Drug-proof Your Kids Stephen Arterburn, Jim Burns, 1989 **From Sin to Disease** Jonathan K. Okinaga, 2022-09-23

Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling *The Big Book of AA* and the introduction of the 12 Steps AA's influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue Safe Kids Vivian Kramer Fancher, 1991-09-03 With immunization against major childhood diseases widely available parental concerns in the nineties are focused on safety issues A handbook and working reference for parents of children from birth through high school Using positive guidelines rather than a list of do's and don'ts the book will help you provide your child with a sense of security and the ability to act and react in challenging situations Topics covered include school street transportation recreation and medical safety spending time at home alone sexual abuse and more Parents and children will learn how to handle the hazards of today's complex world *The Parent's Desk Reference* Irene M. Franck, David M. Brownstone, 1991 An encyclopedia about parenting with over 2 000 entries covering all aspects of child rearing from A to Z *Healing for the City* Craig Ellison, Edward S. Maynard, 2002-06-03 Healing for the City is a book for counseling urban dwellers in need whether they be inside or outside the church It focuses on the brokenness and typical problems of urban dwellers without assuming that all who live in the city suffer from serious dysfunctions This book was written to offer guidance to those who counsel in an urban setting to provide a response to the emotional relational and spiritual distress that one often encounters in the city The three parts of the book treat the distinctive elements of the urban context specific concerns of ethnic groups Asian Black Hispanic and approaches to particular pressing problems such as addictive behaviors divorce recovery single parenting sexual abuse etc Healing for the City was written for pastors social workers counselors professionals and paraprofessionals and other Christians in positions of leadership and spiritual direction How to Talk to Your Kids about Drugs Stephen Arterburn, Jim Burns, 2007 All parents want to believe their children will not experiment with drugs and alcohol Unfortunately that is not realistic The authors provide the knowledge and tools parents need to help their kids stay or become drug free Includes a helpful study guide for personal use and group discussion Drug-proof your kids : a prevention guide and an intervention
