**Ludmila Stern**

## Dreiser Looks At Russia:

**Dreiser Looks at Russia** Theodore Dreiser, 1928 This work is based on the author's experiences visiting the Soviet Union **DREISER LOOKS AT RUSSIA. BY THEODORE DREISER.** Theodore Dreiser, 1928 *The Color of a Great City* Theodore Dreiser, 1981 *Dreiser's Russian Diary* Theodore Dreiser, 2015-02-23 Theodore Dreiser's Russian Diary is an extended record of the American writer's travels throughout the Soviet Union in 1927-28 Dreiser was initially invited to Moscow for a week-long observance of the tenth anniversary of the October Revolution He asked and was granted permission to make an extended tour of the country This previously unpublished diary is a firsthand record of life in the USSR during the 1920s as seen by a leading American cultural figure It is a valuable primary source surely among the last from this period of modern history *Soviet Union Review*, 1927 *Dreiser Studies*, 2002 *The Statesman's Year-Book* Mortimer Epstein, 2016-12-23 The classic reference work that provides annually updated information on the countries of the world

American Cassandra: The Life of Dorothy Thompson Peter Kurth, 2019-08-09 Dorothy Thompson 1893-1961 was America's first internationally famous female foreign correspondent Born outside of Buffalo New York she graduated from Syracuse University in 1914 and honed her writing and interviewing skills in the women's suffrage movement before heading for Europe as a freelance journalist Reporting from Vienna Budapest and Berlin during the rise of Nazism she was the first western journalist to be expelled from Germany by Adolf Hitler after denigrating him in a profile Her later columns in the Ladies Home Journal and radio broadcasts for CBS published as Listen Hans made her next to Eleanor Roosevelt the most influential woman in the United States Thompson was married three times her second marriage was to the American novelist Nobel Prize winner and alcoholic Sinclair Lewis her third and happiest to Czech artist Maxim Kopf She also had several lesbian relationships Avidly interested in everything from sustainable farming to the fine arts she divided her later years between New York City and her farm in Barnard Vermont A skillful exploration of the life and personality of the formidable foreign correspondent New York Times readers will be pleased to meet a fascinating driven and indomitable woman who richly deserves this fine biography Thomas Griffith New York Times Sensationally good Kurth's vividly detailed and dramatic portrayal of Thompson's life fully compensates for the memoirs she planned but never lived to write Here was a one of a kind incarnation of energy honesty and commitment a woman we must not forget USA Today Kurth guides us through the tumultuous complexities of the time the rise of Nazism in Germany isolationism in America the Second World War the establishment of Israel and other issues that Thompson took over as her personal battleground His daunting task is to show us a mind at work and he pulls it off Washington Post In a day of dime a dozen pundits jabbering on the talk shows Thompson's diligence and influence are worth recalling Mr Kurth's compulsively readable account allows us to re-live an age and do just that Wall Street Journal Kurth has a surprising grasp of Thompson's emotional makeup strictly avoiding the kind of supercilious or paternalistic attitude that such a character invites in male authors His biography is insightful without being

sentimental warm without being sycophantic Toronto Star An important asset of this big solid book is author Kurth's prolific use of Thompson's own words She left 150 file cases of published and unpublished writings chunks of private thoughts and musings on her three husbands and her own sexuality one would have expected her to burn Kurth has battled through this paper blizzard and emerged with a clear as ice water picture of a turbulent complex personality Baltimore Sun Peter Kurth author of the haunting *Anastasia The Riddle of Anna Anderson* proves once again that he is the equal of Stefan Zweig as a biographer of women His fairness his control of his material and his eye for the revealing quotation are such that he makes us empathize with Miss Thompson even when we feel like strangling her Washington Times **The Statesman's**

**Year-Book** M. Epstein, 2016-12-24 The classic reference work that provides annually updated information on the countries of the world Theodore Dreiser Frederic E. Rusch, Donald Pizer, 2004 Hardly shy about himself or his work Theodore Dreiser knew the value of publicity Over four decades he often consented to interviews answering questions about his fiction his politics and even previous interviews Throughout his life Dreiser raised a storm of protest with his realistic novels blistered public figures and other authors with untempered criticism scorned pieties masking brutality in law and economics and expressed a few contradictions of his own This volume collects for the first time more than seventy interviews As a group they show Dreiser dealing with an array of literary and social issues as well as his lifelong incapacity to mince words Dreiser is revealed in these interviews as a public figure of epic proportions Literature of Travel and Exploration Jennifer Speake, 2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website **Imagining America** Alan M. Ball, 2004-09-09 In *Imagining America* historian Alan M Ball explores American influence in two newborn Russian states the young Soviet Union and the modern Russian Republic Ball deftly illustrates how in each era Russians have approached the United States with a conflicting mix of ideas as a land to admire from afar to shun at all costs to emulate as quickly as possible or to surpass on the way to a superior society Drawing on a wide variety of sources including contemporary journals newspapers films and popular songs Ball traces the shifting Russian perceptions of American cultural social and political life As he clearly demonstrates throughout their history Russian imaginations featured a United States that political figures and intellectuals might embrace exploit or attack but could not ignore The Oxford Encyclopedia of American Literature Jay Parini, 2004

The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present. At the core of the Encyclopedia lie 250 essays on poets, playwrights, essayists, and novelists. Figures such as Whitman, Melville, Faulkner, Frost, and Morrison are discussed in detail, with each examined in the context of his or her times, an assessment of the writer's current reputation, a bibliography of major works, and a list of major critical and biographical works about the writer. Fifty entries on major works such as *Moby Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman*, and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach. The Encyclopedia also contains essays on literary movements, periods, and themes, pulling together a broad range of information and making connections between them. Each entry has its own primary and annotated secondary bibliography, and a system of cross references helps readers locate information with ease. The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature, libraries looking for one comprehensive source, and readers interested in American literature, its authors, and its connection with various areas of study.

*Dreiser and Veblen, Saboteurs of the Status Quo* Clare Virginia Eby, 1999. The works of Dreiser and Veblen make up a neglected chapter in the history of United States cultural criticism. Their central subjects, such as the myriad effects of consumer capitalism and the invidious status system, still preoccupy cultural critics, and with good reason. Veblen and Dreiser also pioneered strategies for positioning themselves as confrontational intellectuals, such as by attacking foundationalism and claims of epistemological certainty that continue to inform the practice of many cultural critics. Thus, in both subject matter and rhetorical strategy, Dreiser's and Veblen's writings provide prototypes for the work that many United States scholars want to do now. Work which often turns to European or postmodern theory for inspiration. In making this claim about the usefulness of Dreiser and Veblen for current intellectual work, my argument parallels recent rehabilitations of American thinkers.

**The Body Soviet** Tricia Starks, 2009-01-06. In 1918 the People's Commissariat of Public Health began a quest to protect the health of all Soviet citizens, but health became more than a political platform or a tactical decision. The Soviets defined and categorized the world by interpreting political orthodoxy and citizenship in terms of hygiene. The assumed political, social, and cultural benefits of a regulated, healthy lifestyle informed the construction of Soviet institutions and identity. Cleanliness developed into a political statement that extended from domestic maintenance to leisure choices and revealed gender, ethnic, and class prejudices. Dirt denoted the past and poor politics; health and cleanliness signified mental acuity, political orthodoxy, and modernity. Health, though essential to the revolutionary vision and crucial to Soviet plans for utopia, has been neglected by traditional histories caught up in Cold War debates. *The Body Soviet* recovers this significant aspect of Soviet thought by providing a cross-disciplinary, comparative history of Soviet health programs that draws upon rich sources of health care propaganda, including posters, plays, museum displays, films, and mock trials. The analysis of propaganda

makes *The Body Soviet* more than an institutional history it is also an insightful critique of the ideologies of the body fabricated by health organizations A masterpiece that will thoroughly fascinate and delight readers Starks s understanding of propaganda and hygiene in the early Soviet state is second to none She tells the stories of Soviet efforts in this field with tremendous insight and ingenuity providing a rich picture of Soviet life as it was actually lived Elizabeth Wood author of *From Baba to Comrade Gender and Politics in Revolutionary Russia*      **Observers from Abroad** Martin A.

Miller,2025-03-31 *Observers from Abroad* offers an examination of published and archival images of Soviet Russia providing a deeper understanding of the complexities and vicissitudes of its political culture The book argues that photography when accurately interpreted can be utilized as primary historical evidence that has the potential to both enhance and counter traditional verbal analysis Employing a number of images of the Soviet Union captured by gifted documentary photographers from the West who received visas to work in Moscow from the Bolshevik seizure of power in 1917 to the collapse of the USSR in 1991 the book also assesses the intentions of the photographers who acted as conscious observers capturing visual evidence under the restraining conditions of state surveillance Each chapter provides a closer look at the life and work of these photographers with a wealth of historical images and discussion Richly illustrated and engaging this volume will be ideal for students scholars and readers interested in Soviet history twentieth century history and the history of photography

**Showcasing the Great Experiment** Michael David-Fox,2012-01-12 *Showcasing the Great Experiment* provides the most far reaching account of Soviet methods of cultural diplomacy innovated to influence Western intellectuals and foreign visitors Probing the declassified records of agencies charged with crafting the international image of communism it reinterprets one of the great cross cultural and trans ideological encounters of the twentieth century      **Western Intellectuals and the**

**Soviet Union, 1920-40** Ludmila Stern,2006-10-17 Despite the appalling record of the Soviet Union on human rights questions many western intellectuals with otherwise impeccable liberal credentials were strong supporters the Soviet Union in the interwar period This book explores how this seemingly impossible situation came about Focusing in particular on the work of various official and semi official bodies including Comintern the International Association of Revolutionary Writers the All Union Society for Cultural Relations with Foreign Countries and the Foreign Commission of the Soviet Writers Union this book shows how cultural propaganda was always a high priority for the Soviet Union and how successful this cultural propaganda was in seducing so many Western thinkers      *A Theodore Dreiser Encyclopedia* Keith Newlin,2003-07-30 For a

century Theodore Dreiser has represented for many readers a rebellious modernism whose novels both critiqued the American dream and embodied a bleakly deterministic perception of life His first novel *Sister Carrie* 1900 was reluctantly published and then ignored by its publisher who thought the book immoral Another publisher withdrew his fifth novel *The Genius* 1915 rather than face prosecution on obscenity charges Dreiser did not enjoy widespread popularity and critical acclaim until his masterpiece *An American Tragedy* appeared in 1925 This reference is an authoritative guide to his life and

works Included are several hundred entries on each of Dreiser s books and short stories as well as magazine and newspaper pieces he collected during his life Noteworthy uncollected and posthumously collected works are given separate entries as are major characters in the novels family members friends and other persons important to understanding his writings There are also entries on Dreiser s publishers his major influences the places and events important to his life and the literary and social contexts of his works Expert contributors wrote each of the entries many of which cite works for further reading The volume closes with a selected bibliography of works by and about Dreiser     Theodore Dreiser Jack Salzman,1972

## **Dreiser Looks At Russia** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been evident than ever. They have the capability to inspire, provoke, and ignite change. ### **Dreiser Looks At Russia Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Dreiser Looks At Russia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Dreiser Looks At Russia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Dreiser Looks At Russia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Dreiser Looks At Russia Books**

**What is a Dreiser Looks At Russia PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Dreiser Looks At Russia PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Dreiser Looks At Russia PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Dreiser Looks At Russia PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Dreiser Looks At Russia PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers

PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
