Dryden A Collection Of Critical Essays

Jonathan Goldberg

Dryden A Collection Of Critical Essays:

Dryden Bernard Schilling, Bertie Lee Browning, 1963* *Dryden, a Collection of Critical Essays*, 1963 *Dryden A Collection Of Critical Essays* Dryden/Dryden, 1963 Dryden : a collection of critical essays Bernard Nicholas Schilling, 1963

John Dryden Bernard N. Schilling, 1963 Dryden. A Collection of Critical Essays. Edited by B.N. Schilling Bernard Nicholas Schilling, 1963 **Gender, Theatre, and the Origins of Criticism** Marcie Frank, 2002-11-28 In *Gender Theatre and the Origins of Criticism* Marcie Frank explores the theoretical and literary legacy of John Dryden to a number of prominent women writers of the time Frank examines the pre eminence of gender sexuality and the theatre in Dryden s critical texts that are predominantly rewritings of the work of his own literary precursors Ben Jonson Shakespeare and Milton She proposes that Dryden develops a native literary tradition that is passed on as an inheritance to his heirs Aphra Behn Catharine Trotter and Delarivier Manley as well as their male contemporaries Frank describes the development of criticism in the transition from a court sponsored theatrical culture to one oriented toward a consuming public with very different attitudes to gender and sexuality This study also sets out to trace the historical origins of certain aspects of current criticism the practices of paraphrase critical self consciousness and performativity Critical Essays on John Dryden James Anderson Winn, 1997 The full range of literary traditions comes to life in the Twayne Critical Essays Series Volume editors have carefully selected critical essays that represent the full spectrum of controversies trends and methodologies relating to each author s work Essays include writings from the author s native country and abroad with interpretations from the time they were writing through the present day Each volume includes An introduction providing the reader with a lucid overview of criticism from its beginnings illuminating controversies evaluating approaches and sorting out the schools of thought The most influential reviews and the best reprinted scholarly essays A section devoted exclusively to reviews and reactions by the subject s contemporaries Original essays new translations and revisions commissioned especially for the series Previously unpublished materials such as interviews lost letters and manuscript fragments A bibliography of the subject s writings and interviews A name and subject index **John Dryden** David J. Latt, Samuel Holt Monk, 1976-04-12 John Dryden was first published in 1976 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This annotated bibliography represents a comprehensive updating of Samuel Holt Monk s earlier work also published by the University of Minnesota Press John Dryden A List of Critical Studies Published from 1895 to 1948 out of print Since the publication of that earlier bibliography the number of studies devoted to Dryden has more than tripled and thus this new bibliography is essential for scholars of Dryden or related aspects of seventeenth and eighteenth century English literature This volume contains four times as many entries as the earlier volume and there is an extensive introduction by Professor Latt which surveys the historical shifts in critical opinion of Dryden The new volume incorporates all of the listings contained in the first one The entries include works

that focus directly on Dryden those that discuss Dryden's works in the context of other writers and those that investigate material of general importance to Dryden studies Dissertations from American German English and French universities are included Complete bibliographic information is provided for virtually every entry The listings are grouped in nine categories and there is an additional section which covers *Festschriften* and other collections of essays Works of exceptional value and those which develop new points of view are so designated The publishing history of each item is included along with the standard bibliographic information The index includes topical as well as author entries *The Cambridge Companion to John Dryden* Steven N. Zwicker, 2004-05-20 John Dryden Poet Laureate to Charles II and James II was one of the great literary figures of the late seventeenth century This Companion provides a fresh look at Dryden's tactics and triumphs in negotiating the extraordinary political and cultural revolutions of his time The newly commissioned essays introduce readers to the full range of his work as a poet as a writer of innovative plays and operas as a purveyor of contemporary notions of empire and most of all as a man intimate with the opportunities of aristocratic patronage as well as the emerging market for literary gossip slander and polemic Dryden's works are examined in the context of seventeenth century politics publishing and ideas of authorship A valuable resource for students and scholars the Companion includes a full chronology of Dryden's life and times and a detailed guide to further reading Otherworldly John Dryden Jack M. Armistead, 2016-05-13

Reminding readers of John Dryden's persistent use of occult rhetoric Jack M Armistead argues that Dryden's otherworldliness involves more than Christian apologetics biblical typology or intermittent borrowings from the supernatural materials in classical literature Rather it manifests throughout his career in occult materials drawn from many traditions including but going well beyond the standard classical and Christian ones As Armistead shows Dryden's practice of juxtaposing pre and post scientific treatments of such occult topics as alchemy astrology and demonology pervades many of his poems and plays In its engagement with works such as *The Indian Queen* *Annus Mirabilis* *All for Love* and *Absalom and Achitophel* among many others *Otherworldly John Dryden* not only enhances our understanding of Dryden's works but also tracks the writer's attitudes about Providence and the ability of the poet to perceive a hidden design in earthly events

Dryden William Myers, 2025-04-01 Originally published in 1973 this is foremost a study of Dryden as a writer but the author maintains his ideas cannot be separated from his art Dryden's concern with familiar 17th Century problems the inadequacy of royalist theory in the face of power politics the rise of philosophical materialism make him almost as important to the historian as to the student of English Literature William Myers overall picture of Dryden's works ranges chronologically from the Restoration to the Glorious Revolution Each play or poem is judged in its own right and as part of a strikingly honest literary life Particular emphasis is given to the writings following *The Hind and the Panther* Then at last Dryden was able to unite his total mastery of prose and verse both with a fully developed sense of what had happened to English society and with his own unyielding commitment to a traditional political philosophy and a traditional theology

Studies in Literary Criticism Mohit K. Ray, 2001 The Twenty Five Critical Studies In The Book Which Cover A Wide Spectrum Of Subjects Authors Titles And Concepts Across Time And Space May Be Broadly Classified Into Four Categories Essays On I Critical Theory Ii On Individual Authors Iii In Comparative Literature And Iv On Language In Addition To A Culture Study Focussed On The Present Day American Scenario The Essays Which Encompass The Vast Areas Of Knowledge From Plato To Derrida From Bharata And Anandavardhana To Bankim Tagore And Contemporary Indian Literary Criticism As Well As British French German American And Indian Authors Are Yet Remarkable For Profundity Of Thought Originality Of Approach And Lucidity Of Expression These Highly Perceptive Explorations Into The Western And The Indian Intellectual Traditions Offer A Rich Aesthetic Experience And While Scholars Will Immensely Benefit From The Book The General Readers Will Also Find It Highly Interesting And Enjoyable

Queering the Renaissance Jonathan Goldberg, 1994 This book redraws the map of sexuality and gender studies in the Renaissance moving beyond limiting notions of identity politics by historically locating forms of same sex desire that are not organized in terms of modern definitions of homosexual and heterosexual

Study Guide to The Poetry of John Dryden Intelligent Education, 2020-06-28 A comprehensive study guide offering in depth explanation essay and test prep for selected works by John Dryden England s first Poet Laureate in 1668 Titles in this study guide include Annus Mirabilis Upon The Death Of Lord Hastings Absalom And Achitophel The Medal Religio Laici The Hind And The Panther To Anne Killigrew A Song For St Cecilia s Day Alexander s Feast The Wild Gallant The Rival Ladies and The Indian Queen As a poet and playwright of seventeenth century England his work dominated The Restoration period Moreover he is most famous for his satirical pieces that focused on politics and British society This Bright Notes Study Guide explores the context and history of John Dryden s classic work helping students to thoroughly explore the reasons they have stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research

Research in Education , 1974

Resources in Education , 1974 **Literary Essays on Explicable Splendours** Ethan Lewis, 2019-10-29 A literary critic aspires to eloquence though makes no pretense to mirror the sublimity of the monuments inspiring his endeavors Poets express their wonder through works of art Critics articulate their homage via analysis of art s workings Hence these essays and lectures addressed to the quizzical though not of necessity scholarly reader explore Shakespeare and noted re envisioners of the Bard four modern novels that interrogate identity and underappreciated works and writers They conclude with a series of pensees thinkings that in the course of glossing nuances reflect upon the interpretative craft itself

The 17th and 18th Centuries Frank N. Magill, 2013-09-13 Each volume of the Dictionary of World Biography contains 250

entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **Johnson, Writing, and Memory**

Greg Clingham, 2002-09-05 This study demonstrates the importance of memory in Samuel Johnson's work Greg Clingham argues that this concept of memory is derived from the process of historical and creative writing it is embodied in works of literature and other cultural forms He examines Johnson's writing including his biographical writing as it intersects with eighteenth century thought on literature history fiction and law and its subsequent compatibility with and resistance to modern theory
