Artistic Truth Lambert Zuidervaart,2004-10-18 It is unfashionable to talk about artistic truth Yet the issues traditionally addressed under that term have not disappeared Indeed questions concerning the role of the artist in society the relationship between art and knowledge and the validity of cultural interpretation have intensified Lambert Zuidervaart challenges intellectual fashions He proposes a new critical hermeneutics of artistic truth that engages with both analytic and continental philosophies and illuminates the contemporary cultural scene People turn to the arts as a way of finding orientation in their lives communities and institutions But philosophers hamstrung by their own theories of truth have been unsuccessful in accounting for this common feature in our lives This book portrays artistic truth as a process of imaginative disclosure in which expectations of authenticity significance and integrity prevail Understood in this way truth

becomes central to the aesthetic and social value of the arts *Art and Spiritual Transformation* Finley Eversole, 2009-05-26

The primal role of art in awakening and liberating the soul of humanity Presents a seven stage journey of transformation moving from the darkened soul to the light of spiritual illumination Provides a meditation practice to experience the spiritual energy embedded within art Includes artists Alex Grey Jackson Pollock Mark Rothko Walter Gaudnek and others Art and Spiritual Transformation presents a seven stage journey from the darkened soul to the light of spiritual illumination that is possible through the world of art Finley Eversole introduces a meditation practice that moves beyond the visual content of an art form in order to connect with its embedded spiritual energy allowing the viewer to tap in to the deeper consciousness inherent in the artwork and awaken dormant powers in the depths of the viewer's soul Examining modern and postmodern artwork from 1945 onward Eversole reveals the influences of ancient Egypt India China and alchemy on this art He draws extensively on philosophy myth and symbolism literature and metaphysics to explain the seven stages of spiritual death and rebirth of the soul possible through art the experience of self loss the journey into the underworld the experience of the dark night of the soul the conflict with and triumph over evil the awakening of new life in the depths of being and the return and reintegration of consciousness on a higher plane of being resulting finally in ecstasy transfiguration illumination and liberation To illustrate these stages Eversole includes works by abstract expressionists Jackson Pollock Willem de Kooning and Mark Rothko and modern visionary artists Alex Grey and Ernst Fuchs among others to reveal the powerful and liberating forces art contributes to the transformation and evolution of human consciousness **Christianity, Art and Transformation** John W. de Gruchy, 2001-01-29 Christianity Art and Transformation explores the historical and contemporary relationship between the arts and Christianity with reference to the transformation of society Several major themes are discussed among them the power of images the relationship between aesthetics and ethics the nature of beauty and its redemptive capacity aesthetic existence and Christian discipleship and the role of art in the public square and in the life of the Church The book is a contribution to the study of theological aesthetics from both an ecumenical and Reformed perspective global in its scope yet rooted in the author's South African context *The Journal of Speculative Philosophy*, 1877 **Scores of Being** H.A.E. Hub Zwart, 2023-08-28 This monograph studies opera as music drama guided by four ideas opera as an ambiance setting an acoustic stage where dramatic action becomes possible as a Gesamtkunstwerk incorporating other arts forms into a coherent whole as archaeology revivifying lost worlds of experience and as a dialectical syllogism resulting in the negation of a paralysing negation via a dramatic act We focus on Richard Wagner as composer and author but also address other music dramas by Giacomo Puccini and John Adams adopting a Hegelian dialectical perspective but involving other dialectical thinkers e.g. Marx and Engels as well **Colors of the Concepts** Alex Taek-Gwang Lee, 2025-08-05 This short monograph explores the intersection of philosophy and painting examining how major thinkers from Hegel to Merleau Ponty developed key concepts through their engagement with specific artworks Unlike traditional

surveys my book focuses on philosophers ideas as they emerged from concrete encounters with paintings offering both scholars and general readers fresh insight into philosophical thought By analysing these interactions the book illuminates the often overlooked connection between visual art and abstract reasoning tracing the evolution of philosophical ideas through tangible visual experiences This approach not only bridges aesthetics with other philosophical branches but also presents a unique contribution to the history of ideas demonstrating how painting has shaped philosophical thoughts Ultimately this work provides a novel perspective on familiar philosophical concepts revealing the profound influence of art on intellectual history

Nietzsche's Revaluation of Values Edgar Evalt Sleinis,1994 Nietzsche s Revaluation of Values is an assessment of Nietzsche s challenging plan to revalue all values including knowledge morality religion art and the state E E Sleinis analyzes the success of Nietzsche s enterprise as well as its inadequacies among the positive contributions he singles out Nietzsche s theory of value his conception of higher order values and his conception of the maximally affirmative attitude as creations of enduring importance

Handbook of Phenomenological Aesthetics Hans Rainer Sepp,Lester Embree,2010-03-11 Historically phenomenology began in Edmund Husserl s theory of mathematics and logic went on to focus for him on transcendental rst philosophy and for others on metaphysics philosophical anthropology and theory of interpretation The continuing focus has thus been on knowledge and being But if one began without those interests and with an understanding of the phenomenological style of approach one might well see that art and aesthetics make up the most natural field to be approached phenomenologically Contributions to this field have continually been made in the phenomenological tradition from very early on but so to speak along the side The situation has been similar with phenomenological ethics A great deal of thought about art and aesthetics has nevertheless accumulated during a century and a handbook like the present one is long overdue The project of this handbook began in conversations over dinner in Sepp s apartment in Baden Baden at one evening of the hot European summer in the year 2003 As things worked out he knew more about whom to ask and how much space to allocate to each entry and Embree knew more about how to conduct the inviting preliminary editing and prodding of contributors who were late returning their criticized drafts and copyedited entries and was able to invest the time and other resources from his endowed chair That process took longer than anticipated and there were additional unfortunate delays due to factors beyond the editors s control
