Take Back your Mountain - Success and reflection from Everest Base Camp Jeff Hutchens,2013-05-31 Are you looking for a bit of an adventure That is exactly how I felt when I decided to hook up with a couple of friends from school and take on the adventure of a lifetime This book is an account of one of the most difficult challenges I have faced so far on the trek to Everest Base Camp during Easter 2013 It contains all of my experiences including the highs and lows from the trail and my personal reflections and coaching lessons from the trip It is a tale of how I took back my own personal mountain and a challenge for you to take back yours It is written in the hope that you too will find your own adventure and enjoy living the life of your dreams It is time to Take Back your Mountain **The King of the Mountains** Edmond About,2019-09-25

Reproduction of the original **The King of the Mountains** by Edmond About **Monsters in the Mountains: Books 1-6** Leann Ryans,2023-12-10 These omegas had no idea what was coming as monsters stalked the dark in search of mates Will they find happiness after they re bitten by a monstrous alpha and brought to the mountains This book contains the first six stories of the Monsters in the Mountains series with a short extended epilogue They are short sweet knotty omegaverse monster romances Twisted Tales Growing Up and Old in the Mountains of Montana Ralph Ronald Crawford,2023-03-27 Knocking the gun away running into the bank leaving a trail of blood behind not realizing he had been shot Heading into the Bob Bob Marshall Wilderness with a packhorse in tow With my rope stretched tight across the swollen creek me on one side the calf on the other Cross hairs at the top of his back the buckskin butt patch fills my scope Prying eyes might find us a la naturale refreshing ourselves in the cool waters of a high mountain lake A collection of true life adventures tall tales with a few out and out lies thrown in just for fun Oh what a grand adventure it all has been growing up and old running the mountains along the continental divide just outside the smoky little village of Lincoln Montana *Audrey of the Mountains* Dorothy Audrey Simpson,2008 Simpson offers a biography of her mother one of the first female journalists in New Mexico who was known for her informative influential and inspiring writing *From the Mountains to the Bay* Ethan S. Rafuse,2022-12-09 From January to July of 1862 the armies and navies of the Union and Confederacy conducted an incredibly complex and remarkably diverse range of operations in the Commonwealth of Virginia Under the direction of leaders like Thomas Stonewall Jackson George McClellan Joseph E Johnston John Rodgers Robert E Lee Franklin Buchanan Irvin McDowell and Louis M Goldsborough men of the Union and Confederate armed forces marched over mountains and through shallow valleys maneuvered on and along great tidal rivers bridged and waded their tributaries battled malarial swamps dug trenches and constructed fortifications and advanced and retreated in search of operational and tactical advantage In the course of these operations the North demonstrated it had learned quite a bit from its setbacks of 1861 and was able to achieve significant operational and tactical success on both land and sea This enabled Union arms to bring a considerable portion of Virginia under Federal control in some cases temporarily and in others permanently Indeed at points during the

spring and early summer of 1862 it appeared the North just might succeed in bringing about the defeat of the rebellion before the year was out A sweeping study of the operations on land and sea From the Mountains to the Bay is the only modern scholarly work that looks at the operations that took place in Virginia in early 1862 from the Romney Campaign that opened the year to the naval engagement between the Monitor and Merrimac to the movements and engagements fought by Union and Confederate forces in the Shenandoah Valley on the York James Peninsula and in northern Virginia as a single comprehensive campaign Rafuse draws from extensive research in primary sources to provide a fast paced complete account of operations throughout Virginia while also incorporating findings of recent scholarship on the factors that shaped these campaigns The work provides invaluable insights into the factors and individuals who shaped these operations how they influenced the course of the war the relationships between political leaders and men in uniform and how all these factors affected the development and execution of strategy operations and tactics
