## The Painful Dilemma

Rosemary Romberg

2nd Edition

*"The definitive book on circumcision, meriting the subtitle  
"Everything you wanted to know about  
circumcision and were afraid to ask.""*

*Robert S. Mendelsohn, M.D., Author:  
Confessions of a Medical Heretic*

# Circumcision The Painful Dilemma

**George C. Denniston, Frederick  
Mansfield Hodges, Marilyn Fayre Milos**

## **Circumcision The Painful Dilemma:**

**Circumcision** Rosemary Romberg, 2021-03-27 Features a collection of articles about circumcision compiled by Vernon Quiantance Provides guidelines for making a decision on circumcision FAQs aimed at teenagers descriptions of the surgical procedures involved in circumcision and a glossary of terms related to circumcision and the genital organs Links to other related Web sites on circumcision **Morality, Violence, and Ritual Circumcision** Na'ama Carlin, 2022-11-30 This book uses the Jewish ritual of circumcision to consider how violent acts are embedded within entrenched moral discourses and offers a new perspective for thinking about violence Intervening in contemporary debates on the Jewish ritual of circumcision it departs from both the ordinary secular defences of circumcision for medical reasons and the criticisms that consider it an unethical violation of bodies that cannot consent An examination of the intersection of violence and morality this book rejects the binary logic on which popular debates on circumcision hinge arguing that in some instances violence can be a productive experience and can thus be considered beyond good and bad Engaging with the works of Jacques Derrida the author puts forward a framework of violence of ontology which is characterised as a violence that is related to existence the violence of being which resists definition through binary oppositions In so doing the author contends that circumcision is in fact a form of generative violence that is leveraged for cultural purposes and inherent in the making of bodies As such this volume offers a compelling framework that investigates the relationship between bodies identities ethics and violence and will therefore appeal to scholars of sociology social theory and religion with interests in the sociology of the body ritual and cultural studies

**Understanding Circumcision** George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2013-06-29 Every year in the United States and the third world combined 13 3 million boys and 2 million girls are circumcised Whether because of perceived medical cultural or religious necessity most of these parents feel they have no alternative but to allow their children to undergo this surgery Sparking intense debate the circumcision of children is a highly controversial and complex phenomenon that touches a variety of sociological areas such as religious beliefs identity issues medical conceptualizations fear and superstition The contributors to this volume comprise an international panel of experts in the fields of medicine psychology law ethics sociology anthropology history theology and politics In 18 chapters they discuss the history of circumcision document the physical and psychological consequences of circumcision present the latest anatomical discoveries about the male prepuce analyze the role of circumcision in various traditions reveal the medical industry's investment in the practice describe current legislative efforts to protect children from circumcision and outline effective culturally sensitive methods that are being implemented today to safeguard the human rights of at risk children For its insights into this troubling aspect of culture **Understanding Circumcision A Multi Disciplinary Approach to a Multi Dimensional Problem** is a critically important contribution to the growing body of literature on this subject **Male and Female Circumcision** George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2007-08-27 Every year around

the world 13 3 million boys and 2 million girls have part or all of their external sex organs cut off Doctors parents and politicians have been misled into thinking that these mutilations are beneficial necessary and harmless International respected experts in the fields of medicine science politics law ethics sociology anthropology history and religion present the latest research documentation and analysis of this world wide problem focusing on the ethical political and legal aspects of sexual mutilation the cost and burden to healthcare systems the latest medical research anatomical and function consequences religious and cultural aspects psychological aspects and the world wide campaign to end sexual mutilation

*Complications in Male Circumcision* Mohamed A Baky Fahmy, 2019-05-22 Circumcision remains as one of the most controversial topics in current urological practice The most important argument against circumcision is the permanent change of anatomy histology and function of the penis with potential complications with rates reported to be low in developed countries whereas it may be up to 85% when circumcision is carried out by traditional circumcisers rather than by medically trained professionals in developing countries In some studies reporting the complications of circumcision primary haemorrhage was the most common 52% whereas infection meatal stenosis incomplete circumcision penile oedema glandular injury penile adhesions iatrogenic hypospadias and urethral injuries were also detected at different rates At times minor complications after circumcision which cannot be avoided even when the procedure is undertaken by specialized pediatric surgeons or urologist in a properly equipped centres specially if the child or his penis is congenitally abnormal the obvious examples are circumcising a child with an excessive suprapubic fat or a child with webbed penis or microphallus This title aims to minimize complications of MC and to compete against its serious impact on men s health it will educate and teach physicians about potential complications and how they could manage it early on and avoid further patient problems This title will shed some light over the common as well the uncommon complications which usually raise a debate about its management There are different sets to classify MC complications Either early or late minor or major local or systemic rare or common Both rare and common complications will be discussed with comprehensive photos and illustrations for each complication and its operative remedy **Flesh and Blood** George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2013-03-09 Who owns your sex organs Different cultures today and in different epochs have given a variety of answers to this question It may seem self evident that every individual owns and has sovereignty over his or her own body parts such as the head legs nose stomach pancreas and other body parts The sex organs however seem to be an exception Even though they are as much an integral part of the individual as a leg or a liver the sex organs are unique in that many cultures have established laws and taboos over the use and even the mere display of the sex organs Thus certain cultures have placed constraints over the individual s ownership of his or her sex organs and actively regulate and restrict the individual s access and use of those organs In other cultures the question of ownership of the sex organs is more decisively answered In any culture where circumcision to any degree of either the male or female is practiced permitted encouraged or even merely

tolerated it is clear that the individual is not considered to own his own sex organs In the United States today the medical establishment has created an is considered acceptable and desirable that anyone for environment where it any reason can authorize or execute the amputation of the foreskin from a male child s penis

**Sacred Tropes: Tanakh, New Testament, and Qur'an as Literature and Culture** Roberta Sabbath,2009-09-30 Contemporary sacred text scholarship has been stimulated by a number of intersecting trends a surging interest in religion sacred texts and inspirational issues burgeoning developments in and applications of literary theories intensifying academic focus on diverse cultures whether for education or scholarship Although much has been written individually about Tanakh New Testament and Qur an no collection combines an examination of all three Sacred Tropes interweaves Tanakh New Testament and Qur an essays Contributors collectively and also often individually use mixed literary approaches instead of the older single theory strategy Appropriate for classroom or research the essays utilize a variety of literary theoretical lenses including environmental cultural studies gender psychoanalytic ideological economic historicism law and rhetorical criticisms through which to examine these sacred works

*Female Circumcision* Rogaia Mustafa Abusharaf,2013-03-01 Bolokoli khifad tahara tahoor qudiin irua bondo kuruna negekorsigin and kene kene are a few of the terms used in local African languages to denote a set of cultural practices collectively known as female circumcision Practiced in many countries across Africa and Asia this ritual is hotly debated Supporters regard it as a central coming of age ritual that ensures chastity and promotes fertility Human rights groups denounce the procedure as barbaric It is estimated that between 100 million and 130 million girls and women today have undergone forms of this genital surgery Female Circumcision gathers together African activists to examine the issue within its various cultural and historical contexts the debates on circumcision regarding African refugee and immigrant populations in the United States and the human rights efforts to eradicate the practice This work brings African women s voices into the discussion foregrounds indigenous processes of social and cultural change and demonstrates the manifold linkages between respect for women s bodily integrity the empowerment of women and democratic modes of economic development This volume does not focus narrowly on female circumcision as a set of ritualized surgeries sanctioned by society Instead the contributors explore a chain of connecting issues and processes through which the practice is being transformed in local and transnational contexts The authors document shifts in local views to highlight processes of change and chronicle the efforts of diverse communities as agents in the process of cultural and social transformation

Israel's Original Sin, Volume I Richard J. Rolwing,2001-11-15

**Circumcision** Ronald Goldman,1997 CIRCUMCISION THE HIDDEN TRAUMA is the first intensive exploration of the unrecognized psychological and social aspects of this increasingly controversial American cultural practice The book has been endorsed by dozens of professionals in psychology psychiatry child development pediatrics obstetrics childbirth education sociology and anthropology including Ashley Montagu Christiane Northrup Warren Farrell Sheila Kitzinger Sam Keen and Penelope Leach Without much knowledge the American public

generally assumes that our cultural practice of circumcision is a trivial and benign procedure. Plain facts and research results conflict with these beliefs and raise serious questions. Dr Goldman's application of psychological and social research coherently explains both the tenacity of the practice and the contradictory information and beliefs about it. After a review of the surprising abilities of infants and their responses to circumcision, the long-term psychological effects of circumcision are examined from the perspectives of both traditional and innovative psychological theories. We learn that circumcision has potential effects not only on men and sexuality but also on mother-child relationships, male-female relationships, and societal traits and problems. The text is supported with clinical reports, interviews, surveys, and thorough documentation.

**CIRCUMCISION: THE HIDDEN TRAUMA** identifies an overlooked source of early pain and points us in the direction of both healing and preventing this pain. It is of particular interest to men who seek to explore their sexuality and deepen self-awareness, women who want to understand men better, parents and children's advocates, childbirth educators, and allied workers and mental health, medical, and academic professionals. The book has wide appeal because more generally it is about trusting our instincts, questioning some of our cultural values and assumptions, and reflecting on who we are and who we can be as individuals and as a society. Ronald Goldman, Ph.D., is a psychologist, educator, and executive director of the Circumcision Resource Center in Boston ([www.circumcision.org](http://www.circumcision.org)), a nonprofit educational organization. He gives lectures and seminars on the psychological and social aspects of circumcision and provides consultation to expectant parents and circumcised men. Dr. Goldman has been a featured guest on local and national radio and television shows and has been cited in numerous newspapers and periodicals.

*Genital Autonomy*: George C. Denniston, Frederick M. Hodges, Marilyn Fayre Milos, 2010-08-25. Circumcision affects 15.3 million children and young adults annually. In terms of gender, 13.3 million boys and 2 million girls are subjected to the involuntary removal of part or all of their external sexual organs every year. The problem of female circumcision has been addressed on an international level, but male circumcision remains a controversial subject that many academics have been reluctant to examine. Circumcision is tolerated today because it has been practiced for millennia by a small but vocal minority of religious and ethnic groups; however, when the practice is examined through the lens of modern legal, ethical, and human rights advancements, no place remains in civilized society for this body-altering ritual. In *Genital Autonomy: Protecting Personal Choice*, international experts address various types of genital modifications, the impact of these harmful traditional practices on the child, on human rights, and on the development of the concept of bodily integrity. The papers presented in this volume address these topics from a variety of angles. They question and dissect the true motivations of the doctors, witch doctors, and holy men who promote and profit from circumcision.

**Reemerging Jewish Culture in Germany** Sander L. Gilman, Karen Remmler, 1994-08. How can there be a Jewish culture in today's Germany? Since the fall of the Wall, there has been a substantial increase in the visibility of Jews in German culture, not only an increase in the number of Jews living there but more importantly an explosion of cultural activity. Jews are writing and

making films about the central question of Jewish life after the Shoah Given the xenophobia that has marked Germany since reunification the appearance of a new Jewish is both surprising and normalizing Even more striking than the reappearance of Jewish culture in England after the expulsion and massacres of the Middle Ages the presence of a new generation of Jewish writers in Germany is a sign of the complexity and tenacity of modern Jewish life in the Diaspora Edited by Sander L Gilman and Karen Remmler and featuring works by many of the most noted specialists on the subject including Susan Niemann Y Michael Bodemann Marion Kaplan Katharina Ochse Robin Ostow Rafael Seligmann Jack Zipes Jeffrey Peck Kizer Walker and Esther Dischereit this volume explores the questions and doubts surrounding the revitalization of Jewish life in Germany The writers cover such diverse topics as the social and institutional role that Jews now play the role of religion in daily life and gender and culture in post Wall Jewish writing

*Castration* Gary Taylor, 2002-09-11 Castration is a lively history of the meaning function and act of castration from its place in the early church to its secular reinvention in the Renaissance as a spiritualized form of masculinity in its 20th century position at the core of psychoanalysis

Circumcision, 1993 **Freud, Race, and Gender** Sander L. Gilman, 2021-01-12 A Jew in a violently anti Semitic world Sigmund Freud was forced to cope with racism even in the serious medical literature of the fin de siècle which described Jews as inherently pathological and sexually degenerate In this provocative book Sander L Gilman argues that Freud's internalizing of these images of racial difference shaped the questions of psychoanalysis Examining a variety of scientific writings Gilman discusses the prevailing belief that male Jews were feminized as stated outright by Jung and others and concludes that Freud dealt with his anxiety about himself as a Jew by projecting it onto other cultural inferiors such as women Gilman's fresh view of the origins of psychoanalysis challenges those who separate Freud's revolutionary theories from his Jewish identity

*The Primal Wound* John Firman, Ann Gila, 1997-01-01 Argues that a primal wounding of the human spirit occurs in earliest human life that disrupts fundamental relationships and leads to anxiety loneliness and alienation and shows how this wounding can be redeemed through therapy and through living one's life differently

**Israel's Original Sin** Richard J. Rolwing, 2002-05 WAS THE GOD OF JOSHUA THE GOD OF JESUS A relook at modern Israel's roots in ancient Israel salvation history biblical inspiration partial revelation imperfect theology and misguided leaders among Jews Muslims and Christians It asks considering Mohammed Ben Gurion and Harry Truman if Joshua has not had as much influence on western civilization as Jesus What on earth is God doing in the Middle East Do Uncle Sam and his protégé Israel justify divine providence in human history Do victories in war and success in business prove God's blessing and do failures in finance and disasters in health Aids manifest God's displeasure How does Christ's cross theology fit into history politics This book is indeed thoughtful and creative It highlights the need for all of us today to be much more self critical especially for us Christians to see how domination theology has been a part of our own approach

Fr Dr James Bacik author of *Apologetics and the Eclipse of Mystery*

Israel's Original Sin, Volume II Richard J. Rolwing, 2002-05-20 WAS THE GOD OF JOSHUA THE GOD OF JESUS A relook

at modern Israel's roots in ancient Israel salvation history biblical inspiration partial revelation imperfect theology and misguided leaders among Jews Muslims and Christians It asks considering Mohammed Ben Gurion and Harry Truman if Joshua has not had as much influence on western civilization as Jesus What on earth is God doing in the Middle East Do Uncle Sam and his protégé Israel justify divine providence in human history Do victories in war and success in business prove God's blessing and do failures in finance and disasters in health Aids manifest God's displeasure How does Christ's cross theology fit into history politics This book is indeed thoughtful and creative It highlights the need for all of us today to be much more self-critical especially for us Christians to see how domination theology has been a part of our own approach

Fr Dr James Bacik author of *Apologetics and the Eclipse of Mystery*      **Encyclopedia of Gender and Society** Jodi O'Brien, 2009 Provides timely comparative analysis from internationally known contributors      Between Rites and Rights, 2007-08-24 The study shows in chronological fashion how African women writers in the past five decades have introduced a new autobiographical discourse around their experience of excision bringing nuance and vitality to the FGM debate

### **Circumcision The Painful Dilemma Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Circumcision The Painful Dilemma PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Circumcision The Painful Dilemma PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Circumcision The Painful Dilemma free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## FAQs About Circumcision The Painful Dilemma Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Circumcision The Painful Dilemma is one of the best book in our library for free trial. We provide copy of Circumcision The Painful Dilemma in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Circumcision The Painful Dilemma. Where to download Circumcision The Painful Dilemma online for free? Are you looking for Circumcision The Painful Dilemma PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Circumcision The Painful Dilemma. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Circumcision The Painful Dilemma are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Circumcision The Painful Dilemma. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Circumcision The Painful Dilemma To get started finding Circumcision The Painful Dilemma, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Circumcision The Painful Dilemma So depending on what

exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Circumcision The Painful Dilemma. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Circumcision The Painful Dilemma, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Circumcision The Painful Dilemma is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Circumcision The Painful Dilemma is universally compatible with any devices to read.
