Bastard King One Scepter Of Mercy:

Bastard King, The: Book One Scepter of Mercy Dan Chernenko, 2004-03-02 More information to be announced soon on this forthcoming title from Penguin USA **The Bastard King** Harry Turtledove, 2015-12-15 Two rivals must unite to prevent a disgraced malevolent god from attaining a relic of extraordinary power in the first book of alternate history master Harry Turtledove's magnificent fantasy trilogy More than four centuries ago the Scepter of Mercy was lost to the king of Avornis and each subsequent liege has promised and failed to return the powerful talisman to its rightful home Now young Lanius the only surviving son of King Mergus rules though he is considered illegitimate and must abide by the decisions of regents Still the legacy of the missing scepter ultimately belongs to him But it is also coveted by the Banished One an immortal exiled by the other gods who invades the world of men through their dreams Lanius with no talent or heart for battle must keep those in the sway of the malevolent deity from Avornis's borders To this end Lanius requires the help of Grus a fearless and respected captain of the king's navy But Grus has a far loftier destiny than his common birth would suggest and the bastard king's brave accomplished ally might well turn out to be his most dangerous adversary Originally published under the pen name Dan Chernenko **The Bastard King** is a magnificent foray into epic fantasy by the incomparable Harry Turtledove the prolific and multi award winning master of alternate history science fiction A tale of courage and destiny it is alive with action imagination and humanity and populated by richly complex imperfect heroes and a villain as truly fiendish as any that has ever graced the fantasy genre **The Case of the Toxic Spell Dump** Harry Turtledove, 2015-06-09 In an alternate America that runs on magic a potential environmental disaster plunges an overworked bureaucrat into a deadly conspiracy of evil gods and darkest sorcery David Fisher pushes paper for the EPA in a world that's a lot like ours only different In this California and throughout the alternate United States all gods are real science doesn't exist and magic rules everything running imp driven computers and creating anxiety inducing bumper to bumper flying carpet rush hours Unfortunately unchecked magic use can leave dangerous residues creating hours of mind numbing deskwork for David and his fellow bureaucrats at the Environmental Perfection Agency Now a leakage at a toxic spell dump in Angels City is about to complicate David's life in ways he never imagined unleashing vampires werewolves and soulless babies Even the actual spooks at the CIA concerned But looking too closely into what might be more than just an accident could have David stepping on the toes of some very nasty deities indeed imperiling his future on the Other Side and on this one as well When it comes to creating alternate histories and worlds no one does it better than the great Harry Turtledove The multiple award winning master of the fantastic carries readers on a droll thrill ride through a richly detailed ingeniously imagined fantasy reality where the impossible is mundane and absolutely anything can happen **The Bastard King** Dan Chernenko, 2003 Lost for more than five hundred years the Scepter of Mercy lies beyond the reach of the kingdom of Avornis in the lands corrupted by the Banished One Cast from the heavens to an earthly exile the Banished One seeks to use the

scepter to reclaim his godhood But the intertwined destiny of two men may interfere with his ascension Lanius is the only son of King Mergus of Avornis But he is the son of a seventh wife and therefore illegitimate in the eyes of church and state So after the king s death the nobles use young Lanius as their figurehead while they rule behind the scenes Grus is a captain in the king s navy a man of common origins as well as common sense His is charged with guarding the border from Avornis enemies including those who live in thrall of the Banished One He s watched his homeland weaken under incompetent rulers and fears for the future as disturbing visions torment his dreams Now both Lanius and Grus must decide what s best for the kingdom before the influence of the Banished One spreads to their people And so begins the quest for the Scepter of Mercy

The Scepter's Return Harry Turtledove,2015-12-15 Two rival kings must unite to defeat a malevolent god in the wise and humorous conclusion to the Hugo Award winning author s Scepter of Mercy trilogy Publishers Weekly When Avornis falls the Banished One will reign supreme Rival kings Lanius and Grus each covet solitary power but realize that a kingdom divided cannot stand against the evil god who enslaves the minds of men through their nightmares Once Avornis was safe from his dark influence protected by a powerful talisman supplied by the pantheon of deities who expunged the immortal called Milvago from their ranks But that was centuries earlier before the Scepter of Mercy was lost and only through its recovery can Avornis survive Now Lanius has a daring most likely impossible plan but it requires the cooperation of his fellow ruler the warrior and usurper king Grus If they fail to work together they will die together nevertheless along with everything that is good and right in their world Hugo Award winner Harry Turtledove brings his Scepter of Mercy trilogy to a spectacular end with a story of courage conflict and selfless sacrifice In The Scepter s Return as in the previous books of the series the acclaimed world builder reimagines epic fantasy leaving his own special imprint on the popular genre much as he has done with the alternate history for which he is so justifiably renowned
