Munich David A. F. Sweet,2019-09 One Two Three That s as long as it took to sear the souls of a dozen young American men thanks to the craziest most controversial finish in the history of the Olympics the 1972 gold medal basketball contest between the United States of America and the Union of Soviet Socialist Republics the world s two superpowers at the time The U S team whose unbeaten Olympic streak dated back to when Adolf Hitler reigned over the Berlin Games believed it had won the gold medal that September in Munich not once but twice But it was the third time the final seconds were played that counted What happened The head of international basketball flouting rules he himself had created trotted onto the court and demanded twice that time be put back on the clock A referee allowed an illegal

substitution and an illegal free throw shooter for the Soviets while calling a slew of late fouls on the U S players The American players became the only Olympic athletes in the history of the games to refuse their medals Of course the 1972 Olympics are remembered primarily for a far graver matter when eleven Israeli team members were killed by Palestinian terrorists stunning the world and temporarily stopping the games One American player Tommy Burleson had a gun to his head as the hostages were marched past him before their deaths Through interviews with many of the American players and others the author relates the horror of terrorism the pain of losing the most controversial championship game in sports history to a hated rival and the consequences of the players decision to shun their Olympic medals to this day **Educart**
