Drug Courts In Operation Current Research:

Drug Courts in Operation James Joseph Hennessy, 2019-07-18 Examine an innovative strategy for fighting the war on drugs Drug Courts in Operation Current Research provides an in depth look at an increasingly utilized approach to rehabilitating substance abusers Drug courts offer their participants a chance to better themselves by providing support and structure to those that do not have it in their life offering substance abusers a chance to participate in rehabilitation in lieu of incarceration This insightful book examines the history of drug courts as a principal treatment alternative to incarceration outlines the risk factors of children living with drug addicted parents and introduces a program to help strengthen families The book delivers vital information on introducing programs to help prevent narcotic use by children with drug addicted parents the need for cultural and gender specific treatment plans especially in the treatment of women and African American males treatment dosage effects the importance of length of participation to outcomes focus groups designed to help drug court participants with their employment needs predictors of engagement in court mandated treatment programs how legal coercion of high risk patients via the threat of incarceration motivates participants to succeed Treating Substance Abusers in Correctional Contexts Nathaniel J. Pallone, 2003 The papers in this collection present an overview of new and emerging models for treatment of drug involved offenders They explore types of treatment that operate under the surveillance of courts and the criminal justice system from in prison programs to residential substance abuse treatment RSAT and substance abuse treatment SAT programs in the community Topics covered include outcome assessments event history analysis relapse prevention rehabilitation diversion and therapeutic justice **Drug Courts: Background, Effectiveness, and Policy Issues for Congress** Celinda Franco, 2010 *Transforming Criminal Justice?* Jane Donoghue, 2014-04-03 Why is punishment not more effective Why do we have such high re offending rates How can we deal with crime and criminals in a more cost effective way Over the last decade in particular the United Kingdom in common with other jurisdictions such as Canada the United States US and Australia has sought to develop more effective ways of responding to criminal behaviour through court reforms designed to address specific manifestations of crime Strongly influenced by developments in US court specialisation problem solving and specialist courts including domestic violence courts drugs courts community courts and mental health courts have proliferated in Britain over the last few years These courts operate at the intersection of criminal law and social policy and appear to challenge much of the traditional model of court practice In addition policy makers and practitioners have made significant attempts to try to embed problem solving approaches into the criminal justice system more widely Through examination of original data gathered from detailed interviews with judges magistrates and other key criminal justice professionals in England and Wales as well as analysis of legislative and policy interventions this book discusses the impact of the creation and development of court specialisation and problem solving justice This book will be essential reading for students and academics in the fields of criminology criminal justice criminal law socio legal studies and

sociology as well as for criminal justice practitioners and policy makers

Treating Substance Abusers in Correctional Contexts Letitia C Pallone, 2012-10-12 Get the latest information on new and emerging modalities for treating drug involved offenders *Treating Substance Abusers in Correctional Contexts: New Understandings, New Modalities* analyzes the shift in policy and attitude away from two decades of the harsh punishment that characterized the war on drugs toward a more treatment oriented medicalization of the problem Edited by Dr Nathaniel J Pallone editor of the *Journal of Offender Rehabilitation* Haworth the book presents an overview of new and emerging models for treatment of drug involved offenders in a variety of settings An international panel of authors examines the rather treat than fight approach to the war on drugs proposed by the voters of California the Governor and criminal court judges of New York and Gen Barry McCaffrey former Director of the White House Office of National Drug Control Policy *Treating Substance Abusers in Correctional Contexts* looks at treatment modalities available to offenders inside and outside correctional institutions with community organizations and mental health and social service agencies enlisted in a continuum of care as the courts and criminal justice system provide oversight and often funding The book explores types of treatment that operate under the surveillance of courts and the criminal justice system ranging from in house programs for offenders under confinement in prisons and jails to residential substance abuse treatment RSAT and substance abuse treatment SAT programs in the community Through qualitative exploratory and descriptive studies outcome assessments event history analysis and intensive interviews the book examines recovery relapse prevention rehabilitation diversion therapeutic justice and the impact of prison based substance abuse treatment programs *Treating Substance Abusers in Correctional Contexts* also examines the impact of deterrence versus rehabilitation on recidivism in the Drug Treatment Alternative to Incarceration Program DTAP in a major metropolitan area criminal violence and drug use in residential treatment facilities Residential Substance Abuse Treatment RSAT programs for young offenders the long term effectiveness of an adult drug court program illicit drug and injecting equipment markets inside English prisons and a clinical case report on children exposed in utero to crack cocaine *Treating Substance Abusers in Correctional Contexts: New Understandings, New Modalities* is must reading for graduate and undergraduate courses in criminal justice corrections offender rehabilitation and substance abuse The book is equally valuable as a primary textbook for continuing education coursework for counselors psychologists social workers corrections officers correctional administrators and policymakers

Federal Narcotics Laws and the War on Drugs Thomas C Rowe, 2013-04-15 We're losing the war on drugs but the fight isn't over yet *Federal Narcotics Laws and the War on Drugs* examines our current anti drug programs and policies explains why they have failed and presents a plan to fix them Author Thomas C Rowe who has been educating college students on recreational drug use for nearly 30 years exposes the truth about anti drug programs he believes were conceived in ignorance of the drugs themselves and motivated by racial cultural bias This powerful book advocates a shift in federal spending to move funds away from the failed elements of the war on drugs toward policies with a

more realistic chance to succeed the drug courts education and effective treatment Common myths and misconceptions about drugs have produced anti drug programs that don't work won't work and waste millions of dollars Federal Narcotics Laws and the War on Drugs looks at how and why this has happened and what can be done to correct it The book is divided into How did we get into this mess which details the history of anti narcotic legislation how drug agencies evolved and the role played by Harry Anslinger Commissioner of the United States Bureau of Narcotics from 1930 to 1962 What works and what doesn't work which looks at the failure of interdiction efforts and the negative consequences that have resulted with a particular focus on the problems of prisons balanced against the drug court system and a third section that serves as an overview of various recreational drugs considers arguments for and against drug legalization and offers suggestions for more effective methods than our current system allows Federal Narcotics Laws and the War on Drugs also examines the creation of the Federal Bureau of Narcotics current regulations and structures current federal sentencing guidelines current state of the courts and the prison system mandatory sentencing and what judges think interdiction for heroin cocaine and crack cocaine and marijuana early education efforts the DARE program drug use trends drug treatment models the debate over legalization Federal Narcotics Laws and the War on Drugs also includes several appendices of federal budget figures cocaine and heroin purity and price and federal bureau of prisons statistics This unique book is required reading for anyone concerned about the drug problem in the United States and what is and isn't being done to correct it

Rehabilitation Issues, Problems, and Prospects in Boot Camp Brent Benda, Nathaniel J. Pallone, 2013-04-03 Boot camps what are their effects on criminal behavior Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago though their efficacy remains uncertain Rehabilitation Issues Problems and Prospects in Boot Camp explores all facets of the controversial issue from the attitudes and perceptions of the public to the political motivations in maintaining them on to the latest research on the camps and their graduates Respected authorities discuss boot camps effectiveness on diverse groups according to age gender race and correctional facility Cost factors between boot camps and other correctional institutions are compared along with the latest criminal recidivism data Boot camps provide inmates with an uncomfortable paramilitary style environment with an eye toward shorter incarceration time lower costs and more positive effects on criminal behavior Does this correctional model work as anticipated Rehabilitation Issues Problems and Prospects in Boot Camp gives you the facts revealing the public and political arguments for and against boot camps as well as the research on the theoretical predictors of criminal recidivism and the differing attitudes of attendees toward the facilities according to gender and race Critical policy issues are identified and discussed in depth with particular emphasis given to the positive and negative aspects of rehabilitation possibilities of boot camps Helpful tables clearly illustrate statistics while extensive references provide opportunities for further insight Rehabilitation Issues Problems and Prospects in Boot Camp explores questions such as criminal recidivism what are the theoretical predictors what effect

does gender have on criminal recidivism what is the effect of this hypermasculine paramilitary prison environment have on males and females what are the differences between Native American and non Native American perceptions of boot camp is the perceived severity of boot camp different for gender what is the process for policymaking in creating and maintaining boot camps what role does politics play in the continuation of boot camps what corrections to boot camp facilities should be made based upon evidence and research Rehabilitation Issues Problems and Prospects in Boot Camp is a thorough examination of the social and political issues about boot camps that makes essential reading for educators students sociologists criminologists psychologists counselors and criminal justice professionals

Transcendental Meditation in Criminal Rehabilitation and Crime Prevention Charles Nathaniel Alexander, 2003 This is a collection of papers on the use of Maharishi Transcendental Meditation and TM Sidhi programs to reduce offender recidivism The papers provide a theoretical overview new original research findings and examples of practical implementation Studies covering periods of 1 to 15 years indicate that employing the Maharishi Transcendental Meditation and TM Sidhi programs may reduce recidivism by 35 to 50%

Religion, the Community, and the Rehabilitation of Criminal Offenders Thomas P O'Connor, 2013-01-11 Explore the relationship between faith based programs religion and offender rehabilitation This book reports on current research from several disciplines to help the reader understand the nature and impact of the relationship between faith based programs religion and offender rehabilitation Religion the Community and the Rehabilitation of Criminal Offenders is a unique resource there has been very little research published on this important topic President Bush's faith based initiative recognized that religion plays a role in the justice system and corrections that is overlooked but essential it increases the role of community and caring in the system in a unique and important way This pathbreaking book points the way toward a system of faith based programs that are not only effective but also economical as these programs are often staffed by volunteers Religion the Community and the Rehabilitation of Criminal Offenders addresses important questions regarding the importance and effectiveness of faith based rehabilitation programs including What is the relationship between prison religion and offender rehabilitation What motivates inmates to become involved with religious programs and activities What is the prison chaplain's role in rehabilitation Are certain religious denominations more effective than others in preventing crime delinquency and recidivism How does religious activity help inmates adjust to the prison environment What do inmates have to say about the religious programs they encounter within the system How did Islam develop within American correctional institutions and what changes has the movement gone through in recent years Why do female African American inmates tend to resist conversion to Islam while their male counterparts embrace the Muslim faith in increasing numbers How can sacred texts and social theory be utilized as teaching tools and intervention strategies in the transformation processes of men incarcerated for violent crimes A fascinating study from the Sing Sing prison and more

Strategies for Work With Involuntary Clients Ronald H. Rooney, 2009-01-28 Involuntary clients are required to see a professional such as

juveniles on probation or are pressured to seek help such as alcoholics threatened with the desertion of a spouse For close to two decades *Strategies for Work with Involuntary Clients* has led in its honest analysis of the involuntary transaction suggesting the kind of effective legal and ethical intervention that can lead to more cooperative encounters successful contracts and less burnout on both sides of the treatment relationship For this second edition Ronald H Rooney has invited experts to address recent theories and provide new information on the best practices for specific populations and settings He also adds practical examples and questions to each chapter to better facilitate the involvement of students and readers plus a section on motivational interviewing

Courts Cassia Spohn, Craig Hemmens, 2009 *Courts A Text Reader* provides the best of both worlds authored text Sections with carefully selected accompanying Readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st century The articles from leading journals in criminology and criminal justice reflect both classic studies of the criminal court system and state of the art research and often have a policy perspective that makes them more applied less theoretical and more interesting to both undergraduate and graduate students This unique Text Reader is primarily intended for undergraduate and graduate courses on the criminal court system and or judicial processes

BOOK JACKET *New Approaches to Social Problems Treatment* Stacy Lee Burns, Mark Peyrot, 2010-02-05 Examines diverse developments in the evolution of public policy institutions for remedying social problems This title includes chapters that address the transformation of social problems social problems work and social problems solutions in the context of criminal justice mental health and community institutions in contemporary society

Combating Violence and Delinquency, 1996 **Combating Violence and Delinquency** Coordinating Council on Juvenile Justice and Delinquency Prevention (U.S.), DIANE Publishing Company, 1996 An 8 point statement of objectives strategies designed to strengthen State local initiatives to reduce juvenile violence to increase the capacity of the juvenile justice system to respond to prevent delinquency Presents innovative effective strategies designed to reduce violence victimization describes how communities can generate solutions how individuals groups can prevent or reduce violence in their neighborhoods Provides important information about Federal training technical assistance grants research evaluation other resources that support these efforts Extensive bibliography

Preventing Crime and Violence Brent Teasdale, Mindy S. Bradley, 2016-11-29 This insightful volume integrates criminological theories prevention science and empirical findings to create an up to date survey of crime prevention research and strategies Its interdisciplinary perspective expands on our knowledge of risk factors to isolate the malleable mechanisms that produce criminal outcomes and can therefore be targeted for intervention In addition the text identifies developmental lifespan and social areas for effective intervention Reviews of family community and criminal justice based crime prevention approaches not only detail a wide gamut of successful techniques but also provide evidence for why they succeed And as an extra research dimension the book s chapters on methodological issues and challenges uncover rich possibilities for the next generation of crime prevention studies Included

in the coverage Integrating criminology and prevention research Social disorganization theory its history and relevance to crime prevention Research designs in crime and violence prevention Macro and micro approaches to crime prevention and intervention programs Implications of life course approaches for prevention science Promising avenues for prevention including confronting sexual victimization on college campuses Spotlighting current progress and continuing evolution of the field Preventing Crime and Violence will enhance the work of researchers practitioners academicians and policymakers in public health prevention science criminology and criminal justice as well as students interested in criminology and criminal justice

Drug Courts in Operation James J. Hennessy, 2001

Research Methods for Criminal Justice and Criminology Christine Tartaro, 2021-05-13 This book explains and illustrates criminal justice research topics including ethics in research research design causation operationalization of variables sampling methods of data collection including surveys reliance on existing data validity and reliability For each approach the book addresses the procedures and issues involved the method's strengths and drawbacks and examples of actual research using that method Every section begins with a brief summary of the research method Introductory essays set the stage for students regarding the who what when where and why of each research example and relevant discussion questions and exercises direct students to focus on the important concepts

Research Methods for Criminal Justice and Criminology A Text and Reader features interesting and relevant articles from leading journals which have been expertly edited to highlight research design issues The text offers instructors a well rounded and convenient collection that eliminates the need to sift through journals to find articles that illustrate important precepts All articles are recent and address issues relevant to the field today such as immigration and crime security post 9 11 racial profiling and selection bias in media coverage of crime Ensuring a rich array additional articles are downloadable at the Support Material tab at www.routledge.com 9780367508890 Instructors can access password protected PowerPoint slides test banks and exercises at the link under Instructor Student Resources The book encourages classroom discussion and critical thinking and is an essential tool for undergraduate and graduate research methods courses in criminal justice criminology and related fields

Women Who Perpetrate Relationship Violence Frederick Buttell, Michelle Mohr Carney, 2014-06-03 Find out what drives women to violence in their intimate relationships and how to prevent it Women Who Perpetrate Relationship Violence examines the causes and consequences of violence initiated by women against their partners This unique book fills the void of available literature on domestically violent women taking a frank look at the issues surrounding female batterers who are the primary aggressors in their intimate relationships Contributors write candidly about the similarities and differences between violent women and violent men how to develop effective interventions existing theories on the development of abusive behavior in women and society's response to violent women The counseling and psychological community has responded to the problem of domestic abuse and violence against women But very little has been done to address the issues of domestic abuse and violence committed by women Women Who Perpetrate Relationship

Violence presents innovative original research that focuses specifically on women as offenders rather than simply adapting programs created for male batterers to women. The book includes epidemiological studies, secondary analyses, personality profiles, and a study of women entering a 16-week court-mandated batterer intervention program (BIP). **Women Who Perpetrate Relationship Violence** examines predictors of intimate violence, including antisocial criminal records, alcohol abuse, and personality disorders; associations between interpersonal dependency and violence; elevated histrionic, narcissistic, and compulsive personality traits; personality disorders; lethal domestic assaults; recidivism; differences in demographic and psychological variables between women who complete treatment programs and those who drop out; and much more. **Women Who Perpetrate Relationship Violence** is an invaluable professional resource for psychologists, social workers, and counselors.

Substance Abuse Joyce H. Lowinson, 2005. The premier text on substance abuse and addictive behaviors is now in its updated and expanded Fourth Edition with up-to-the-minute insights from more than 150 experts at the front lines of patient management and research. This edition features expanded coverage of the neurobiology of abused substances, new pharmacologic therapies for addictions, and complete information on club drugs such as Ecstasy. New sections focus on addiction in children, adolescents, adults, and the elderly, and women's health issues, including pregnancy. The expanded behavioral addictions section now includes hoarding, shopping, and computer/Internet abuse. Includes access to a Companion website that has fully searchable text. **Drug Courts and the Role of Graduated Sanctions** Adele Harrell, 1998.

Drug Courts In Operation Current Research Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Drug Courts In Operation Current Research PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Drug Courts In Operation Current Research PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Drug Courts In Operation Current Research free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Drug Courts In Operation Current Research Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Drug Courts In Operation Current Research is one of the best book in our library for free trial.
