Drew Pearson An Unauthorized Biography

Richard A. Schwarzlose

Drew Pearson An Unauthorized Biography:

Drew Pearson Oliver Pilat,1973 The Columnist Donald A. Ritchie,2021 Long before Wikileaks and social media the journalist Drew Pearson exposed to public view information that public officials tried not to reveal A self professed keyhole peeper Pearson devoted himself to determining what politicians were doing behind closed doors From 1932 to 1969 his daily Washington Merry Go Round column and weekly radio and TV commentary broke secrets revealed classified information and passed along rumors based on sources high and low in the federal government Intelligence agents searched fruitlessly for his sources yet rarely learned them Drawing on Pearson s extensive correspondence diaries and oral histories The Columnist reveals the mystery behind Pearson s leaks and the accuracy of his most controversial revelations **Murder from Within** Fred T. Newcomb,Perry Adams,2011-11 Written in 1974 *Murder From Within* was the first book on the Kennedy assassination to document accurately and in detail how and why President Kennedy was killed Unlike other conspiracy books there is no conjecture or uncertainty as to what happened on Nov 22 1963 Documented facts and eyewitness accounts from public records and the authors own private interviews draw a clear picture of the events on that fateful day Because of the names named and who they were *Murder from Within* was never published beyond the 100 copies originally printed Dust jacket *A Treasure Chest of Hidden History* Rusty Glover,2013-09-16 As a high school history teacher for the past 25 years I have collected and read hundreds of books pertaining to my subjects taught On the completion of each book I would carefully take notes on the most interesting events quotes or interpretations that I felt would enhance instruction for my students After filling numerous notepads of information on over 800 books I contemplated a project of sharing my most interesting findings The result of this twenty plus year project is this book This book is divided into 16 chapters based on the various topics presented Some chapters contain a small amount of entries such as Nicknames Espionage or Labor while chapters on the Presidents or quotes will fill over thirty pages The first chapter puts emphasis on the role my home state of Alabama has played on the national scene One chapter is entitled Miscellaneous Odds and Ends due to the subject matter not fitting into any other classification Reporting from Washington Donald A. Ritchie,2005-03-15 Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists and investigative reporters as well as the pioneers of radio television cable television and internet news We also learn about the efforts of female and black reporters to break into what had long been a bastion of white maleness the press corps From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news *Reporting from Washington* offers an unforgettable portrait of these figures as well as of the dramatic changes in American journalism in the twentieth century *Harry S. Truman and the News Media* Franklin D. Mitchell,1998 Based upon extensive research in the papers of President Harry S Truman and in several journalistic collections *Harry S Truman and the News Media* recounts the story of a once unpopular

chief executive who overcame the censure of the news media to ultimately win both the public's and the press's affirmation of his personal and presidential greatness Franklin D. Mitchell traces the major contours of journalism during the lifetime and presidency of Truman. Although newspapers and newsmagazines are given the most emphasis, reporters and columnists of the Washington news corps also figure prominently for their role in the president's news conferences and their continuing coverage of Truman and his family. Broadcast journalism's expanding coverage of the president is also explored through chapters dealing with radio and television. President Truman's advocacy of a liberal Fair Deal for all Americans and a prudent and visible role for the nation in world affairs drew fire from the anti-administration news media, particularly the publishing empire of William Randolph Hearst, the McCormick-Patterson newspapers, the Scripps-Howard chain, and the Time-Life newsmagazines of Henry R. Luce. Despite press opposition and the almost universal prediction of defeat in the 1948 election, Truman was victorious in the greatest miscalculated presidential election in journalistic history. During his full term, Truman's relations with the news media became contentious over such matters as national security in the Cold War, the conduct of the Korean War, and the continuing charges of communism and corruption in the administration. Although Truman's career in politics was based on honesty and the welfare of the people, his early political alliance with Thomas Pendergast, Kansas City's notorious political boss, provided the opportunity for a portion of the press to charge Truman with subservience to Pendergast's own agenda of corrupt government. The history and the dynamics of the Truman presidency and the American news media, combined with biographical and institutional sketches of key individuals and news organizations, make *Harry S. Truman and the News Media* a captivating and original investigation of an American president. Well written and researched, this book will be of great value to Truman scholars, journalists, and anyone interested in American history or presidential studies. The Papers of Will Rogers: The final years, August 1928-August 1935 Will Rogers, 2006-10-31 This fifth and final volume of *The Papers of Will Rogers* traces the career of Oklahoma's beloved entertainer during his most popular years and extends beyond his death in 1935. By 1928 the Oklahoma humorist and commentator had reached national prominence through his newspaper columns, silent films, sound recordings, books, philanthropic endeavors, and lecture tours. His fame, fortune, and influence, however, had yet to crest. This volume showcases a wide variety of documents, including correspondence with some of the most significant figures of the day, revealing Rogers's rise to fame as the nation's leading social and political commentator and as a hugely popular star of radio, stage, and film. Rogers's multifaceted career ended abruptly when he and the famous aviator Wiley Post died in an airplane crash in northernmost Alaska. This documentary history of his final years includes transcripts of radio broadcasts, contracts, and business documents, as well as nearly two hundred telegrams and letters to family, friends, and notable public figures, the majority of which have never before been published. It also covers the aftermath of his fatal airplane accident, the certificate of death, a first-person account of his funeral, settlement of his estate, efforts to pay tribute to his memory, and unauthorized attempts to capitalize on his fame. *Secrets of Victory* Michael S.

Sweeney,2003-01-14 During World War II the civilian Office of Censorship supervised a huge and surprisingly successful program of news management the voluntary self censorship of the American press In January 1942 censorship codebooks were distributed to all American newspapers magazines and radio stations with the request that journalists adhere to the guidelines within Remarkably over the course of the war no print journalist and only one radio journalist ever deliberately violated the censorship code after having been made aware of it and understanding its intent Secrets of Victory examines the World War II censorship program and analyzes the reasons for its success Using archival sources including the Office of Censorship s own records Michael Sweeney traces the development of news media censorship from a pressing necessity after the attack on Pearl Harbor to the centralized yet efficient bureaucracy that persuaded thousands of journalists to censor themselves for the sake of national security At the heart of this often dramatic story is the Office of Censorship s director Byron Price A former reporter himself Price relied on cooperation with rather than coercion of American journalists in his fight to safeguard the nation s secrets

Righteous Pilgrim: The Life and Times of Harold L. Ickes, 1874-1952 T. H. Watkins,2019-08-15 Born in rural western Pennsylvania Harold LeClair Ickes 1874 1952 son of a gambler womanizer drunk father and of a strictly reared Presbyterian mother grew up desperately poor and desperately ambitious He became a Chicago newsman during its gilded era a key figure in the Progressive Party and in FDR s cabinet became America s longest serving and most influential Interior Secretary As Interior Secretary he helped change the face of America forging that department into the most powerful tool for the protection of our lands He was also a major force in reshaping the character and quality of American society often seeming to speak ex cathedra as the conscience of FDR s administration Opinionated vigorously outspoken as impassioned defending minorities as defending our wild places Ickes who happily styled himself the Old Curmudgeon was arguably the most controversial and most beloved figure in the New Deal When Ickes wrote his first column in the New Republic the editors of the magazine introduced him on May 2 1949 as old enough to be called an Elder Statesman but he is too salty for that label He himself has cheerfully accepted the epithet of Curmudgeon which likewise is insufficient to his case A more accurate description would be that he is America s most venerable progressive and one of the stoutest fighters at any age for justice and good government Righteous Pilgrim was a non fiction National Book Award finalist in 1990 and received the Los Angeles Times Book Prize for biography in 1991 and was a finalist for the National Book Critics Circle Award an outstanding biography that is also a major work of social history spanning the first half of the 20th century Ickes was a courageous public servant who in Righteous Pilgrim receives long overdue recognition Herbert Mitgang The New York Times highly successful Written in a delightful conversational style that disguises the impressive scholarly research that went into its preparation this is an appreciative biography of a man who was so temperamental thin skinned and bluntly outspoken that he acknowledged these traits himself This thoughtful readable and yet gripping book is so persuasive it may well force a more positive reassessment of the New Deal Righteous Pilgrim is likely to be one of the most

significant histories of the Progressive and New Deal reform impulse to appear in a decade Howard R Lamar Washington Post an elegant and exhaustive new biography of Ickes Using primary sources such as the diary Ickes religiously maintained through most of his life with great sensitivity Watkins provides an astonishingly intimate portrait of a public man Watkins editor of The Wilderness Society magazine Wilderness is a wonderfully skillful writer As Watkins powerfully demonstrates in this rewarding and illuminating work Ickes had no shortage of ego but his real fuel was conviction burning at an octane hardly ever seen in Washington any more Ronald Brownstein Los Angeles Times an engaging monumental biography Publishers Weekly Researched with amazing thoroughness and organized with a sure hand this will undoubtedly prove to be the definitive work on Harold L Ickes Watkins portrays the currents of political maneuvering that swirled and eddied about Ickes with admirable clarity A complex fascinating and convincing portrait Kirkus Reviews a worthy well written biography Clayton R Koppes Reviews in American History Harold Ickes was one of the most interesting political figures of the first half of the twentieth century and T H Watkins vividly sets forth both the complexities of his personality and personal life and the remarkable scope of his achievements Frank Freidel A superbly written story of the preeminent Progressive of this century I couldn't put it down Stewart L Udall Righteous Pilgrim is one of those rare and wonderful biographies that are at once incisive portraiture and important social history Wallace Stegner Harold Ickes stomps across the pages of T H Watkins's biography as one of the most arresting and essential figures of the American twentieth century Frederick Turner At last a biography worthy of its extraordinary subject vivid impassioned larger than life Geoffrey C Ward Encyclopedia of Radio 3-Volume Set Christopher H. Sterling, 2004-03 Produced in association with the Museum of Broadcast Communications in Chicago the Encyclopedia of Radio includes more than 600 entries covering major countries and regions of the world as well as specific programs and people networks and organizations regulation and policies audience research and radio's technology This encyclopedic work will be the first broadly conceived reference source on a medium that is now nearly eighty years old with essays that provide essential information on the subject as well as comment on the significance of the particular person organization or topic being examined **Newspapers** Richard A. Schwarzlose, 1987-11-13 This is an extensive bibliographic essay on the history practice and impact of newspapers on American society Organized into nine chapters the book analyzes more than 1 700 books and journals for their value in newspaper research Especially useful to librarians is the chapter that describes reference sources including online services covering newspapers published in the United States and available in most university libraries Each chapter consists of a comparative review essay followed by a bibliography of the sources mentioned Two appendices provide a selected chronology of newspapers and a guide to major newspaper research collections ISBN 0 313 23613 5 55 00 For use only in the library David McCullough Library E-book Box Set David McCullough, 2011-05-24 Perfect for David McCullough fans and history lovers alike this ebook boxed set features all of his bestselling titles from 1776 to Mornings on Horseback This ebook box set includes all of David McCullough

s bestselling titles 1776 is the riveting story of George Washington the men who marched with him and their British foes in the momentous year of American independence Brave Companions contains profiles of the exceptional men and women who shaped history among them Alexander von Humboldt Harriet Beecher Stowe and Charles and Anne Lindbergh The Great Bridge is the remarkable enthralling story of the planning and construction of the Brooklyn Bridge which linked two great cities and epitomized American optimism skill and determination John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation s founders and most important figures who became our second president The Johnstown Flood is the classic history of an American tragedy that became a scandal in the age of the Robber Barons the preventable flood that destroyed a town and killed 2 000 people Mornings on Horseback is the brilliant National Book Award winning biography of young Theodore Roosevelt s metamorphosis from sickly child to a vigorous intense man poised to become a national hero and then president Path Between the Seas is the epic National Book Award winning history of the heroic successes tragic failures and astonishing engineering and medical feats that made the Panama Canal possible Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea A special bonus is included The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages

Hughes Richard Hack,2002-09-01 Howard Hughes 1905 1976 was a true American original legendary lover record setting aviator idiosyncratic film producer talented inventor ultimate eccentric and for much of his lifetime the richest man in the United States His desire for privacy was so fierce and his isolation so complete that even several decades after his death inaccurate stories continue to circulate about him Richard Hack explodes the illusion of Hughes life and exposes the man behind the myth a playboy whose sexual exploits with Hollywood stars were legendary an entrepreneur without ethics an explorer without maps and ultimately an eccentric trapped by his own insanity Drawing on secreted letters declassified FBI files autopsy reports more than 110 000 pages of court testimony and exclusive interviews Hack reveals a man so devious in his thinking and so perverse in his desires that his impact continues to be felt even today From entertainment to politics aviation to espionage the influence and manipulation of Howard Hughes has left an indelible and unique mark on the American cultural landscape The Eisenhower Years Michael S. Mayer,2009 The 34th U S president to hold office Dwight D Eisenhower won America over with his irresistible I like Ike slogan Bringing to the presidency his prestige as a commanding general during World War II he worked incessantly during his two terms to ease the tensions of the cold war Pursuing the moderate policies of Modern Republicanism he left a legacy of a stronger and more powerful nation From his crucial role in support of Brown v Board of Education to the National Defense Education Act The Eisenhower Years provides

a well balanced study of these politically charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration *Little Helpers* John Robert Greene,2024-11-18 In *Little Helpers* historian John Robert Greene encourages us to rethink the scandals of Harry Truman s presidency by providing the first political biography of the man who precipitated them Gen Harry H Vaughan As the former president s close friend and military aide Vaughan brought a number of disreputable figures into the White House in addition to committing plenty of misconduct on his own Although aware of Vaughan s misdeeds Truman remained unwilling to rid his administration of him and his hangers on Vaughan s scandals have largely gone overlooked by historians a tendency that *Little Helpers* corrects Greene begins with the story of how Truman and Vaughan met during World War I then examines Vaughan s support for Truman for the Senate and later as President The majority of the book however considers the various cronies that surrounded Vaughan and illustrates the significance of his relationship with Truman and the president s inability to rein him in Drawing from primary and archival sources many never before published *Little Helpers* is further distinguished by its use of the correspondence between Vaughan and Truman Greene also provides a dramatic narrative account of the inner workings of the Truman administration making the book accessible to the general reader as well as the specialist

Sound Business Michael Stamm,2011-05-03 American newspapers have faced competition from new media for over ninety years Today digital media challenge the printed word In the 1920s broadcast radio was the threatening upstart At the time newspaper publishers of all sizes turned threat into opportunity by establishing their own stations Many such as the Chicago Tribune s WGN are still in operation By 1940 newspapers owned 30 percent of America s radio stations This new type of enterprise the multimedia corporation troubled those who feared its power to control the flow of news and information In *Sound Business* historian Michael Stamm traces how these corporations and their critics reshaped the ways Americans received the news Stamm is attuned to a neglected aspect of U S media history the role newspaper owners played in communications from the dawn of radio to the rise of television Drawing on a wide array of primary sources he recounts the controversies surrounding joint newspaper and radio operations These companies capitalized on synergies between print and broadcast production As their advertising revenue grew so did concern over their concentrated influence Federal policymakers especially during the New Deal responded to widespread concerns about the consequences of media consolidation by seeking to limit and even ban cross ownership The debates between corporations policymakers and critics over how to regulate these new kinds of media businesses ultimately structured the channels of information distribution in the United States and determined who would control the institutions undergirding American society and politics *Sound Business* is a timely examination of the connections between media ownership content and distribution one that both expands

our understanding of mid twentieth century America and offers lessons for the digital age **Truman** David McCullough,2003-08-20 The Pulitzer Prize winning biography of Harry S Truman whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War told by America's beloved and distinguished historian The life of Harry S Truman is one of the greatest of American stories filled with vivid characters Roosevelt Churchill Stalin Eleanor Roosevelt Bess Wallace Truman George Marshall Joe McCarthy and Dean Acheson and dramatic events In this riveting biography acclaimed historian David McCullough not only captures the man a more complex informed and determined man than ever before imagined but also the turbulent times in which he rose boldly to meet unprecedented challenges The last president to serve as a living link between the nineteenth and the twentieth centuries Truman's story spans the raw world of the Missouri frontier World War I the powerful Pendergast machine of Kansas City the legendary Whistle Stop Campaign of 1948 and the decisions to drop the atomic bomb confront Stalin at Potsdam send troops to Korea and fire General MacArthur Drawing on newly discovered archival material and extensive interviews with Truman's own family friends and Washington colleagues McCullough tells the deeply moving story of the seemingly ordinary man from Missouri who was perhaps the most courageous president in our history **Indomitable Will** Charles Kupfer,2012-04-05 Some of the worst military disasters in U S history occurred between Pearl Harbor on December 7 1941 and the Battle of Midway in June 1942 During this period the American people faced a barrage of bad news and accounts of defeats and retreats Yet if they were shocked and dismayed they showed little panic Indomitable Will resurrects the legacy of this first half year of American combat during WWII a legacy of pain but not of woe Historian Charles Kupfer recounts the story of the war's early defeats Bataan Corregidor Wake Island and the Java Sea Some of these battles remain evocative today others are obscure all were catastrophes for American arms Kupfer asserts however that later victories were made inevitable by the steeling effect of those initial disasters Weaving together military journalistic political and cultural histories this engaging book shows that by setting their collective will on victory Americans in and out of uniform gained strength from their setbacks Indomitable Will spells out how the nation turned early defeat into ultimate victory **David McCullough**

American History E-book Box Set David McCullough,2011-05-24 A special ebook boxed set from Pulitzer Prize winning author David McCullough featuring four books on American history This ebook box set includes the following American History themed books by David McCullough John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation's founders and most important figures who became our second president 1776 is the riveting story of George Washington the men who marched with him and their British foes in the momentous year of American independence Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea This set also contains a special bonus The Course of Human Events In this Jefferson Lecture in

the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages

Nixon's Shadow David Greenberg, 2017-07-03 How an image obsessed president transformed the way we think about politics and politicians To his conservative supporters in 1940s southern California Richard Nixon was a populist everyman to liberal intellectuals of the 1950s he was Tricky Dick a devious manipulator to 1960s radicals a shadowy conspirator to the Washington press corps a pioneering spin doctor to his loyal Middle Americans a victim of liberal hatred to recent historians an unlikely liberal Nixon's Shadow rediscovers these competing images of the protean Nixon showing how each was created and disseminated in American culture and how Nixon's tinkering with his own image often backfired During Nixon's long tenure on the national stage and through the succession of new Nixons so brilliantly described here Americans came to realize how thoroughly politics relies on manipulation Since Nixon it has become impossible to discuss politics without asking What is the politician's real character How authentic or inauthentic is he What image is he trying to project More than what Nixon did this fascinating book reveals what Nixon meant
