Goal Setting Success: The Blueprint To Setting Goals & Achieving Them (Manifest Success, Motivational, Positive Thinking, Habit Building, Transformation, Abundance) Oscar Monfort, Do you have a clear vision for your life Do you have a 5 year plan Or does it feel like you re just drifting through life The truth is that most of us are just wishing that something good will happen to us Forget all the over hyped positive thinking and visualization stuff The key to getting what you want from life is to set clear realistic and measurable goals Goal setting is a scientifically proven way to restructure your brain cells and direct you towards the future you want However goal setting alone is not enough Nice idea yeah but many give up or work so hard without getting anywhere The reality is that there is a science to

the goal achievement process and it's not what you would think. Instead of some half-baked New Year's Resolutions, the blueprint inside this book focuses on the process of actually achieving goals. From how to set goals in the first place to avoiding common roadblocks and easily navigating your journey to success. In this book, you will discover the key to setting goals, achieving them, the goal setting method used by Lady Gaga which took her from an unknown gogo dancer to an international super star, scientifically proven ways to align your environment with your goals, easily develop habits that lead to huge results, Warren Buffett's 5-step success rule, why failure is necessary, how to embrace it, how Taylor Swift achieved global success through mentors without ever meeting them, the simple goal system used by Google, Walmart, Spotify, Twitter, and more, how a beekeeper became the first person to climb Mount Everest, applying behavioural psychology to set goals you'll actually stick to, and much, much more. Let's be honest: if you want success, you need to set goals and take action. Are you willing to do whatever it takes? So if you're ready to turn your dreams into reality, then start reading this book.
