Essential oils have been used across all world cultures for thousands of years. While the popularity of aromatherapy has endured, the methods and applications of the craft have evolved. *The Ultimate Guide to Aromatherapy* is the modern practitioner's guide to working with aromatherapy and essential oils. Using techniques developed over decades of teaching, you will learn the science of aromatherapy and how essential oils interact with our sense of smell, brain pathways, and skin. The guide also includes over 50 plant profiles, plus recipes and blends for health and beauty. Included are remedies for digestive health, immunity, women's health concerns, and more, such as Hand Body Wash for Flu Recovery, Self Love Botanical Perfume, and Tummy Massage Oil for Indigestion. Drawing on the author's unique methodology and expertise as an aromatherapist, herbalist, and healer, you will learn the art of blending formulations with great skill and discernment. *The Ultimate Guide to Aromatherapy* series offers comprehensive beginner's guides to discovering a range of mind-body-spirit topics, including tarot, divination, crystal grids, numerology, witchcraft, chakras, and more. Filled with beautiful illustrations and designed to give easy access to the information you're looking for, each of these references provides simple-to-follow expert guidance as you learn and master your practice.

The Aromatherapy Book Jeanne Rose, 1993-01-15 Jeanne Rose, affectionately known as the Grand Dame of aromatherapy to those in the field, has compiled over the years a wealth of practical and researched information about aromatherapy. With her charming humor, she weaves the history of aromatherapy. In this book, you will find almost anything you would want to know about aromatherapy, including recipes, her own and others, from skin care to pet care. She even covers the unusual aspects of aromatherapy, such as the musical and chakra qualities of essential oils. An excellent book for beginners or beyond. It is a wonderful book for looking up particular essential oils, finding their properties, cautions, etc. for both the beginner and advanced aromatherapy student. The aromatherapy reference charts listed in the book are indispensable, and there is even a Chakra and Color chart as well.

The Heart of Aromatherapy Andrea Butje, 2017 Butje introduces readers to essential oils' unique properties. Each profile contains thorough practical information: Latin name, aroma, aromatic note, uses, and safety tips, as well as providing a sense of the oil's core spirit, physical, and emotional supportive capabilities. Included are tips for buying the safest, most natural forms of the essential oils and recipes to help you create personalized essential oil blends for happier, healthier bodies, minds, and homes. Adapted from publisher info.

World of Aromatherapy Jeanne Rose, 1996 The voices in this collection are those of leading British and American women active in aromatherapy today. They write with verve about the growth of the distillery process and the essential oil industry, discuss such technical issues as whether synthetic or natural products are best, and describe how they use oils and blends in healing, skin care, and stress reduction.
