Hyper-Calvinist Universal Salvation Jeff Grupp,2024-05-30 There are still big theological discoveries to be found when digging into Scripture Hyper Calvinist Universal Salvation unearths a few of them most notably a previously undiscovered theology in Scripture where the mysterious entity referred to in the book of Revelation as the Lake of Fire is found to be another name for GOD who according to Scripture will save all condemned and unchosen human souls that were ever created at the Eschaton end of the world when he will immolate them in the core of his Consuming Fire Lake of Fire to save them by Fire 1 Cor 3 15 This theology and this understanding of the Eschaton free from any of the so called Bible contradictions such as a GOD of infinite love torturing people in hell in infinite cruelty forever to name one unveils an elegant Hyper Calvinistic systematic theology lurking throughout Scripture especially in the copious and often passed over prophecy passages that glut the Bible where the unchosen condemned have their condemnation reversed by the GOD of infinite love at the Eschaton
