## Circus Angel:

*Angel's Return* I.G. Whit, 2011-10-10 How many times have you looked at a person and made a snap judgement of who and what they were? It is my opinion you should not make any preconceived judgements based on ignorance. Give that person an opportunity to show you who and what they are and most of the time you will find an extraordinary individual one you would have missed if you based your acquaintance on your first glance. I made that mistake once and when I discovered my error believe me I have never done such a thing again. And that goes for persons of different races, creeds and religions. We are all one under the skin.

**Women Filmmakers in Mexico** Elissa Rashkin, 2001-04-15 Women filmmakers in Mexico were rare until the 1980s and 1990s when women began to direct feature films in unprecedented numbers. Their films have won acclaim at home and abroad and the filmmakers have become key figures in contemporary Mexican cinema. In this book Elissa Rashkin documents how and why women filmmakers have achieved these successes as she explores how the women's movement, film studies programs, governmental film policy and the transformation of the intellectual sector since the 1960s have all affected women's filmmaking in Mexico. After a historical overview of Mexican women's filmmaking from the 1930s onward, Rashkin focuses on the work of five contemporary directors: Marisa Sistach, Busi Cortés, Guitta Schyfter, María Novaro and Dana Rotberg. Portraying the filmmakers as intellectuals participating in the public life of the nation, Rashkin examines how these directors have addressed questions of national identity through their films, replacing the patriarchal images and stereotypes of the classic Mexican cinema with feminist visions of a democratic and tolerant society.

*Two Novellas and a Short Story* Jeremy L Hunter, 2024-10-07 *Two Novellas and a Short Story* Cartoonis Logicus is a collection of satirical stories that are in turn whimsical, depraved, humorous, horrifying, political, anti-political, all too human and startlingly alien. The focus is on mimicking assumptions about important things ranging from politics to the several thousand year old question of how one should live one's life or if one should, and adding surprising elements of nonsense in order to subvert our most common intuitions about these subjects. The author's deadpan delivery leaves readers unsure whether they're reading a cartoon or living in one.

**The Night Operator** Frank L. Packard,2016-01-08 THE NIGHT OPERATOR Toddles in the beginning wasn t exactly a railroad man for several reasons First he wasn t a man at all second he wasn t strictly speaking on the company s pay roll third which is apparently irrelevant everybody said he was a bad one and fourth because Hawkeye nicknamed him Toddles Toddles had another name Christopher Hyslop Hoogan but Big Cloud never lay awake at nights losing any sleep over that On the first run that Christopher Hyslop Hoogan ever made Hawkeye looked him over for a minute said Toddles short like and short like that settled the matter so far as the Hill Division was concerned His name was Toddles Piecemeal Toddles wouldn t convey anything to you to speak of You d have to see Toddles coming down the aisle of a car to get him at all and then the chances are you d turn around after he d gone by and stare at him and it would be even money that you d call him back and fish for a dime to buy something by way of excuse Toddles got a good deal of business that way

Toddles had a uniform and a regular run all right but he wasn't what he passionately longed to be a legitimate dyed in the wool railroader His paycheck plus commissions came from the News Company down East that had the railroad concession Toddles was a newsboy In his blue uniform and silver buttons Toddles used to stack up about the height of the back of the car seats as he hawked his wares along the aisles and the only thing that was big about him was his head which looked as though it had got a whopping big lead on his body and didn't intend to let the body cut the lead down any This meant a big cap and as Toddles used to tilt the visor forward the tip of his nose bar his mouth which was generous was about all one got of his face Cap buttons magazines and peanuts that was Toddles all except his voice Toddles had a voice that would make you jump if you were nervous the minute he opened the car door and if you weren't nervous you would be before he had reached the other end of the aisle it began low down somewhere on high G and went through you shrill as an east wind and ended like the shriek of a brake shoe with everything the Westinghouse equipment had to offer cutting loose on a quick stop

May Agnes Fleming, 1880 **The Realms of Heaven: A Trilogy** Angel Karen Ralls, 2018-01-16 Expect a Miracle is the first book in The Realms of Heaven Trilogy. It's a story of love and of the courage to believe in our dreams so we can make them a reality. Angel Rose a child of earth begins to communicate with Haniel the granter of wishes. Haniel has come from seventh heaven to communicate directly with Angel Rose through the Internet. He tells Angel Rose that he has waited several lifetimes to communicate with the children of earth as a messenger for all mankind. He wants to work with the planet's children to evolve it into a heaven world creating a peaceful planet of love and oneness instead of fear and separation. Angel Rose visits seventh heaven with Haniel and is introduced to the archangels a myriad of other angels and the other special children of earth involved in the Universal Grand Plan. She lives between the two worlds working as a peacemaker on earth to bring together the path makers and path finders. Will they be able to transform earth and its people into a planet of love and unity? This story is about the power of our minds and the great possibility for a heaven on earth. It's also about expecting a miracle for if we can believe in miracles we will see them. Women, Pleasure, Film Simon Richter, 2013-08-20 The Lola film

is a distinct subgenre of the woman's film in which woman's claim to pleasure is entertained without recourse to the figure of the femme fatale. Lola embodies a recognizable set of characteristics through which over time a select group of directors, actors and audiences have responded in ways that do not succumb to the imperatives of gender. There are over thirty five Lola films starting with Marlene Dietrich in *The Blue Angel* many are German others are French American British Italian and

Spanish but her claim has also resonated in Argentina China Egypt Mexico Thailand and the Philippines Lola can be working class lesbian transgender ethnic suburban or any combination This book examines Lola as a specific and enduring aspect of the early twentieth century new woman woman s forthright claim to pleasure on her own terms liberated if only as a cinematic fantasy from the usual constraints of sex and gender
