Morality, Violence, and Ritual Circumcision Na'ama Carlin, 2022-11-30 This book uses the Jewish ritual of circumcision to consider how violent acts are embedded within entrenched moral discourses and offers a new perspective for thinking about violence Intervening in contemporary debates on the Jewish ritual of circumcision it departs from both the ordinary secular defences of circumcision for medical reasons and the criticisms that consider it an unethical violation of bodies that cannot consent An examination of the intersection of violence and morality this book rejects the binary logic on which popular debates on circumcision hinge arguing that in some instances violence can be a productive experience and can thus be considered beyond good and bad Engaging with the works of Jacques Derrida the author puts forward a framework of violence of ontology which is characterised as a violence that is related to existence the violence of being which resists definition through binary oppositions In so doing the author contends that circumcision is in fact a form of generative violence that is leveraged for cultural purposes and inherent in the making of bodies As such this volume offers a compelling framework that investigates the relationship between bodies identities ethics and violence and will therefore appeal to scholars of sociology social theory and religion with interests in the sociology of the body ritual and cultural studies

The Anointed ONE Mark Brand, 2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He is in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It is incredible how many places in God's Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen
