

AROUND THE BOREE LOG

"JOHN O'BRIEN"

Around The Boree Log

pseud. O'Brien

Around The Boree Log:

Around the Boree Log, and Other Verses John O'Brien, 2023-11-20 John O'Brien's *Around the Boree Log and Other Verses* is a collection of poetry that celebrates Australian rural life and culture with a deep sense of nostalgia and appreciation. Written in the late 19th and early 20th centuries, O'Brien's work reflects the literary context of Australian bush poetry, drawing inspiration from the likes of Banjo Paterson and Henry Lawson. His verse is characterized by its simplicity and sincerity, portraying the beauty and hardship of life in the outback. John O'Brien, a Catholic priest born Patrick Joseph Hartigan, used his experiences in rural New South Wales to shape his poetry and provide insight into the values and struggles of the Australian bush people. His deep connection to the land and its people shines through in his heartfelt and often humorous verses, making him a beloved figure in Australian literature. I highly recommend *Around the Boree Log and Other Verses* to readers interested in Australian poetry and the depiction of rural life. O'Brien's work captures the essence of the outback while offering a glimpse into the heart and soul of the Australian bushmen.

Drawing on the best of contemporary biblical, historical, and theological scholarship, the contributors consider the role played by the theme of grace in the Christian tradition, its importance, and some implications for today. A number of essays pay special attention to the significance of the

theme of grace within Methodism As a whole the volume testifies to the diverse ways in which divine grace enables and shapes patterns of graceful living in the world Topics covered include Pauline perspectives on grace the theme of grace in Wesleyan hymnody grace in the theology of Barth Rahner and de Lubac the relationship between Christian understandings of grace universalism and other religious traditions the implications of grace for understanding creation care ministry practice spirituality and work Together the essays honour the life and ministry of Emeritus Professor Norman Young whose own theological work has been devoted to exploring the mystery which we discern as the way of grace and who offers an account of his own theological journey within the volume s concluding personal reflections **Secularisation in the Christian**

World Michael Snape,2016-04-01 The power of modernity to secularise has been a foundational idea of the western world Both social science and church history understood that the Christian religion from 1750 was deeply vulnerable to industrial urbanisation and the Enlightenment But as evidence mounts that countries of the European world experienced secularising forces in different ways at different periods the timing and causes of de Christianisation are now widely seen as far from straightforward Secularisation in the Christian World brings together leading scholars in the social history of religion and the sociology of religion to explore what we know about the decline of organised Christianity in Britain Europe the United States Canada and Australia The chapters tackle different strands themes comparisons and territories to demonstrate the diversity of approach thinking and evidence that has emerged in the last 30 years of scholarship into the religious past and present The volume includes both new research and essays of theoretical reflection by the most eminent academics It highlights historians and sociologists in both agreement and dispute With contributors from eight countries the volume also brings together many nations for the first consolidated international consideration of recent themes in de Christianisation With church historians and cultural historians and religious sociologists and sociologists of the godless society this book provides a state of the art guide to secularisation studies **The Rocks and Sticks of Words** Gordon Collier,2021-11-15
