BASTARD SONS

AN EXAMINATION OF CANADIAN AIRBORNE EXPERIENCE 1941-1995

Bastard Sons An Examination Of Canadas Airborne Experience 19421995

P. Whitney Lackenbauer

Bastard Sons An Examination Of Canadas Airborne Experience 19421995:

The Canadian Rangers P. Whitney Lackenbauer, 2013-05-01 The Canadian Rangers stand sentinel in the farthest reaches of our country For more than six decades this dedicated group of citizen soldiers has quietly served as Canada s eyes ears and voice in isolated coastal and northern communities Drawing on official records interviews and participation in Ranger exercises Lackenbauer argues that the organization offers an inexpensive way for Canada to show the flag from coast to coast to coast The Rangers have also laid the foundation for a successful partnership between the modern state and Aboriginal peoples a partnership rooted in local knowledge and crosscultural understanding *The Insubordinate and the Noncompliant* Howard Coombs, 2008-03-28 The Unwilling and the Reluctant Theoretical Perspectives on Disobedience in the Military and The Apathetic and the Defiant Case Studies of Canadian Mutiny and Disobedience 1812 1919 are the first two volumes in a series devoted to disobedience issues in the Canadian military Now with *The Insubordinate and the Noncompliant* the trilogy is complete Military leadership has both formal and informal dimensions The formal leadership of any organization must ensure that it minimizes the divergence between institutional aims and the actions of informal leaders When this separation occurs the result is sometimes mutiny These incidents of insubordination and noncompliance represent a form of dialogue between military personnel and their leadership *The Insubordinate and the Noncompliant* offers a perspective on the Canadian experience with military mutiny in the twentieth century in an effort to provide relevant lessons for today

Men of Steel Bernd Horn, 2010-05-03 Take a trip back in time to the chaos and destruction of the greatest invasion in military history viewed through the lens of Canadian paratroopers *Men of Steel* is the exciting story of some of Canada s toughest and most daring soldiers in the Second World War In the dead of night on 5 6 June 1944 hundreds of elite Canadian paratroopers hurled themselves from aircraft behind enemy lines That daring act set the stage for the eventual success of the Allied invasion fleet From aircraft formations striking out from England on a turbulent flight across the English Channel to the tumultuous drop over Occupied Europe and deadly close combat in the Normandy countryside *Men of Steel* is a detailed account of Canadian paratroopers and their instrumental role in D Day

The Politics of Command John Nelson Rickard, 2010-01-01 In December 1943 Lieutenant General A G L McNaughton resigned from command of the 1st Canadian Army amidst criticism of his poor generalship and of his abrasive personality Despite McNaughton s importance to the Canadian Army during the first four years of the Second World War little has been written about the man himself or the circumstances of his resignation In *The Politics of Command* the first full length study of the subject since 1969 John Nelson Rickard analyzes McNaughton s performance during exercise SPARTAN in March 1943 and assesses his relationships with key figures such as Sir Alan F Brooke Bernard Paget and Harry Crerar This detailed re examination of McNaughton s command argues that the long accepted reasons for his relief of duty require extensive modification Based on a wide range of sources *The Politics of Command* will redefine how military historians and all Canadians look not only at Andy McNaughton

but the Canadian Army as well **“Here Is Hell”** Grant Dawson,2011-11-01 For many Canadians events during the mission to Somalia in the early 1990s remain a stain on our reputation as one of the world s most respected peacekeeping nations Grant Dawson s analysis of political diplomatic and military decision making avoids a narrow focus on the shocking offences of a few Canadian soldiers deftly investigating the broader context of the deployment Dawson draws on interviews with key participants and documents made available under the Access to Information Act He shows how media pressure government optimism about the United Nations and the Canadian traditions of multilateralism and peacekeeping all helped to determine the level length and tenor of the country s operations in Somalia His findings will undoubtedly play a seminal role in informing scholarly debate about this important period in Canadian diplomacy and military engagement One of the first scholarly examinations of the Somalia operation Here Is Hell will interest military and Canadian historians policy analysts political scientists and those concerned with Canadian foreign defence and diplomatic history It will undoubtedly play a seminal role in informing further scholarly debate on this important period in Canada s military and diplomatic past

Establishing a Legacy Bernd Horn,2008-05-19 Canadaa s oldest permanent force infantry regiment has left a legacy of professionalism and courage paid for in the blood bravery and tenacity of its members *Tip of the Spear* Bernd Horn,Michel Wyczynski,2002-10-01 In the midst of the Second World War the Germans introduced a new kind of warfare that had never been seen before featuring a new kind of soldier the paratrooper The public and military alike were astonished by the feats of daring and martial prowess displayed by the intrepid troops who soon became the epitome of the modern combat soldier The Allies countered by setting up their own airborne forces In Canada 1 Canadian Parachute Battalion was established to serve as the tip of the spear of Allied attacks In fact it was this battalion that was first into Normandy for the D Day invasion *Tip of the Spear* tells in stunning black and white pictures the story of the Battalion from its inception in 1942 to its disbandment in 1945 Without question the Battalion or more accurately its members laid the foundation and established the airborne legacy that other Canadian airborne establishments could proudly follow and build on **The New Citizen Armies** Stuart A. Cohen,2010-01-21 This edited book constitutes the first detailed attempt at a comparative international analysis of the transformations that are currently affecting the composition of the Israel Defense Forces IDF and their place in Israeli society Focusing primarily on deviations from the traditional norm of universal military service the book compares the emergence of a new type of citizen army in Israel with the formats that have in recent decades become evident in other western democracies In addition these essays correct the conventional tendency to concentrate almost exclusively on the influences stimulating military institutional change in the West and thereby to overlook the equally important factors that retard its momentum By contrast this volume deliberately highlights the brakes as well as the accelerators in current processes thereby presenting a far more faithful picture of their complexity This book will be of much interest to students of Israeli politics military studies Middle Eastern politics security studies and IR in general Stuart Cohen is a senior research

associate of the BESA Begin Sadat Center for Strategic Studies and also teaches political studies at Bar Ilan University Israel His most recent book is *Israel and its Army From Cohesion to Confusion* Routledge 2008 *Solving the People Puzzle* Emily Spencer, 2010-05-24 The 21st century has brought global instability and special operations forces are the logical force of choice for success As a group that favours humans over hardware it makes sense that their tool of choice is cultural intelligence Spencer makes a convincing argument for the powerful union of the force of choice with the tool of choice

What Manner of Man James Ogle, Darnell Bass, 2006 ***Casting Light on the Shadows*** Bernd Horn, Tony Balasevicius, 2007-02-28 Since 9 11 Canadian Special Operations Forces formerly in the shadows have become the force of choice This book provides a solid foundation for SOF theory historical background and evolution and highlights ongoing developments in SOF ***Les Insubordonnés et les insurgés*** Howard Coombs, 2008-01-31 Le leadership militaire poss de deux dimensions une dimension officielle et une dimension non officielle Dans toute organisation le leadership officiel doit sans cesse veiller limiter l écart entre les buts institutionnels et les actes des leaders non officiels Si l écart se creuse on assiste parfois une MUTINERIE L insubordination et la non conformité constituent une forme de dialogue entre les militaires et leurs leaders Le présent recueil ouvre une fenêtre sur la mutinerie dans les forces armées canadiennes au vingtième siècle dans l espoir d offrir des leçons pertinentes pour le présent *Military Operations and the Mind* Stéphanie A.H. Bélanger, Daniel Lagacé-Roy, 2016-06-01 Offering a Canadian perspective on the emotional health of servicemen and women *Military Operations and the Mind* brings together researchers and practitioners from across the country to consider the impact that ethical issues have on the well being of those who serve Stemming from an initiative to enhance the lives of serving members by providing them with the best education and training in military ethics before and after deployments this volume will better inform politics and public policies and enhance the welfare of the soldiers sailors and airmen and women who serve in singular often harsh and sometimes dangerous conditions By integrating into the analysis the critical issue of well being this emerging field demonstrates a more holistic approach and is distinct from other fields in military historical philosophical and behavioural studies The first study of its kind *Military Operations and the Mind* presents a new and helpful way to focus on the life of soldiers not only in operations overseas but also once they return home Contributors include Peter Bradley Royal Military College of Canada Victor M Catano Saint Mary's University Danielle Charbonneau Royal Military College of Canada Howard Coomb Royal Military College of Canada Karen D Davis Defence Research and Development Canada Colonel Richard Dickson Canadian Army Land Warfare Centre Joe Doty Duke University Allan English Queen's University Peter Gizewski Department of National Defence Heather Hrychuk Centre for Operational Research and Analysis E Kevin Kjelloway Saint Mary's University Allister MacIntyre Royal Military College of Canada Deanna Messervey Queen's University Damian O Keefe Saint Mary's University Brigadier General Retired G E Sharpe Shaun Tymchuk retired Canadian infantry officer SLt Ethan Whitehead Royal Canadian Navy and Daphne Xu National Institute of Education Singapore **9/11 And Canadian**

Special Operations Forces: How '40 Selected Men' Indelibly Influenced The Future Of The Force Lt.-Col Stephen J. Day, 2014-08-15 In less than two decades Canadian Special Operations Forces CANSOF grew from a 100 man hostage rescue unit to a 2 500 person Command capable of prosecuting missions across the special operations spectrum The seminal event causing this transformation is examined within this monograph The common narrative explaining the rise of Canadian Special Operations Forces Command CANSOFCOM states that 9 11 is the seminal event Herein a new narrative is proposed One that posits the 2001 02 deployment of a 40 man CANSOF Task Force to Operation Enduring Freedom OEF is the seminal event This Task Force's disproportionately positive impact on the Canadian national scene caused key national actors to take note of the strategic utility of special operations forces Twenty four interviews with defence and security subject matter experts from the political federal public service military and academic domains as well as two leading Canadian national journalists provide unique insights into CANSOF's ascendancy Analyzing published defence policy since World War II and Canada's 20 year experience with her national counter terrorism task force prove two key points First defence policy is extant consistently expressing the requirement for an irregular capability for the conduct of operations in asymmetrical environments Therefore 9 11 did not change Government of Canada GoC expectations per se Second the one year CANSOF OEF commitment produces a highly positive national strategic effect for the GoC As a result in less than a decade CANSOF transitions from a single domestically focused national counter terrorism task force to where today CANSOFCOM is employed as a distinct element of national military power This transformation from a single strategic resource to a strategically relevant hard power option currently provides the GoC with greater strategic choice when she looks to deploy military forces alongside her allies

The Canadian Historical Review, 2002 **No Ordinary Men** Bernd Horn, 2016-02-20 No Ordinary Men peels back the cloak of secrecy and reveals four untold special operations that Joint Task Force 2 an elite counterterrorist unit conducted in 2005 06 in which their courage tenacity and impressive capabilities meant the difference between life and death

Lock, Stock, and Icebergs Adam Lajeunesse, 2016-01-15 In 1988 after years of failed negotiations over the status of the Northwest Passage Brian Mulroney gave Ronald Reagan a globe pointed to the Arctic and said Ron that's ours We own it lock stock and icebergs A simple statement it summed up a hundred years of official policy Since the nineteenth century Canadian governments have claimed ownership of the land and the icy passageways that make up the Arctic Archipelago Unfortunately for Ottawa many countries including the United States still do not recognize these as internal Canadian waters Crucial to understanding the complex nature of Canadian Arctic sovereignty is an understanding of its history Lock Stock and Icebergs draws on recently declassified Canadian and American archival material to chart the origins and development of Canadian Arctic maritime policy Uncovering decades of internal policy debates secret negotiations with the United States and long classified joint defence projects Adam Lajeunesse traces the circuitous history of Canada's Arctic maritime sovereignty

"Take Me to Your Officer" Stephen Deakin, 2008 The

purpose of this Occasional paper is to bring this very important subject to the attention of many readers in order to provoke and sustain debate leading to further development of our people based on a greater understanding of what is expected of them Its other purpose is to help build international understanding of those operating in joint and coalition forces Page 1

Special Operations Forces Emily Spencer, 2011 In order to expand the dialogue of Canadian Special Operations Forces and their unique range of capabilities with their partners within the defence community the media and the Canadian public a symposium was held at the Royal Military College of Canada in 2010 This volume represents an amalgam of the presentations and ideas that were put forward by scholars and military practitioners in order to both educate as well as create discourse on the subject of SOF Beginning with the Canadian SOF legacy and how it has evolved to meet the nation's needs it moves on to look at crucial components of force development and ways in which SOF help to shape the area of operations It explores important issues such as the role of SOF as an economy of effort economy of force option in the contemporary operating environment as well as the budding media SOF relationship Lumieres Sur les Forces de l'Ombre Bernd Horn, Tony Balasevicius, David Barr, 2007-01-01 Les Forces d'opérations spéciales SOF n'ont jamais fait partie intégrante des capacités militaires du Canada Des unités spéciales ont certes existé certaines périodes de notre histoire mais elles ont toujours œuvré dans l'ombre la limite de la reconnaissance Elles ont presque toujours été marginalisées Cependant la tragique attaque lancée par des terroristes sur les tours jumelles du World Trade Center New York le 11 septembre 2001 a considérablement modifié leur image Les SOF sont devenues depuis des forces de premier plan Les essais qui forment cet ouvrage concernant les SOF ont été rédigés par des experts en la matière Pris collectivement ils constituent un recueil exhaustif d'informations et de connaissances sur les SOF canadiennes et sur des questions et sujets qui s'y rapportent En somme l'ouvrage permet au lecteur d'acquiescer une solide base sur la théorie le contexte historique et l'évolution des SOF y compris les événements qui favorisent leur expansion
