A Prescription For Healthy Churches Help For Disintegrating Churches And Directionless Pastors:

DEVELOPING HEALTHY CHURCHES Kieran Beville,2014-12-10 In an age obsessed with physical and psychological health the author emphasizes the importance of spiritual well being as an essential element of holistic health for the individual Christian and for Christian communities This work constitutes a template for a spiritual audit of the local church It offers an appointment with the Great Physician that no Christian can afford to ignore *Developing Healthy Churches A Case Study in Revelation* begins with a well researched outline of the origins and development of the church health movement With that background in mind the author aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted presents the reader with four distinct interpretive models These are the idealist preterist historicist and futurist Beville explains these interpretive approaches simply and critiques them fairly Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor However this easy to read work will take readers to the heart of the matter by taking them to the heart of Jesus The historical and cultural background provides fascinating insights to the meaning of Christ s words to those churches then and to all churches now The author elicits essential application for the church today He presents timeless and timely truths in a fresh and forthright manner The reader is informed about issues of particular historical significance in a way that has contemporary resonance Here is a work that cautions about complacency confronts compromise and challenges the carnality of Christians in contemporary culture Beville tells us not only what Jesus desires from his disciples but also what He demands Thus this work presents uncomfortable truth for comfortable churches because it allows the voice of Jesus to be heard with clarity amongst the clamor of church activity Christians who want to restore their vision and vigor will find this book immensely profitable

EVANGELISM DISCIPLESHIP Benjamin Cocar,2014-12-27 After the apostle Paul had done some tent making in Corinth with Aquila and Priscilla Luke tells us at Acts 18 5 when Silas and Timothy came down from Macedonia Paul began devoting himself completely to the word solemnly testifying to the Jews that Jesus was the Christ We note Paul began devoting himself completely Why more so than before Verses 9 and 10 go on to say the Lord said to Paul in the night by a vision Do not be afraid any longer but go on speaking and do not be silent for I am with you and no man will attack you in order to harm you for I have many people in this city We too have similar reasons for devoting ourselves more completely to the Word of God Yes unquestionably God has many people in all the cities throughout the world including our community These ones need to be discovered and taught everything Jesus commanded The wait for Jesus second coming will not last forever so we need to be awakened to our responsibility of proclaiming biblical truths teaching and making disciples of those who have a receptive heart
