Bastards Of Alchemy:

Bastards of Alchemy Gerard Houarner, Tom Piccirilli, 2002-01-01 *A Forbidden Alchemy* Stacey McEwan, 2025-07-03

Australian BookTok star Stacey McEwan's stunning new slow burn romantasy duology traces a fated pair who stumble upon a world-changing secret in youth and are catapulted into a violent class war in adulthood finding each other amidst love loss and devastating betrayals. Nina Harrow and Patrick Colson first meet in adolescence brought in from their disenfranchised mining towns to glittering Belavere City to be tested for magical abilities. Those who pass will train to become Artisans wielding powerful elemental magic to carry out Belavere's greatest ambitions. Nina wants nothing more than to escape her circumstances and attend the Artisan School while Patrick only wants to return home to his family of Craftsmen who use their extraordinary physical strength in the idium mines that keep Belavere running. The two accidentally discover a devastating secret that Artisans are not born but chosen. They part ways without telling another soul. In the years that follow a Craftsman revolution begins and the two find themselves on opposite sides of a brewing war. Nina, now an elite Artisan with the extremely rare ability to charm earth, soon abdicates the fight entirely, devastated by the loss of her found family. She has long become accustomed to life on the run when she is captured by Patrick's rebellion contingent. It turns out he has far from forgotten her and he asks for her help in a mission that will change the tides against Belavere City. She reluctantly agrees, struggling to ignore the sparks between them. But when Nina's first love reappears asking her to betray Patrick and spy on his cause for the Artisans, she must decide whether her loyalties lie with the order that raised her or the one person she knows she can trust.

One Right Tricky Bastard C. M. Sottolano, 2011-04-28. They say God moves in mysterious ways. I say He is one right tricky bastard. Or so says Milo Gives, but he means it affectionately. In this Mystic Noir Adventure, Milo Gives rhymes with strives. He is a modern day magus. At least he is officially unofficially a bit of a Disreputable Urban Mystic. That doesn't mean he doesn't want to help. He just goes about it in his own way. In *One Tricky Bastard*, Milo uses his own mystic powers and the assistance of some unusual allies to free a young brother and sister from a criminal with her own supernatural armory. Note: The Author denies that there is a message encoded in the mistakes of the book. No secret message, no hidden grimoire.

Alchemy, Paracelsianism, and Shakespeare's *The Winter's Tale* Martina Zamparo, 2022-10-05. This book explores the role of alchemy, Paracelsianism, and Hermetic philosophy in one of Shakespeare's last plays, *The Winter's Tale*. A perusal of the vast literary and iconographic repertory of Renaissance alchemy reveals that this late play is imbued with several topoi, myths, and emblematic symbols coming from coeval alchemical, Paracelsian, and Hermetic sources. It also discusses the alchemical significance of water and time in the play's circular and regenerative pattern and the healing role of women. All the major symbols of alchemy are present in Shakespeare's play: the intertwined serpents of the caduceus, the chemical wedding, the filius philosophorum, and the so-called rex chymicus. This book also provides an in-depth survey of late Renaissance alchemy, Paracelsian medicine, and Hermetic culture in the Elizabethan and Jacobean ages. Importantly, it

contends that *The Winter's Tale* in symbolically retracing the healing pattern of the *rota alchemica* and in emphasising the Hermetic principles of unity and concord glorifies King James's conciliatory attitude Undead Alchemist Kat Cotton,2018-02-22 The Demon Fighter's Council bastards locked me in a Prague dungeon awaiting trial on trumped up charges The only human being willing to bailing me out is the Mayor and we all know he's not doing that just because he's a swell guy He needs money and there's a vampire who can turn metal to gold These are the terms of my release capture the undead alchemist and learn his secrets or else Nic and Kisho get dusted Either way I end up in research lab because the Council chuckleheads think I'm not human I'm not even sure this alchemist is such a bad guy Can I escape the Council out trick the mayor and save the three of us Join Clem Nic and Kisho in an adventure filled with wacky shenanigans surprise liaisons and shock twists Oh and they eat some cake too The Magical Adventures of Mary Parish Frances Timbers,2016-01-01 Mary Parish wasn't your ordinary seventeenth century woman She was a cunning woman who spent her time in the realm of magic interacting with fairies hunting for buried treasures and communicating with the spirit world along with her partner the young aristocrat Goodwin Wharton Drawing largely from Goodwin's personal journals Frances Timbers reconstructs Mary's life in this microhistory and explores themes of class gender and relationships in seventeenth century England Mary's story provides insight into magical beliefs and practices of early modern history and sheds light on how class and gender affected everyday life **Stillborn Bastards** AYDIN TUZCU,2022-10-09 Everyone was afraid of him and they were right to be Witches vile army of stillborn bastards spared no one alive and Jonast Mortenz the one who could avenge the innocents was yet to be born It is the story of how a talented equipped and intelligent young man evolved from Master Mortenz to Jonast the Crazy In the first book of the Jonast the Crazy series which is envisioned as 6 Books the childhood and youth years of Jonast Mortenz the most famous person in a tiny world that they know stuck in east and west are told Spoiler Nothing was as it seemed Watch out for Matteo A Secret Alchemy Emma Darwin,2010-01-07 Two murdered princes a powerful queen betrayed a nobleman riding towards his certain death The story of the Princes in the Tower has been one of the most fascinating and most brutal murder mysteries in history for more than five hundred years In a brilliant feat of historical daring Emma Darwin has recreated the terrible exhilarating world of the two youngest victims of the War of the Roses the power struggles and passion that lay behind their birth the danger into which they fell the profoundly moving days before their imprisonment and the ultimate betrayal of their innocence In *A Secret Alchemy* three voices speak that of Elizabeth Woodville the beautiful widow of King Edward IV of her brother Anthony surrogate father to the doomed Prince Edward and his brother Dickon and that of present day historian Una Pryor Orphaned and herself brought up in a family where secrets and rivalries threaten her world Una's experience of tragedy betrayal and lost love help her unlock the long buried secrets that led to the princes deaths Weaving their stories together Emma Darwin brilliantly evokes how the violence and glamour of past ages live on within our present **Alchemical Magic** Stacey Keystone,2020-09-30
