husband's role and responsibility in the marriage Just as God made marriage He also established a divine order for the home God commands that husbands love their wives as Jesus loved the church and gave Himself for it Wives are to submit unto their husbands as unto the Lord It is not about the husband being superior Rather a husband's authority lies in being an obedient responsible leader servant to his family Submission does not mean that a wife is slave to her husband Rather she is submitting to her Lord and obeying His direction for her home The Bible the inspired Word of God gives instructions on how the husband and wife are to treat each other Since God is the designer why not try marriage His way before heading to divorce court God hates divorce Dr Ward will help you discover what God has said on the subject of marriage Knowing God's perspective will help both husband and wife to properly function in what will be a blissful union *The Jurist*, 1842
