Respectful Leader Gregg Ward, 2016-06-30 Boost morale and productivity by leading with respect The Respectful Leader presents an engaging thought provoking lesson for companies seeking off the charts performance Author Gregg Ward draws on 25 years of leadership consulting coaching and training experience to reveal the secret to great results respect In this true to life business fable he shares the story of Des Hogan a CEO who discovers that disrespectful behavior on the part of his leadership team is eating away at his company s morale productivity and profits At a loss for a solution he meets Grace a straight shooting self described little old lady in the maintenance department With her no nonsense advice he sets out to revamp the culture and turn his company around but first he has to turn inward and realize that his own behavior sets the tone for the company at every level This enlightening engaging and honest story will help you recognize and analyze your own behaviors and interactions and show you how to create a winning culture based on leading with respect Intimidation micro management and insecurity do not drive top level performance True success is built on free flowing trusted and open collaboration between departments levels and specialties This book shows you how to build respect among the ranks from the top down Learn the key respectful leadership behaviors that significantly impact morale Learn how to adjust your own and others attitudes to boost productivity teamwork and profits Benefit personally and professionally by leading from a place of mutual respect and consideration People perform best when they feel valued and valuable And when they are respected for their experience talents and skills they ll become personally invested in outcomes both short and long term and consistently go the extra mile Respectful leadership ignites passion innovation creativity and efficiency while control based leadership and intimidation breeds complacency and mediocrity Which environment would better serve your company The Respectful Leader shows you how to achieve sustainable success with a simple behavioral paradigm shift *Bad Apples* Terrence Sember, Brette Sember, 2009-05-18 Unlike other career books this book offers managers a team focused approach to neutralizing a not so pleasant or productive working atmosphere Instead of isolating the one problem employee relevant teams are considered as part of the solution The result Solutions stick and there s less likelihood of the bad apple ruining the bunch Complete with situational advice and case studies taken straight from the trenches this simple and straightforward guide teaches managers how to Calm down combatants Motivate wasters Silence gossips De arm backstabbers Convince passive aggressives to open up Teach narcissists the importance of the team This book helps managers decide what the right course of action is whether it means chastising negative behavior encouraging positive outlooks separating certain folks creating teams for success giving employees warnings and or firing the ones who are pretty much rotten through and through This book is essential reading for any manager looking to ensure a pleasant productive and fruitful work

environment *Rotten Apples, Bad Barrels and Sticky Situations* ,2019 The Set-up-to-fail Syndrome Jean-François Manzoni, Jean-Louis Barsoux, 2002 Annotation *Changing Employee Behavior* Nik Kinley, Shlomo Ben-Hur, 2015-03-31 An important part of every manager's job is changing people's behavior to improve someone's performance get them to better manage relationships with colleagues or to stop them doing something Yet despite the fact that changing people's behavior is such an important skill for managers too many are unsure how to actually go about it This book reveals the simple but powerful techniques for changing behavior that experts from a range of disciplines have been using for years making them available to all managers in a single and comprehensive toolkit for change that managers can use to drive and improve the performance of their staff Based on research conducted for this book it introduces practical techniques drawn from the fields of psychology psychotherapy and behavioral economics and show how they can be applied to address some of the most common every day challenges that managers face changing people **Bad Apples** A. Furnham, J. Taylor, 2011-02-07 In a difficult economic climate it is more important than ever to manage bad behaviour in the workplace and minimize the damage negative and destructive employees can have on an organization This book looks at the problems companies can face but also shows how to resolve these issues and work towards a positive outcome Problem People and how to Manage Them Peter Honey, 2002 In every workplace there are problem people causing people problems authoritarians boasters and coasters manipulators martyrs and meddlers In this text leading occupational psychologist Peter Honey gives help with the commonest types of office menace Always start by looking at yourself you may be making a fuss about nothing mis labelling someone a worrier rather than conscientious and caring or accidentally triggering and rewarding other people's bad behaviour Once you realize what you are contributing to the problem it becomes far easier to persuade or encourage the person to change
