The Four Horses of the Apocalypse Benjamin Dock Jr.,2022-08-01 The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound The scriptures pertaining to the first three and a half years of seven week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand Consequently the same vision of John s revelation are written plainly and simple rolling up all of Daniel s entities into two basic ones One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast Secondly the beast out of the land is the false prophet sent for the destruction of Israel The scarlet woman is Jerusalem or Babylon That is pretty much it made simple so any one reading should comprehend the book Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book As well those who miss the catching away of the bride of Christ will need the information written in God s word Not much mention of this by modern ministers You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the everlasting gospel Jesus teaches in Mathew 25 3146 Evidently with so many failures of souls saved during the first half God sends an angel close to the first half ending of tribulation to announce the everlasting gospel Many people have hoarded food and other supplies but are only concerned

with themselves It must have been that many people were unaware of this sheep and goat judgment in force Those who will not share with folks in need are goats and will be cast out of the kingdom You survived the 666 mark and the beast worship but failed to share God help you *HENRY JAMES Ultimate Collection: 22 Novels, 112 Short Stories, 12 Plays, 6 Travel Books, 100+ Essays, 3 Autobiographies & 3 Biographies (Illustrated)* Henry James, 2018-03-28 This meticulously edited collection includes Henry James complete novels and short stories as well as critical essays plays travel sketches and reports of the great author The life of Henry James is revealed in different biographies and in his three autobiographical books Content Novels Watch and Ward Roderick Hudson The American The Europeans Confidence Washington Square The Portrait of a Lady The Bostonians The Princess Casamassima The Reverberator The Tragic Muse The Other House The Spoils of Poynton What Maisie Knew The Awkward Age The Sacred Fount The Wings of the Dove The Ambassadors The Golden Bowl The Outcry The Ivory Tower The Sense of the Past Short Stories A Passionate Pilgrim The Last of the Valerii Eugene Pickering The Madonna of the Future The Romance of Certain Old Clothes Madame de Mauves Tales of Three Cities The Impressions of a Cousin Lady Barberina A New England Winter Stories Revived The Author of Beltraffio Pandora The Path of Duty A Light Man A Day of Days Georgina s Reasons A Landscape Painter Th odolinde Rose Agathe Poor Richard Master Eustace A Most Extraordinary Case A London Life The Patagonia The Liar Mrs Temperly The Real Thing Sir Dominick Ferrand Nona Vincent The Chaperon Greville Fane The Siege of London An International Episode The Pension Beaurepas A Bundle of Letters The Point of View Terminations Embarrassments The Two Magics The Soft Side The Finer Grain Other Stories Plays Daisy Miller Pyramus and Thisbe Still Waters A Change of Heart The Album Disengaged Tenants The Reprobate Guy Domville The Outcry The High Bid Summersoft Travel Writings A Little Tour in France English Hours Italian Hours The American Scene Transatlantic Sketches Portraits of Places Literary Essays Notes on Novelists Views and Reviews Within the Rim and Other Essays French Poets and Novelists Partial Portraits Essays in London and Elsewhere Notes and Reviews Picture and Text Biographies Hawthorne William Wetmore Story and His Friends Rupert Brooke Autobiographies A Small Boy and Others Notes of a Son and Brother The Middle Years
