Art And Business Of Champagne:

The Art and Business of Champagne Dan Ginsburg, 2006-01-20 When people raise their glasses in celebratory toasts few are aware of all the work behind the fizz Here is a book to open their eyes with an inside look from the vineyard to the marketplace at the world of champagne Just like good wine the book begins with the grapes variety growing season harvesting and pressing method While not attempting to be the definitive work on champagne making this volume does enumerate all the steps and decisions that go into producing a quality champagne Blending bottling aging fermenting and storage are also discussed With a view to practicality the author himself a champagne manufacturer looks at the marketing and business concerns of champagne including the necessity of balancing quality and timely production Since by definition champagne comes only from Champagne France a brief history of and visitor s guide to this region is also included The final chapters look at vintages from 1900 to 2003 as well as the various families who make it their business to produce some of the world s finest wines

Sustainability in Art, Fashion and Wine Annamma Joy, 2024-03-18 The art fashion and wine industries are currently at various stages in their efforts to embrace and transition towards sustainability While sustainability commitments are a necessary condition for progress they are not sufficient Instead there is a need for sweeping transformative change that includes giving serious consideration to indigenous worldviews without recolonizing them Sustainability in Art Fashion and Wine includes findings from recent research and contributes to a new understanding of familiar concepts such as sustainability de colonization and corporate responsibility in the art fashion and wine industries by adopting critical lenses and incorporating them with innovative perspectives on circular business models and digitalization It endeavors to present remedies for effectively combating climate change and promoting social good While discussing specific issues such as sub contracted labor safe working conditions living wages environmental degradation mismanaged waste and more the book argues that recognizing the significant role western colonization has played and continues to play in the developing world in our current conception of capitalism is itself unsustainable To understand the true meaning of sustainability to fully recognize the looming deadlines we face in combating the climate crisis and instituting sustainability as a new normal the acceptance of a new conception of capitalism one antithetical to colonization and exploitation is required Contributors to this book address these issues by applying a critical studies approach to their respective chapters allowing the book to set out what real sustainability could and should look like in the art fashion and wine industries

Art Market Secrets Aisha Khan, AI, 2025-02-21

Art Market Secrets unveils the often mysterious world of art commerce explaining how aesthetics intertwine with economics The book provides insights into the mechanics of art transactions and the roles of key players like galleries collectors and auction houses Understanding the art market's structure is crucial as it functions as a significant economic driver and reflects societal values For instance the book highlights how post World War II economic expansion and globalization significantly shaped the modern art market The book begins by defining essential art market terms and progresses through the intricacies of transactions including auctions and private sales It analyzes emerging trends such as the impact of online sales and the rise of new art forms using data driven analysis to identify patterns This approach distinguishes Art Market Secrets from subjective opinions arming readers with the tools to assess market trends Ultimately the book empowers art collectors and investors to make informed decisions navigate potential risks and capitalize on opportunities within this dynamic environment

The King of Good Times Harish Maiya, 2011-05-16

Dr Vijay Mallya is not your typical everyday CEO He has made it to the Forbes billionaires list many number of times but he doesn't care if he is on the list or not because he doesn't want to be categorized as a ruthless moneymaker He not only lives like The King of Good Times but he is working overtime to persuade others to live the high life too Once upon a time his critics called him the playboy of the east for his glamorous lifestyle but slowly and steadily Dr Mallya has earned the respect of his detractors After the launch of Kingfisher Airlines in 2005 he was chosen as the Indian Businessman of the year The Indian government honored him with the Outstanding Business Leader Award and ETNow selected Dr Mallya as one of the three big movers and shakers of the first decade of 21st century corporate India After his father's untimely death Dr Mallya became the CEO of a hundred million dollar UB Group and grew it into a multi billion dollar global empire He is a genius of a businessman who is the ultimate brand ambassador of his company UB Group He sets himself high goals and works round the clock to achieve them His out of the box thinking and business strategies have revolutionized the way brand equity could be grown by businesses in the country He is a supreme human being and so his business rivals and political rivals are usually surprised by Dr Mallya's magnanimity As a politician Dr Mallya has been trying really hard to change the Indian political landscape He is a brand marketing genius but for him superior customer service always comes first He goes to extreme lengths to make sure customers are satisfied by his products and services Dr Mallya is also a sports fanatic He owns the Force India Formula One team and has been an instrumental figure in bringing the Formula One Grand Prix championship race to India He also owns

the Indian Premier League cricket team called the Royal Challengers and is very much involved in making a successful championship run for the team He is also the man who has changed horse racing in India from a gambling den to a classy entertainment venue For all the critics who downplayed Dr Mallya s success and bashed his playboy image it is not surprising that he is having the last laugh Dr Mallya and his future generations are set to carry on the Mallya legacy successfully Long live the King of Good Times
