Dreams Dont Fade:

Wings by Poetic Tales Prachi Tandon, Wings by Poetic Tales is a collection of words beautifully blended together This book is all about the sufferings that life offers you and you refuse to take it as a daily doze of medicine And heal your wounds by embracing the torn scattered bleeding painful soul to survive the battle of adversities by being determined enough to be the owner of your own dreams The Best Dead Husband in the World Kathy Reichert,2006-03 Kathy Reichert and her husband

Dick have been married fifteen years Dick has been dead for three of them I became a widow just like that half of a whole alone in navigating an abyss of emotion Somehow we needed to weather this together to remain partners in life and in death This is our story of spiritual connection how we found ways to break barriers when possible and to crack the symbolic codes of communication between loving longing souls I share my story for many reasons Perhaps the more important of these is to show that ordinary people can have extraordinary spiritual experiences that this is both healthy and helpful There is a misconception that after death communication is disruptive to the grieving process I believe that each of us has an assigned team of experts on the other side You can call them angels or guides or spirit families I call them the Wise Ones They are there to help us through life Therefore they offer only those gifts that we need to aid our growth So if we spend too much time looking for signs and do not move forward with our lives they will stop This is a team effort You can t get lazy **The**

Other Voices, Other Towns Caleb Pirtle III, 2012-07-10 Other Voices Other Towns has in reality taken Caleb Pirtle III a lifetime to write During the thirty years he has been writing about travel across this great land he spent much of his time listening to those whose paths he crossed Pirtle collects people He collects their stories He is firmly convinced that everyone who has ever walked across the street has a great story to tell if only someone will take the time to listen Pirtle has recorded many of them in Other Voices Other Towns The sketches the anecdotes the tales they tell the memories they have stored their lessons of life make you feel better or make you want to cry Their stories are filled with disappointments and with inspiration The blind man who tends his beehives in the Smoky Mountains and knows that someday I'm going to where the mountains are higher and prettier and you don't get bee stung The rancher who bought a whole town because it had a beer joint and he could get a drink any time he was thirsty The woman who built a major university on the strength of a dime The grieving father searching for the best little girl in the world The vagabond who became a great writer because he flunked grammar and could not enroll in college The last man on the mountain the last survivor on an island the last woman strong enough to tame though not civilize the Okefenokee Swamp The teacher who taught history in school by singing the lessons he had written as songs The men who created Lum and Abner The scientist digging for clues to prove a space ship had crashed in the backyard of Aurora Texas The performer who rescued the abandoned remains of a crumbling theater The actor who figured out that a theater ticket was worth a mess of greens or a gallon milk during the Great Depression The old con artist and wildcatter who defied the odds and discovered a great oilfield The politician who had one cause passed it in the legislature and went home because there were no other bills that concerned him The fishermen who stumbled across pearls in a landlocked lake The girl singer who rode in a small RV behind the star until she became the star The sad journey down the trail of broken promises And the greatest worm fiddler of them all For Pirtle other voices in other towns have all been joined together to form the traveler's story

magical essence to heal again to dream again One thing certain in life is changes the truth is everything has a beginning and an end like chapters from a book nothing is permanent Then why do we so often dwell on little moments that leave us in despair I think it s the passion and situational connections that we build time to time the un understandable disconnection of them leaves a tremor within It can be helpful to reflect on the internal shifts you re facing Take a deep breath and release trauma from the memory chamber to take that first step to move toward your healing journey That smile and the dreaming self deserves a comeback Don t let the voices dull down turn them into a fire that will ignite within you to do right to choose right and to stay humble kind and mindful of those you are to interact with Treat the break of dawn where the sun rises as a moment of infinite opportunities for you to renew yourself once again Moonfalls will be the marking of new beginnings Breathe again in ease As there are no the ends Just many more new beginnings *Original Songs and Poetry* Sandra J.
