Traveling in Mark Twain Richard Bridgman, 2024-06-28 Suffering from wanderlust like many of his countrymen Mark Twain had the good fortune to be paid to offer his observations in a series of travel letters and books Curious and indefatigable he used his incomparable skills to produce the vivid descriptions and humorous commentaries that made his books immensely popular At the same time travel writing afforded him the opportunity to engage in more personal explorations The looseness of the travel narrative enabled Twain to put down virtually whatever came to mind with little concern about connections At a time when established values were faltering this tolerance suited him His travel books are strings of incidents anecdotes descriptions and the occasional odd detail all arranged along a geographical line At any given moment Twain's anarchistic independence was free to assert itself The travel books are more than entertaining compilations They represent serious if offhand explorations of Mark Twain's outer and inner worlds and help define him as part of the whole van of modernists moving into the twentieth century This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987

am waiting for Mark For the last several months he has been missing Garbo like from public life But in reality he has been writing a new book We have agreed to go back over the original manuscripts for this edition to do some editing add in some extras delete a few choice words and phrases We meet in his London home where he is dressed in a workday uniform of brown shirt jeans and trainers hair clipped up in practical busy busy fashion all smiles and loud laughter We first met over five years ago Then we tentatively shook hands and the laughter was nervous All that has changed But some things have not He still famously hates interviews Around us there is evidence of a very regular existence There are books scattered everywhere a Sony widescreen with a DVD of Shackleton sitting below it Atop the fireplace hangs a painting called Fishermen by James Southall a tableau of weather beaten sea dogs wrestling with a rowing boat a gift he bought himself on the anniversary of a publication Balanced against a wall in the office next door is a replica of the Rosebud sledge burned at the dramatic conclusion of Citizen Kane As I unpack my scripts I begin with a question You once said There is a figure that is adored but I d question very strongly that it s me There is silence A stare You did say it Well supposedly I said that But in what context did I say it Just talking about people building up this image of you It was one of the first things you ever said to me Yes but I m not am I There was also that interview that described you as someone fragile being who s hidden himself away That was fairly amusing A lot of the time it doesn t bother me I suppose I do think I go out of my way to be a very normal person and I just find it frustrating that people think that I m some kind of weirdo reclusive that never comes out into the world His voice notches up in volume Did you ever feel you would finish your first book Oh yeah he sighs I mean there were so many times I thought I ll have the book finished this year definitely I ll get it out this year Then there were a couple of years where I thought I m never gonna do this I don t know why Time evaporates He walks over and picks up the manuscripts He reads a bit He laughs Did I really agree to this he asks Mark knows the answer A couple of people who read the first book Tour De Europa he says they either really liked it or they found it very uncomfortable I liked the idea of it being uncomfortable I thought that was great I love the ambiguity But I also loved looking back on lost conversations and instantly remembering an emotion A clock somewhere strikes two and a friend arrives with tea pizza avocado with balsamic vinegar and cream cake for afters only to be playfully admonished by Mark who protests I can t eat all this shit It would appear some things never change
